Founded on the bank of the water on the banks of the Great Egg Harbor River, May's Landing has moved from the first the reputation of being the most beautiful, most healthful place of residence on the seacoast of New Jersey. Its magnificent oak trees have become famous, and beautiful Lake Lenape is scarcely less well known. Inducements to manufacturers are exceptionally good. For the truck farmer and poultry raiser it is an ideal location, and the means of those seeking Summer homes at a reasonable cost.

Splendid boulevards for automobiles lead to May's Landing from every point, including the direct road from Philadelphia by way of Downstown and the Egg Harbor City boulevard, leading from the White Horse Pike. The Great Egg Harbor River boasts of an active Yacht Club open for membership. This picturesque waterway affords good boating, bathing and fishing, and is a popular highway with yachtsmen to Atlantic City, Ocean City and other seashore resorts.

Municipal conveniences include cold, sparkling water, 99 percent pure from an artesian well, supplied through a new public water works system, first-class fire protection with consequent low insurance rates, low rates of taxation, electric lighting, prosperous churches, good public schools, etc. If you never visited May's Landing, it is time to do so. If you are looking for a Summer place of residence, this is the ideal place for you. "The Town of Natural Opportunities" is Your Opportunity.
