

ATLANTIC COUNTY RECORD.

THIRTY-SIXTH YEAR—NO. 33.

CHANGE RECORDING SYSTEM IN CLERK'S OFFICE BY INSTALLATION OF TYPE-WRITING MACHINES

FREETHOLDERS SAY COUNTY IS BEHIND TIMES WITH OLD METHODS

Board Settles Account With Former Sheriff Johnson For \$10,000—to Meet State Commissioner And Inspect Shore Road Paving.

Type-writing machines are to be installed in the office of the County Clerk, to replace the old hand-writing system of records, deeds, mortgages and other records, pursuant to a resolution introduced Wednesday last at the monthly meeting of the Board of Chosen Freeholders by Acting Chairman Ira T. Smith, of the Building Committee. Letters received from County Clerks elsewhere in New Jersey showed conclusively that the machine can do quicker and better work at much less expense to the County and that the records will be more permanent. The resolution was adopted unanimously and the Committee was authorized to advertise for bids to be opened at the next meeting.

Ira T. Johnson, Late Sheriff of the County of Atlantic, agreed to reimburse the County to the extent of \$10,000 for profits on prisoners' board which he is alleged to have netted during his term of office, pursuant to a resolution of the Board allowing him \$100 per week for each prisoner. Mr. Johnson agreed to pay the amount on execution and delivery to him of full and complete release and discharge.

Herkell Adams was appointed bridge-tender at the Mullica River structure at a salary of \$15 a month, Burlington County to pay him \$15 also, making his total salary \$30 a month.

The Bridge Committee was authorized to rebuild the Moss Mill Road bridge at a cost not to exceed \$300, the committee reporting it to be unsafe in its present condition.

Specifications for the bridge on Pine Road, Hammonton, were approved and the Bridge Committee authorized to advertise for bids to be opened at the next meeting.

Plans and specifications for a bridge at Absecon were presented and the Bridge Committee was authorized to advertise for bids for the structure, provided the consent of the Absecon Council to build the flood gate could be obtained before the next meeting and if not to have new plans drawn for the bridge.

The Finance Committee reported a balance on hand April 1, \$64,253.00; receipts, \$13,254.10; expenses, \$23,183.89; balance on hand, May 1, \$70,229.89.

Chairman A. B. Smith, of the Asylum Committee, reported on the plans for the new dining-room and play-room. He stated that the Committee had visited the Essex County Institution and had learned considerable of value. On motion, the plans for the addition were adopted.

Engineer E. D. Richter reported that the repairs on the Shore Road were nearly completed. The contractors would like the Board to meet the State Road Commission and inspect the road as soon as possible. The Board decided to meet at the Rodney, Pleasantville, at 10:30 a. m., Friday, May 10, and inspect the road with the Commission.

A resolution was introduced by Ira T. Smith amending Rule 2 so that the Board might meet at 10:30 a. m. in the future instead of 11 o'clock. The resolution will be considered at the June meeting of the Board.

Complaint was made that waste water from the saloons at Egg Harbor flowed into the streets and became stagnant in front of the houses on the County Road. The Collector was instructed to take steps to abate the nuisance.

The Sheriff reported prisoners received in April, 25; discharged, 30; conveyed to State Prison, 4; in jail, 55; average number during month, 67; total bill for foods, \$43,000; average cost per day of each prisoner, 22 cents; including salaries of warden, turnkey, etc., 57 cents.

The Committee on Tuberculosis Patients was authorized to confer with Camden Board regarding the care of patients from this County in the Camden County institution.

Sheriff Ingerson reported having collected fines of \$500 each from William Maia and James M. Lane.

DENY GAMBLING CHARGES.

Pleas Taken By Judge Cole To Recent Indictments Returned.

Pleas were accepted Tuesday from a number of alleged gamblers by Judge Cole, who fled bail in the amount of \$500 for those who are indicted as proprieors and allowed the players to go under \$200 bail. Without a single exception, all of the prisoners entered pleas of not guilty to the indictments.

"Smuk" Garrison and Oscar Channells, a beach lifeguard, entered pleas of not guilty to an indictment charging them with gambling, and a second indictment alleging them to be the proprietors of a gaming house at 1624 Illinois place.

Charles G. Boniface pleaded not guilty to two indictments charging him with false pretense. Harry J. Grimm and Lambert Davidson claimed they were fleeced out of \$100 and over \$500, respectively.

Louis London and Anthony Beaudette declined conducting a gambling resort at 165 South New York Avenue, Atlantic City.

Other offenders before the court, who are indicted as players at a house on Illinois place, were Samuel Cohen, Thomas Fitzpatrick, Henry Martland, George Lawson, William F. Smith and John Adams. Bail in the amount of \$200 was asked in each case.

Some of the colored offenders were Stephen Williams, Jr., George Battin, John Folk, Charles Thistle, Isaac Bender, Herbert Coghill, Henry Norris, William Carter and Harry McInnis. They all entered bail at \$200, after pleading not guilty.

Edward Jones, Moses Himes and John Peters, colored, were indicted for gambling.

