"My Harry! my boy!" she exclaimed, as she gazed into his arms... "Welcome home again! but where is the little girl?"

"I have a mother, the sweetest little daughter I could possibly pick out for you... How do you like her, mother?"

"I like her! I am charmed with her... I thought you found her in the orphan's asylum?"

"I found her in the asylum, dear mother... I had at that time a very strange fancy to adopt a child."

"You will find it shockingly expensive... I had at that time a very strange fancy to adopt a child."
