

ASSESS AT TRUE VALUE  
MANDATE OF STATE  
BOARD OF TAXATION

ASSESSORS MUST HEED INSTRUCTIONS AND RECOGNIZE NO DISTINCTION

Attention To Be Fixed On What Rule Will Be Enforced In Taxing District.

Throughout New Jersey have by the State Board of Equalization the assessors of property at true value. The mandate of the State Board of Taxation is that the assessors shall assess property at its true value. It is pointed out as contrary to custom to tax farmers who sell the produce of their own farm, and the legal difference between selling "grapes as grapes" and "grapes as wine" may be officially tested.

The majority, if not all, the wine men of Egg Harbor are well able to pay the license fee, and any right they may make will be in the interests only of the principle involved. It may happen that there will be no contest, as the money goes into the treasury of Egg Harbor and thereby helps the city in which they are all interested.

It is presumed that the proceedings instituted by the prosecutor will be dropped as against those dealers who have taken out licenses. The grape and wine industry has made Mr. Barber famous and some of the wine makers are known from one end of the country to the other for the high standard of their product.

TEN MILLION DOLLARS FOR SCHOOLS OF NEW JERSEY

Atlantic County's Share of State Fund Is \$461,358.81. Ten million dollars will be distributed to the school districts of the State beginning July 1, per annum, by Dr. Calvin N. Kenney, State Commissioner of Education. The fund is made up of \$6,000,000 of school tax, \$100,000 of State appropriation, \$200,000 of State school fund appropriation, and \$2,000,000 of State lottery fund.

Free Scholarship Offered.

The competitive examination for free scholarships at Rutgers College will be held at the Court House at May's Landing, N. J., on Friday and Saturday, June 6th and 7th, 1913, beginning at 9 A. M. and continuing until 5 P. M. Candidates may take part of these examinations at the end of their third year High School or preliminary. Particular attention is called to the fact that these scholarships are open to candidates for the degree of Bachelor of Arts (A. B.) and Bachelor of Letters (A. L. B.) as well as for the degree of Bachelor of Science (B. S.). Those desiring further information should write to the County Superintendent of Schools, Henry M. Crossman, Egg Harbor City, N. J., or to Mr. Irving A. Upson, New Brunswick, N. J.

A Courteous Railroad Official.

After the loading to those obtained by the popular belief that every railroad employee is a possible individual afflicted with a chronic grudge, may seem at first glance an error of the printer, but in this instance such is not the case. Station Agent Clark Eppinger, of May's Landing, has effectively dispelled any such illusion by the courteous, considerate attention he gives to patrons of the West Jersey. It is a task that calls for an infinite amount of patience and "civility" is right in the job.

Force Dealers To Cover Food.

Atlantic City dealers have been notified that all food stuffs offered for sale must be covered in such a manner that flies or other insects cannot touch them. The order is based on a new rule of the Board of Health and should be applied elsewhere in the County.

Pickering Season Open.

The season for catching pike and pickerel opened Tuesday last, and quite a number of sportsmen were seen along the river and lake trolling for the speckled warper. Several good catches were reported.

EGG HARBOR WINE CELLARS FEEL "REFORM" WHIRLWIND

Six Vinery and Owners Obligated To Take Out Licenses.

Wine drinkers in Egg Harbor City have come under the draught of the "reform whirlwind" and following an intimation from the Prosecutor's office that they were liable to prosecution for selling their products, six have taken out licenses.

Egg Harbor Council gathered at a special meeting Wednesday night to consider the advice of the prosecutor. City Solicitor Hamilton advised that licenses should be issued, and they were issued to the following: John Holmstrom & Son, Stephen Ober, & Son, H. T. Dewey & Sons Company, Atlantic Vineyard and Wine Company, Louis Garnick & Son, and Christian A. G. The licenses, at \$100 each, ran from May 6 of each year.

The wine merchants are not a little indignant over the crusade, some of them declaring their inability to understand why men should be taxed for selling the product of their own farm and labor. Some have not yet taken out the license, and there are hints that the proceeding may be questioned in the courts. It is pointed out as contrary to custom to tax farmers who sell the produce of their own farm, and the legal difference between selling "grapes as grapes" and "grapes as wine" may be officially tested.

The majority, if not all, the wine men of Egg Harbor are well able to pay the license fee, and any right they may make will be in the interests only of the principle involved. It may happen that there will be no contest, as the money goes into the treasury of Egg Harbor and thereby helps the city in which they are all interested.

EIGHT WILL GRADUATE

Annual Commencement of May's Landing High School: Thursday Next—Dr. Green To Deliver Address—Good Program.

Dr. F. H. Green, who delivered the commencement address last year will be here again this year to address the graduating class at their exercises on Wednesday evening next. Dr. Green will give the same address he gave last year. His address and illustrations will be new to May's Landing students.

The graduation class has been taking final examinations this week and are now working on commencement papers. By all accounts thus far received forty-five or forty-seven pupils of the township have attended every session of school during the term now about to close.

There seems to be a marked increase in the number of pupils attending every day since the board a few years ago adopted the policy of giving a book as a prize for attendance at every session throughout the year.

The number of pupils in attendance at each session of school and name of school they are attending are as follows: Ida Costa, 1; Mizpah, 1; Helen, 3; Catherine, 3; Thompson's wife, 4; second Grade, 1; Third Grade, 9; No. 7, 6; Fourth Grade, 5; Fifth Grade, 3; Sixth and Seventh Grade, 8; Eighth to Tenth Grade, 6.

The chart for sale of tickets for the commencement will be opened at the Post Office Monday morning next. Admission will be fifteen cents.

The program will be as follows:  
Part I.  
1—Overture, "Garden of Dreams".....Lincoln  
Meiser, Joseph M. Davis, Alexander and Stephen Barth.

The Shinker.

If you don't do your share of work in the world the chances are that some one else will have to do it for you. But you won't draw his overtime or secure his promotion, or those good nights home when you have tried. There is a good deal of justice in the world, regardless of what the croakers and malcontents may tell you, and the shinker, in dodging his work, misses his pay, which goes to a better man, who will probably prosper and be called a thief because he attended to business and was industrious and polite. His compensation lies in the knowledge of work well done, as well as the material reward, and somewhat, perhaps, in the fact that the opinion of his detractors may not be so important after all.—Ed. Howe.

Still Seeks His Master.

Still watching and waiting for his master's return, the little black-and-white dog that was left behind by someone leaving at the Court House Platform still meets the trains, eagerly scanning the passengers as they leave the station. Neighbors have tried to make friends with the little fellow, but he will not suffer anyone to come near him. The dog is getting plenty of food around neighboring houses, and is not disturbing anyone, so the authorities have permitted him to "stay on guard." Several letters of inquiry were received by the railroad agent from people who had lost dogs, but the descriptions did not tally.

Lenape Park To Open.

The annual grand opening of Lenape Park will be held Decoration Day, Friday next, and a cordial invitation is extended to the public to attend. There will be an all-day program including roller skating, boat racing, polo, and running races, dancing, etc. The Lenape orchestra will furnish music, and dinner and supper will be served. Free rides on the merry-go-round.—Adv.

Many Tramps In Town.

There has been an unusual number of tramps in town during the past week and many housekeepers have been annoyed by the vagabonds begging for food. A large number of the poor fellows are young men who are on their way to or from Atlantic City or Philadelphia and the complaint is general that they have been unable to secure work in either city.

Carload of Straw Hats.

Hill & Bardsley, the Atlantic City labor-distributors, have just received a big lot of the latest straw hats and have a carload for their many May's Landing patrons. "The boys" are extended a cordial invitation to drop in when in Atlantic City. See announcement on page two of this issue.

TWO REFUSED DAMAGES; THEY WERE TRESPASSING

People Injured Or Killed On Tracks Are Guilty of Negligence.

Judge Currow directed a verdict Monday last in favor of the railroad in the damage suit instituted against the West Jersey by Edmund Throckley, who was terribly burned about the head in May, 1909, when he stumbled over the electrified "third rail" and fell on the heavily charged conductor. Judge Currow sustained the claim of the defendant company that the man was trespassing on railroad property, and the company had closed the old-path with fence.

The jury in the case of Laverne Woodard against John Decker, for the death of her mother resulting from a collision with Decker's auto, returned a verdict for \$1,000 for the plaintiff. Decker, with a number of eye witnesses, testified that he was running at a low rate of speed and that the woman contributed to the accident by carelessness. He said he was proceeding cautiously and that the woman, after stopping to let him by, changed her mind and stepped directly in front of his car. Judge Currow refused to grant a non-suit and the case went to the jury with the above result.

After five hours of deliberation the jury in the suit of Clarence M. Thompson against the Camden Board of Freeholders for damages sustained when his auto overturned, finally returned a verdict for \$1,000. Thompson's wife was severely injured when the machine struck a rut in the road near Elm, turning it to one side of the road and over a steep embankment. During the trial he stated "he had paid \$145 for doctors' services, \$150 for a trained nurse and that it cost him about \$900 to repair the auto. George J. Berger, representing the Camden Freeholders, endeavored to prove that Thompson had struck an abutment on a bridge and this and not the rut in the road caused the machine to go over the embankment. This was denied.

Alfred in somber black and clasping her two-month-old baby tightly to her breast, Mrs. Anna Garrison, of Somerset Point, sued the East Shore Line Company, for the death of her husband, Edward Garrison, last June, in Circuit Court Wednesday last. Garrison was struck by a trolley car on the right station at Somerset Avenue, Somerset Point, on June 27, last. The car passed over him, severing both legs and injuring him internally. His wife placed in the car which struck him and rushed to the hospital but died in spite of all efforts to save him. Mrs. Garrison is the mother of seven children, the oldest, a daughter, is not yet fourteen. Judge Currow directed a verdict because Garrison was trespassing on railroad property.

