

DEFEAT CANAL BILLS, LOCAL OPTION FIGHT BEFORE LEGISLATURE

STORMY SESSION PROMISED MONDAY NIGHT OVER GAUNT MEASURE

HAS ALREADY PASSED SENATE

Godfrey's Plan To Abandon Old Waterway Lacked Only One Vote To Carry and May Be Re-considered—Speaker In Strong Favor Among State Leaders For Gubernatorial Nomination.

Lacking one vote of the thirty-one required for passage, the measure... Godfrey's plan to abandon the old waterway... Speaker in strong favor among state leaders for gubernatorial nomination.

Only one Democrat voted for the bill, Assemblyman Ostrom of Hudson County. His Hudson County colleagues referred to him as "the exiled member from Hudson," because he favored the bill.

Godfrey's bill had several amendments providing for considerable valuable rights to Hudson County and to Jersey City. One stipulation was that Jersey City should have the privilege of making the small boats.

The local option fight in the House began Tuesday when the attempt to place a Sunday selling amendment in the Gaunt bill was fought out with unusual vigor and defeated.

After the amendment was killed, it was decided to make the Gaunt bill the order of special business for next Monday night.

In the opinion of many who have kept in close touch with the situation it is predicted that this fight will be long and bitter one, and if this opinion proves correct, little else will be possible except the disposal of the Gaunt bill.

Failure of the Legislature to pass the canal bill means deprivation of \$1,000,000 revenue to the State, which would have a big aid at this time in meeting the State deficit.

Governor Fielder has taken a definite stand against two important bills pending in the Legislature. His stand is in favor of the Stevens bill, repealing the full crew law, and he has also stated that he will veto the Godfrey bill, re-organizing the State Department of Labor and retaining General Lewis T. Bryant, Republican, as its chief.

ADULT CLASS PROSPERING

Will Meet To-morrow in Main Room of Presbyterian Church. At the Presbyterian Church to-morrow Rev. E. B. Smith will preach at 10:30 A. M. subject, "The Enthusiasm of Love"; 7:30 P. M. subject, "The Devil and How to Treat Him"; Sunday School and the Adult Bible class will convene immediately at the close of the morning service, 10 o'clock.

In consequence of the great increase in the Bible-Class attendance it will be necessary in future to conduct it upstairs in the audience room of the church. The class now numbers 50 and it is not proposed to put any limit to its activity and growth.

Recently the Class received its "Certificate of Recognition" from the International Sunday School Association, and the State association number is No. 22. It is hoped that the class buttons will be ready for distribution among its members to-morrow.

Pound Net-Fight Still On. Led by Captain John Bailey, of Beach Haven, members of the Hook and Line Fishermen's Protective League have renewed their battle for a State-wide abolition of pound nets.

Visited Home Hens. Mr. James Lambert, Jr., of Englestown, N. J., spent Friday of last week at the home of his parents, Magistrate and Mrs. J. A. Lambert, at this place. Mr. William Lambert, of Cape May Court House, spent Saturday and Sunday at home.

HEWING TO THE LINE, REV. NELSON STRIKES HARD

Preached Powerful Sermon At Fourth Meeting For Men.

One of the most powerful sermons ever delivered in May's Landing was that of Rev. Newton Nelson, pastor of the First M. E. Church, Sunday afternoon, last in the Opera House, at the fourth meeting for men only, on the subject, "Settling a Trap." The Opera House was well filled and it is no exaggeration to say that the dropping of a pin could have been heard anywhere in the auditorium in the intervals between Rev. Nelson's trenchant sermons, and it was a liberal-minded, sensible exposition of the certain evils that lurk in the pathway of the transgressor.

The belief of some men that they can "take a drink or let it alone," was assailed by the preacher, who devoted the main part of his discourse on the evil influences of drinking alcoholic beverages, and to what he termed "drink's sisters," gambling and licentiousness.

"These three almost always go together," he said, "where you find one you find the other two." Referring to statistics, he pointed out that this same disease is against for either strong drink, more than is spent for either food or clothing. "And this represents only the tip of the iceberg," he said.

"Prominent citizens present at the meeting, including some who are not church members and themselves drink occasionally, went up to Rev. Nelson after the service and expressed their hearty commendation of his sermon."

There will be no men's meeting to-morrow but Rev. Nelson is planning to hold one such meeting a month in the future as the men are deeply interested and there seems to be a widespread demand for such a service.

