

WHAT IS AND ISN'T

IN TODAY'S LIBRARY WORLD, most newspaper/magazine articles, and many reference sources are delivered by computers. They are found on searchable databases and eBooks that the library buys subscriptions to. These copyrighted sources are not free on the Internet, so they are not considered Internet sources.

HERE IS A LIST of eBooks, reference databases, magazine/journal/newspaper databases and other electronic resources that we purchase or subscribe to for our library customers:

EBSCOHost Magazine and Newspaper Database

EBSCOHost Student Research Center

InfoTrac Magazine and Newspaper Database

Facts on File Homework and Curriculum Database

Gale eBooks

JerseyClicks Magazine, Journal, Book, Transcript, Encyclopedia Database

Literature Resource Center

Novelist

Searchasaurus Encyclopedia and Juvenile Magazine Database

IF YOU USED any of these to retrieve an article or information, you were NOT using a free Internet source.

IF YOU USED Google, Yahoo, or other search engine to find the material, you WERE using an Internet source.

PLEASE CONSULT the Atlantic County Library System Reference Center if you have any questions, 609-625-2776 or 609-646-8699 x 6310.

AN INTERNET SOURCE?
