July - August 2008 Reference Spotlight

Each month, the Atlantic County Library Reference staff prepares this BookNews eNewsletter to familiarize our patrons with the Library's [EXPLORE](#) pages. This month we highlight a new link in our [POPULAR READING AND LITERATURE](#) section and a new database link found in our [BUSINESS, INVESTING AND GRANTS](#) page.

For questions about using the links featured in this e-Newsletter, please call the Reference Center at (609) 625-2776, ext. 6310.

Remember, you can find these and other useful links on the the Library's [EXPLORE](#) pages.

The “dog days of summer” are upon us, and many children and teens are staying cool by reading. Check out the reading lists at [NoveList K-8](#). This website was upgraded in March 2008 and is now organized by age-appropriate groups and is very attractive and kid friendly. NoveList K-8 has now been added to the web links for [Popular Reading and Literature- \(Children’s Literature](#) sub category), [Homework Help](#), and [Kids \(More Great Sites\)](#).

Teens, Older Kids and Younger Kids can find Recommended Reads book lists in topics as varied as fantasy, mysteries, science fiction, horror, historical fiction, humor and sports. The Working With Kids category has Grab and Go Book Lists that have been selected and

contributed by reading professionals. Readers can also browse the Award Winners, Book Talks and Book Discussion Guides to choose the perfect book.

The logo for Corfacts Online features the word "Corfacts" in a large, bold, blue, italicized sans-serif font. To its right, the word "Online" is in a smaller, bold, black sans-serif font, followed by a trademark symbol (TM).

New Jersey's Premier Business-to-Business Directory

A recent database addition is **Corfacts Online**, which is New Jersey's Premier Business to Business Directory. This can be found under the [Business, Investing and Grants](#) links as well as under the [Databases](#) list. Companies can be searched by industry, location, company size, number of employees, and revenue size. Individuals can create telemarketing lists, qualify sales leads, and do their own market research. Reference in Mays Landing has the print directory for **Corfacts** for those times when a computer may not be nearby. Try and search your favorite business and see what you find!

Remember, to access Corfacts from outside of the library you will need your library card number.