Anna J. Cullen and Charles Cullen jointly instituted a suit of damages against the West Jersey and Somerset Railroad Company for injuries. Mrs. Cullen was a passenger on the electric train from Vineland to Minotola in 1910. While alighting at the latter station she stepped into a depression on the platform and sustained among other injuries a sprained ankle. Her husband contends she is entitled to damages for the loss of his wife's services. Dr. William J. Dubler was a witness in the case. The jury gave Mrs. Cullen \$100 and her husband \$70.

SPRING SCHEDULE IN EFFECT

LITTLE CHANGE AT PLATFORM

Six O'clock Evening Express North Sunday Only Addition.

The Spring schedules on all branches of the Pennsylvania Railroad will go into effect to-morrow, with but little change in the service on the Newfield branch of the electric line. Several changes will take place, however, on the summer schedule, which will go into effect late in June. There will likely be 3:15 and 7:15 P. M. South-bound trains and the question of a late evening train out of Atlantic City particularly Saturday and Sunday evenings, is under consideration. With a midnight train travel to the seashore and its resorts would be materially increased.

The schedule which goes into effect to-morrow:  
WEEKDAYS—Court House Station—South: 6:25, 6:35, 10:15 A. M.; 12:25, 2:15, 4:15, 6:25, 9:15, P. M.; 12:15 A. M. North: 7:25, 8:15, 9:25, 11:25 A. M.; 4:25, 6:15, 7:25, 9:25, P. M.; 12:15 A. M.  
Main Station—South: 6:25, 6:35, 10:15 A. M.; 12:25, 2:15, 4:15, 6:25, 9:15, P. M.; 12:15 A. M. North: 7:25, 8:15, 9:25, 11:25 A. M.; 4:25, 6:15, 7:25, 9:25, P. M.; 12:15 A. M.  
Sunday except the first train North stops at Court House Station 7:40 and Main Station at 7:55. Also 6:00 P. M. train out of Atlantic City stops at the Court House Platform at 6:25.

Hammonton.

Mrs. Corn Hill and children have been visiting relatives here. Miss Adeline Cunningham will teach in the local school next term.

Patriotic exercises will be held to-morrow in the Universal Church. Little Ella Ha Cunningham celebrated her 15th anniversary Monday evening last. Miss Hilda Latham has accepted a position in the Haddon Heights School.

Mrs. William Burgess has been entertaining her daughter, Mrs. D. S. Bellamy. Mr. and Mrs. B. T. Twomey celebrated their 50th wedding anniversary on the 12th inst.

Lineman Fell With Rotten Pole.

Adolph Weber, a repairman in the employ of the Atlantic County Electric Company, of Egg Harbor City, was seriously injured Wednesday afternoon when he was hurled thirty feet to the ground, when an electric pole in front of Oester's Central Hotel, upon which he was working, broke off. Weber had just finished cutting the wires from the pole in order to place a new cross-arm, when without warning the pole broke off at the ground. Weber, when he saw his danger, called to those below to look out and his foresight no doubt saved some of those who were standing on the ground below. An examination showed that Weber had sustained a broken arm, nose and ankle and received other serious injuries about the face, head and body. He was taken to the Atlantic City Hospital, where the broken arm, which is badly injured, is being repaired to use the bone. Little doubt is made of the unfortunate man's injury. The pole appeared to be solid from the outside, but the inside was entirely rotted away and as soon as Weber had cut the wire it seems there was nothing left to hold it up.

## THE TOWN OF NATURAL OPPORTUNITIES

The Place To Spend  
Your Summer Vacation

## MAY'S LANDING, N. J.

Sites for Bungalows  
For Lease or Sale

Founded at the head of tide-water on the banks of the Great Egg Harbor River, May's Landing has enjoyed from the first the reputation of being the most beautiful, most healthful place of residence in this section of New Jersey. Its magnificent oak trees have become famous, and beautiful Lake Lenape is scarcely less well-known. Inducements to manufacturers are exceptionally good. For the truck farmer and poultry raiser it is an ideal location, and the mecca of those seeking Summer homes at a reasonable cost.

Splendid boulevards for automobiles lead to May's Landing from every point, including the direct road from Philadelphia by way of Downstown and the Egg Harbor City boulevard, leading from the White Horse Pike. The Great Egg Harbor River boasts of an active Yacht Club open for membership. This picturesque waterway affords good boating, bathing and fishing, and is a popular highway with yachtsmen to Atlantic City, Ocean City and other seashore resorts.

Municipal conveniences include cold, sparkling water, 99 percent pure from an artesian well, supplied through a new public water works system, first-class fire protection with consequent low insurance rates, low rates of taxation, electric lighting, prosperous churches, good public schools, etc. If you never visited May's Landing, it is time to do so. If you are looking for a Summer place of residence, this is the ideal place for you. "The Town of Natural Opportunities" is Your Opportunity.

Twenty minutes from Atlantic City, the  
Greatest Seashore Resort in the World.  
Only one hour from Philadelphia.
