May's Landing,

Founded two hundred years ago on the banks of the Great Egg Harbor River. May's Landing has enjoyed from the first the reputation of being the most beautiful, most healthful place of residence in this section of New Jersey. Its magnificent oak trees have become famous, and beautiful Lake Lenape is scarcely less well-known. Inducements to manufacturers are exceptionally good, For the truck farmer and poultry raiser it is an ideal location, and the mecca'of those seeking Summer homes at a reasonable cost:

Splendid boulevards for automobles lead to May's Landing from every point, including the direct road from Philadelphia by way of Downstown and the Egg Harbor City boulevard, leading from the White Horse Pike. The Great Egg Harbor River boasts of an active Yacht Club open for membership. This picturesque waterway affords good boating, bathing and fishing, and is a popular highway with yachtsmen to Atlantic City, Ocean City and other seashore

Municipal conveniences include cold, sparkling water, 99 percent. pure from an artesion well, supplied through a new public water works system, first-class fire protection with consequent low insurance rates, low rates of taxation, electric lighting, prosperous churches, good public schools, etc. If you never visited May's Landing, it is time to do so. If you are looking for a Summer place of residence, this is the ideal place for you. "The Town of Natural Opportunities" is Your Opportunity.

Twenty minutes from Atlantic City, the Greatest Seashore Resort in the World. Only one hour from Philadelphia.

Dangerous Smoking Natives of pentral America are in veterate used of pinento tobacco, which they make from dried pimento berries or affspice. It invariably gives the smoker a sore throat and often acuses cancer of the tongue. The nanives of South Africa are affected in a poculiar manner by the smoke from the dried leaves of the camphor plant, The smoker trembles with fright at nothing, weeps bitterly and uses all sorts of words which do not in the least express his meaning. The wild dagga, unother South African plant, potsons slowly those who use it.