"FROM BUDDHA TO CHRIST"

Japanese Convert Preached To Big Congregation In M. E. Church.

The Rev. K. Hiraike, of Tokyo, Japan, fulfilled all expectations Monday evening at the First M. E. Church, probably there has never been so large a congregation of converts from Buddhism to Christianity in this city.

"A great faith in the true and living God makes him an apostle of truth and life in Christ to men," says Rev. Nelson. "We have heard how, both in darkness and superstition, he sought light to be found, light, overcoming the darkness of night, the light of God's love, having seen to the Bible continually, reject Him? What a call to us, friends! Now let us yield our lives to Him."

The nightly services have closed. Many have been awakened by God's spirit and have said, "I intend to lead a new life." Evangelistic services will be the order Sundays and Wednesdays. Friend without hope in Christ, there are for you.

Ocean County Officials Here.

A delegation of freeholders and officials from Ocean County inspected the public buildings here Thursday last, expressing considerable surprise at the fine condition in which they are maintained and the modern equipment installed throughout.

Injured By Iron Shutter. While engaged in superintending the repair of an iron shutter at the County Clerk's office Tuesday last, Capt. D. F. Vaughn, custodian of the public buildings, received a painful cut on the head. The wound did not appear at first to be so serious, but he was confined all the next day to his home, from shock caused by the impact of the heavy metal shutter against his head.

Glee Club Entertainment.

On Thursday evening next an entertainment will be given by the Glee Club of the May's Landing High School. The program for the evening will be "The Pine Tree Fairies" and singing of the cantata "The Tree of the Heperus," under the direction of the teacher of music and drawing, Miss Bertha Bokhart. The entertainment will be given in the Opera House, beginning at 8 o'clock.

M. E. Church Trustees Elected.

At the annual congregational meeting held Wednesday evening last in the M. E. Church for the election of three Trustees for terms of three years each, the following gentlemen were elected: Messrs. Charles Hamilton, Lewis W. Oranger and Daniel W. McClure.

Arbutus Nearly In Bloom.

The fragrant arbutus, so abundant in the surrounding woods, is nearly ready to burst forth in bloom and already large quantities have been picked and made to blossom in warm rooms. It will be in full bloom early in April under normal weather conditions.

Rev. Moore Returned.

Rev. H. K. Moore, assigned to a Camden Church, has been re-assigned by Conference next week to Tuckerton, where the church demanded his return. The minister who was assigned to Tuckerton was sent to Camden.

Spent Week End At Banglow.

Mr. J. Logan Pitts and son Logan, of Mercantileville, N. J., spent Saturday and Sunday last at their banglow, at Camp Banglow, on the Great Egg Harbor. Mr. Pitts expects to spend several weeks here during the season with his family.

ONLY SEVENTEEN VOTE AT SCHOOL ELECTION

Four Members of Education Board Re-elected Unopposed and Appropriations Carried—Results In Other County Districts.

"Quiet" is hardly a tame enough expression to describe the annual school election held Tuesday evening last at the High School at this place for the election of four trustees and school appropriations, only seventeen voters casting their ballots. All four trustees whose terms expired were re-elected—H. E. Vannaman, Herman J. Haines and John Babcock for three years and Charles E. Remmey for two years.

At Hammoonton, the greatest outpouring of citizens ever witnessed at a school election took place, when three members of the Board of Education were re-elected to succeed Dr. F. C. Burt, Joseph P. Imhoff and Albert L. Jackson and to make appropriations for the school year, over 400 citizens casting their ballots in a few minutes over an hour.

The following appropriations were voted: For repairing and furnishing, \$1,500; current expenses, \$7,000; manual training, \$1,100; school library, \$100; school ground improvement, \$800; notes and interest, \$2,200, a total of \$12,200. An addition to First Road School House, costing \$5,000, was also authorized. The vote on members of the Board of Education, three to be elected, was as follows: Dr. F. C. Burt, 180; J. P. Imhoff, 192; Albert L. Jackson, 200; Dr. Charles Cunningham, 240; Joseph Pitts, 180; A. G. Johnson, 187.

The meeting also attended to build a new school house at Devonville, to accommodate pupils living at the agricultural school at Millers Wood. The estimated cost of the building is \$1,900. The sum of \$800 was voted for repairs to the school house. These sums are in addition to the State appropriations.

In Weymouth Township appropriations amounting to \$870 were carried, 187 voters turning out at the election, which was held at Tuckerton. Members of the Board elected were: for three years, Joseph Mattson, John Farmer and Anderson Bourgeois, for two years, George T. Duks; for one year, Lewis Beebe and Anderson Campbell. The other members of the Board, who held over this year, are Joshua Mitchell, Henry K. Lewis and Edgar Sheppard.

Pruning Demonstration

Douglas Invites Farmers Out For Meet. Thursday Afternoon.

On Thursday next at 1 p. m. there will be a pruning demonstration held on the farm owned by the Water Power Company, of May's Landing, adjoining Lehigh Park. All those who are interested in growing better and more fruit should come out to receive instructions on the pruning of old apple trees.

Class Meeting Held.

Mrs. Newton Nelson's Sunday School Class members held their monthly meeting last week at the home of the President, Miss Florence Smith. A splendid social hour was enjoyed.

Greely Spoke Here.

In old newspaper files of 1864, a speech made here by Horace Greely on September 14, 1864, at a Harvest Home meeting is chronicled.

Ladies Plan Their Next Home Making Contest

At a meeting of the executive committee of the Home Making Contest held recently at the May's Landing High School officers were elected as follows: President, Mrs. William H. Conners; Treasurer, Mrs. Alfred Chalmers; Secretary, Mrs. E. Carter. Those attending were: Mrs. Nettie Adams, Mrs. H. M. Crossman, Mrs. Eunice Hickman, Mrs. A. J. Anderson, Mrs. G. H. Huber, Mrs. R. E. Vannaman, Mrs. Samuel Johnson, Mrs. George Souder and Mrs. R. Carter.

Will Be Held December 4 At Court House—Officers Elected.

At a meeting of the executive committee of the Home Making Contest held recently at the May's Landing High School officers were elected as follows: President, Mrs. William H. Conners; Treasurer, Mrs. Alfred Chalmers; Secretary, Mrs. E. Carter. Those attending were: Mrs. Nettie Adams, Mrs. H. M. Crossman, Mrs. Eunice Hickman, Mrs. A. J. Anderson, Mrs. G. H. Huber, Mrs. R. E. Vannaman, Mrs. Samuel Johnson, Mrs. George Souder and Mrs. R. Carter.

In Domestic Difficulties.

Last week Jim Hand, a well known denizen of the County Capital, made up his mind to spend the season at the seashore and accordingly moved his family and his household goods to Atlantic City. Hand was back here, however, this week with a grievous tale of domestic discord, asserting that his wife left him to live with her mother in the "boast town" along the thoroughfare.

Beware Of Brush Fires.

Attention of those who are about to do any spring burning of rubbish is directed to the State law requiring permits if the fire is in the vicinity of woodland. Heavy fines are fixed for violations.

Passed Bar Exams.

Hiram Steiman and Daniel M. Smith, of Atlantic City, were among those who recently passed the State bar examination and will now be entitled to practice as attorneys-at-law.

House For Rent.

Eight-room newly papered and painted, corner Maple and Second Streets, known as Best property. Apply George Heathorn, May's Landing, -adv.

FARMERS SHOW HOW TO MIX DOWN FERTILIZERS

From \$8 To \$10 Per Ton May Be Saved By Proper Methods.

Elwood Douglas, County Farm Demonstrator, has taken a forward step in endeavoring to bring to the farmers of Atlantic County a more exact and comprehensive knowledge of the proper and best use of commercial fertilizers. There is no problem confronting the farmers of the county that bears greater relation to the profitable production of crops than the economic and efficient feeding of the plant. It involves not only the purchase of the fertilizer but also the use, which in itself is a study, especially upon the sandy soils of this county.

On Thursday, March 11, Mr. Douglas, assisted by Mr. John McVey, of the New Jersey Agricultural Experiment Station, conducted a Home-Mixing Demonstration on the farm of Mr. John Hoenke, at Cologne. There are two methods of purchasing fertilizer: in the one case, the manufacturer mixes the ingredients and in the other the ingredients are bought by the farmer and mixed on the farm in the proper proportions for the various crops which it is to be used.

The experiment conducted at the New Jersey Agricultural Experiment Station during the past twenty years have proved the greater efficiency of mixing the ingredients on the farm and analysis from the same station, extended over a period of ten years, show that a saving of from \$8 to \$10 a ton may be made. It was to illustrate these points that Mr. Douglas conducted the demonstration. Ingredients were mixed to make a batch of 4-8-8 and 1,000 lb. batch of 4-8-8 fertilizer. There a gathering of over fifty farmers from the vicinity. The following materials were used: Nitrate of Soda, Ammonia sulphate, dried blood, 18 per cent, Anhydrous Acid Phosphate 14 per cent, and Muriate of Potash. Mr. Voorhes gave an address on "Home-made Fertilizers" illustrating his talk by showing upon an improvised blackboard the amounts of the various ingredients used in the two mixtures and figured the cost of each from the purchase price including freight and cost of bagging, which showed a saving in the case of 4-8-8 of \$4.14 a ton, and in the case of the 4-8-8 of \$4.14 a ton.

In order to give the demonstration a more lasting effect as well as to finance twenty farmers volunteered to pay 100 pounds out of the mixtures. These men are expecting to use what they took home on their plots along side of a plot upon which a higher price has been used, and it is the intention of both Mr. Voorhes and Mr. Douglas to visit each one of these men during the summer to keep in touch with the results. Mr. Voorhes further stated that his services as well as those of the County Demonstrator would be at the disposal of the farmers at any time and expressed a desire to assist the farmers of Atlantic County in every possible manner.

WATCH SEED POTATOES

Farm Officials Warn Planters Of Dangerous Scab Disease.

The Vocational School of Agriculture at Minotola, wishes to call the attention of the potato growers to the possibility of importing a very serious disease—the powdery scab of the potato. This is a serious matter, since the disease spreads rapidly and wreaks havoc when started, there being no satisfactory method of seed treatment.

Some forms of the disease are very hard to distinguish from the common scab. In general it is a disease which is spread by the soil and is in the seed potato and frequently a slight peeling or rolling back of the skin immediately surrounding the spot.

The seriousness of this disease is indicated by the fact that the U. S. Department of Agriculture has deemed it advisable to establish a quarantine preventing the importation of seed potatoes from all European countries and British North American possessions where the disease is known to exist.

Inquiries as to how to buy seed potatoes will be cheerfully answered by Elwood Douglas, Farm Demonstrator, address May's Landing, or any of the officials of the vocational schools.

"Dope Fiends" Not Coming Here.

"Suggestion of the police of Atlantic City that 'dope fiends' rounded up to the resort be sent to the County Jail was abandoned Wednesday night after a meeting by Judges C. Shinn and Sheriff Joseph R. Bartlett and their men placed inside in the City Jail, where more adequate provisions for their care can be made. Their incarceration in the County Jail would have necessitated almost constant medical attendance and nursing, also a special diet.

Visiting Friend Here.

Miss Julia Stewart, of Atlantic City, has been enjoying a week's sojourn here as the guest of her friend, Miss Leta Kearns.

Visitors At Millville.

Messrs. Job Smallwood and Fred Smallwood spent yesterday at Millville.

Umbrella Menders Beat Up Agent At Mizpah Station.

Jail claims for Edwin Clark, of Gloucester, who was beaten up by a party of umbrella menders, for on Thursday evening last, while the authorities of Camden and Atlantic City were watching for them, they dropped off the 6:23 Southbound train here and making their way to the County Jail, where they were held for quarters for the night.

Late in the afternoon, having partaken of a liberal amount of "red eye" the itinerant menders dropped into the railroad station at Mizpah. Here they consumed the remaining portion of a bottle of raw water and filled with big desire to start something, slammed it down on the floor of the station. Agent Benjamin L. Myers remonstrated with them, which only made matters worse, as they began to abuse him and expectorate on the floor. Myers started to throw one of them out whereupon both turned on him and almost tore off his clothes in the fracas which ensued. Having demonstrated their feeble prowess they brand an electric train and dropped off here for the night.

Meanwhile railroad detectives got on the job and finding where they were had them arrested yesterday morning before they left the jail and took them before Magistrate J. A. Lambert, who committed them back to jail to await the action of the grand jury.

State After Autoists.

Magistrate James A. Lambert received a letter from the State Department this week complaining that only \$15 in fines from autoists was sent up from May's Landing during the past year. The Magistrate answered that the laws were enforced whenever complaints were made, that officers were provided to warn autoists and that there were no accidents here through reckless driving.

Horse For Sale.
