#### M. E. CHURCH PROSPERING.

Annual Reports Will Be Presented-Ask Return of Pastor Moore.

In the M. E. Church to-morrow evening following the sermon. Rev. S. K. Moore will read the yearly reports of the various departments of the Church, showing the amount of money received and expenditures, giving a detailed statement concerning the recent \$3,500 improvements to the Church.

The Official Board will hold its final meeting to-night and wind up the affairs of the Church. Every department will show a prosperous condition and the benevolent collections are equal to last year's.

Beginning with the new Conference year the entire expenses of the Church, including the pastor's salary, will be lumped together and a new system of raising the money introduced, Every member of the Church will be apportioned accordingly to the amounts they have been subscribing in the years past and will be given fifty-two envelopes in which to place their contributions and deposit same weekty in the Church collection box. The apportionment is not obligatory and can be raised or lowered at the discretion of the member. The great benefit to the Church and the members and if carried out faithfully will do away with extra collections.

As Rev. Moore has been unanimously recalled to the pastorate here it is expected by the Official Board that he will be returned by Conférence for another year.