BIG WEDDING AT ST. VINCENT'S

All-Day Celebration Followed Minnow Sorrentino Nuptials.

Every available automobile in town was pressed into service Monday morning last to convey a happy bride and groom to their new home, following the marriage of Miss Lena Minnow, daughter of Mrs. Mary Minnow, of this place, to Mr. Gabriel Sorrentino, also of May's Landing. The wedding was one of the most elaborate that ever took place in St. Vincent's Catholic Church and was performed before host of relatives and friends by Rev. Father Thomas F. Hennessy, pastor of the church.

Following the ceremony the couple left the church and were fairly carried into a waiting automobile by their friends, amid a shower of rice and confetti. As soon as they were safely away their friends jumped into a long line of waiting machines and followed to their residence on Cape May Avenue, where they proceeded to make merry. An Italian orchestra had been secured, which furnished music for dancing and an all-day celebration and reception. Both Mr. and Mrs. Sorrentino have lived here for several years and they have a host of friends who wish them every happiness in their married life.

ASK EARLY EVENING TRAIN, Request of Board of Trade Will Probably Be Granted.

In response to a request from the Board of Trade of May's Landing that the 7:15 Southbound train evenings be stopped at the Court House Platform, Sup't. James Buckelew has promised to give the matter full consideration when the Summer schedule is prepared and as the Board has pointed out the certain increase in travel with such a train it is likely that the request will be granted. The present train is 0.25 to 100 extra for those desiring to spend the evening in Atlantic City, especially those who work until six o'clock and after.

Sup't. Buckelew's answer to the Board was as follows:

Mr. Ira T. Smith,
Secretary Board of Trade,
May's Landing, N. J.

Dear Sir:—Acknowledging your favor of April 20 requesting that the 7:15 p. m. Southbound train be scheduled to stop at Court House Platform, May's Landing, on the Springtime table.

We presume you refer to the train shown on our Summer schedule as No. 1,015, leaving Philadelphia 6 p. m., arriving at Atlantic City 7:40 p. m.

We regret that this matter has been brought before us a little too late to be given attention in connection with the Spring change of schedule, as that timetable is already in print. We will, however, give the request very full and careful consideration when the Summer timetable is being prepared.

Yours truly: James Buckelew,

Supervisor, May's Landing.

TWO CONFESSIONS MADE

EIGHT MONTHS IN STATE PRISON FOR
TAYLOR AND SIX MONTHS IN COUNTY
JAIL FOR NICKENS—PLEAS OF NON
VULT ACCEPTED BY JUSTICE KALISCH.

Emmet Taylor, 21 years old, was sentenced Tuesday by Justice Kalisch to not less than eight nor more than thirty years, at hard labor, in State's Prison, for the murder of John Delaney last Summer. Attorney Nutter, at the opening of the trial, entered a plea of non vult for his client, in place of the previous plea of not guilty, Mr. Moore accepted the change of plea, saying, "In this change of plea by counsel for the defense, the statute states that non vult is equivalent to a verdict of guilty in the second degree if tried by a jury. I am willing to accept the change." Under the statutes a man cannot plead guilty to first-degree murder, and the plea of non vult entered by Taylor is said to be the first of its kind in the history of the county courts in connection with a murder charge.

The crime for which Taylor will pay the penalty grew out of a dispute over a game of cards. He is company with Delaney and a man named Garrett had engaged in a game at 20 North Clifton Avenue. Taylor lost, and left the place under the impression that he had been "trumped." Going to his home, he secured a revolver and went out to gun for his men. He saw Delaney standing on a corner, and creeping up behind him, shot him twice. One bullet hit Delaney's spine and death resulted in the hospital.

Changing his plea from not guilty to guilty of involuntary manslaughter, Joseph Nickens, former colored schoolteacher in Virginia, was sentenced Tuesday by Justice Kalisch to six months in the County Jail. Nickens had been indicted for shooting John McDermott, following a dispute over a game of cards, at Pat Walsh's saloon on Battle and Bay Avenues last June.

Prosecutor Moore, in accepting the change of plea, said: "There are a number of mitigating circumstances surrounding this said affair, which I think should be considered. The defendant was a watchman just opposite the scene of the murder. He had purchased the gun according to his own statement, on the afternoon preceding the tragedy. He claims he brought it for protection, after he learned that his place of employment was to be attacked that evening. Under the statute it was a misdemeanor for him to carry a concealed weapon, without a permit, but I feel that the State is justified in accepting a plea of involuntary manslaughter, because the evidence is largely technical."

The Bad Soldier.
In one of the quiet rooms a soldier, not having much time to dress for guard, had seated his boots very well in front, but hardly at all behind. One of his chums noticing this said:

"Why don't you clean the backs of your boots, Pat?"

"Oh," said Pat, clapping on his helmet and hurrying out to parry, "a good soldier never looks behind."

In consequence the platoon reward ed Pat three extra parades, and a few days after his chum seeing a great difference in his boots remarked: "I thought a good soldier never looked behind, Pat."

"No," replied Pat, "but the adjutant does."

George turned quickly and replied:
