# ATLANTIC COUNTY RECORD.

THIRTY-FIFTH YEAR—NO. 41.

MAY'S LANDING, N. J., SATURDAY, JUNE 29, 1912.

WHOLE NUMBER 1820.

## ELECTION CASES OFF UNTIL NEXT OCTOBER

GRAND JURY TO TAKE UP  
BURNS' GRAFT CASES.

Justice Kalisch Charges Inquest to  
Indict Whichever Proof of Cor-  
ruption is Established—Fines  
Mahoney and Others.

Defending the means employed by Detective William J. Burns and his operatives in trapping the Atlantic City corruption by a "plant" through which they were induced, by a bribe of \$500 each, to sign an ordinance for a million dollars concrete seawall, Supreme Court Justice Samuel Kalisch yesterday charged the grand jury to sit the evidence to the bottom and bring to justice every one shown to have been implicated in unhelpful corruption. He took decision to point out untrustworthy places and asked the jury to find indictments against those who conducted them.

Detective Burns was not here yesterday and will not be able to take up the work until July 5, when he will come East from Los Angeles with Friends Henry, the attorney who gained fame through his prosecution of Abe Ruef in San Francisco, who is to take charge of the prosecution. As soon as Henry arrives Attorney General Wilson will turn the entire matter over to him as he is concerned in other State work which demands his entire attention.

"For a long while," said Justice Kalisch in his charge to the jury, "there has been reprehensible conduct on the part of persons holding public office in Atlantic City. But owing to the secrecy with which corruption was carried on ordinary methods of detection were of no avail. It was therefore necessary to get detectives to unearth the corruption existing in the city by unusual means. That this might be done a detective agency was employed and the result of their work will be told before you.

"It makes no difference to us what means are adopted to attain the end, even though we may not exactly approve of the methods. Such means were necessary in order to bring about the capture of the guilty persons. From the outset there was grave suspicion, founded on circumstances which left no room for doubt, that men in office were using their power for unlawful purposes."

"It appears that a detective agency had a plan for catching and exposing those officials in their corruption. One of the detectives, it seems, represented himself as a contractor, and presented a proposition for a contract along the ocean to replace the old boardwalk. A real estate agent was engaged to secure the passage of an ordinance for the work, which was to cost more than a million dollars. This, it appears, was merely a scheme designed to show which officials were perpetrating their offense."

"After the project was under way it became necessary to secure a certain number of votes to carry it through. Council, some of the councilmen were not in New York, Newark, Trenton and Atlantic City and they entered into a corrupt agreement to enact the ordinance. Such a situation strikes at the very roots of civic government and you should not allow yourselves to be prejudiced against the guilt of anyone because of the means employed if the facts adduced are sufficient. It is your sworn duty to find."

Justice Kalisch told the jury he had a lot of nearly forty gambling places and that evidence would be adduced by Prosecutor C. L. Goldmen for their consideration, asking them to find indictments in every instance.

No more court will be held here by Justice Kalisch until October 8, when the remaining indictments returned by the color grand jury will be moved. Sentence on "Al" Gillison, former Building Inspector of Atlantic City, convicted of attempting to bribe an election officer, and on Harry May, one of the Freeholders convicted of accepting a bonus for road work, was postponed until that date.

Thomas Mahoney, convicted of allowing one, E. V. Patterson to vote illegally, pleaded non-vult to four other indictments and was fined \$500 on four charges, sentence being withheld on the fifth. Theodore Voelkle, who pleaded non-vult to two bills charging election law violations, escaped jail but was fined \$500 on bill and sentence was suspended on the other. David Henderson was fined \$500 on a charge for allowing illegal voting and sentence was suspended on a second charge. "Dick" McNally, who pleaded non-vult to an indictment for conspiracy, was left off under suspended sentence as he had previously paid fine on other charges. A similar course was pursued by the Court in reference to James Somers for the same offense.

Justice Kalisch signed an order for the release of farmer William H. Strong, the aged Negro farmer, now serving a thirty year term for wife-murder, the Supreme Court having reversed the conviction, and the old man will be brought back to the County jail in a few days to await retrial or discharge.

## BIG BATCH OF NEW LAWS.

Grade Crossing Statute May Have To  
Be Proclaimed Null and Void.

Presenting 420 new statutes and 10 joint resolutions, the Pamphlet Laws of 1912 will be ready for distribution next week. The index was completed this week and the final sheet sent to the printer. It is the largest volume of State laws issued in several years, containing more than 1,000 pages. The feature of the book will be the so-called Pierce grade crossing law, the question of whether this will really become a law is still pending in the Supreme Court. The measure will appear in the volume of statutes just as it is pending before the Court.

The printed volume will also contain copies of the bills attached to the bill and all of the changes or alterations placed upon the margin of the measure by the clerks of the two Houses. The bill, when having received a final reading in the Supreme Court, will be necessary for Governor Wilson to issue a proclamation to that effect; that the measure is void, and of no effect.

**Laughed When Auto Took Plunge.**  
While crossing the mill pond dam at Esteville Tuesday afternoon last, a large touring car containing Lawyer and Mrs. F. Jacobs and daughter, of Atlantic City, Pa., driven by their chauffeur, left the narrow road and plunged down the steep bank into the swamp, smashing the left front wheel and otherwise injuring the big car. As the auto was running slowly and brakes were applied, as soon as it left the road, it slid down the incline without overturning and the occupants were unharmed, laughing at their predicament. John Pratt was summoned by telephone and later brought the party to the station to take a train, afterwards pulling the car on the road and towing it home by aid of a small truck placed under the front axle.

**County Board Meeting Postponed.**  
The meeting of the County Board of Agriculture which was to have been held this evening has been postponed until a later date, to be announced later.

**First-Class Hand Laundry.**  
Special laundry shows how it has been made to the Edison machine used in the show and the pictures are brighter and better than ever.

**Comedies Galore.**  
Special comedy shows are being run every Thursday and Saturday evenings in the Opera House. Latest improvements have been made to the Edison machine used in the show and the pictures are brighter and better than ever.

**Bungalow For Sale.**  
Secured but convenient location on the Great Egg Harbor River. Just the thing for a family summer home. Boating, fishing and bathing. Address inquiries to P. O. Box 23, May's Landing, N. J.—Adv.

**Boy Scouts in Camp.**  
Pleasanton Troop No. 1, in charge of Scout Master Charles H. Davis and Scout Commissioner D. MacMillan, came up Thursday evening and camped out over night at Lehigh Park. They played a game of base ball yesterday with the May's Landing Boy Scouts.

**Cook Wanted.**

## HOME THREATENED BY FIRE.

**Mill Brigade Got Fire Under Control—  
Reliance Hose Company On Job.**

A fire broke out about nine o'clock Monday morning last in the kitchen of Mr. J. Frank Davis' residence on Main Street and had it not been for the prompt and efficient work of the fire brigade from the Water Power Company the entire house would likely have been destroyed. Reliance Hose Company responded promptly when the alarm sounded but the fire was so much a distance from the firehouse that the flames were pretty well quenched by the time they reached the scene. Promptly attaching two lines of hose, they soon had the blaze extinguished.

The fire started from a gasoline stove on which Mr. Davis and his son, Joseph F. Davis, were cooking luncheon. Neither were in the kitchen at the time the flames started, the fire being discovered by neighbors. Mill employees quickly attached a line of hose from their equipment to one of the town fire-plugs and in a few moments strong stream was playing on the fire, which was held for a time that it melted the glass in the windows. The fire was brought out of control.

John W. Cooney was awarded a verdict for \$22.98 Tuesday, against Samuel Tabas, whom he supplied with a large quantity of brick. The issue was brought in Circuit Court on contract, and involved a controversy over the number of brick Cooney delivered to Tabas. The former asserted he delivered 230,000, while Tabas contended that he had ordered only 25,000 of which Cooney delivered but 12,000. Cooney's evidence, however, convinced the jury that the delivery had been made and they awarded a verdict giving Cooney the balance on the bill against the defendant.

Judge Cole directed a non-suit in the issue between James E. Steelman and John C. Lyman, brought by the former to collect the due payment on a house built by him for the defendant, which was to have been completed in March of last year and was not turned over to the owner until this year. The case could not be tried because the architect did not issue the final certificate and the charges for extra work were not properly made.

A non-suit was also granted in the issue between the Hammon Lumber Company and Ruthwig Wig, involving the sale of lumber to contractors building a house for the latter. Payment not being made for the lumber a mechanics lien was filed, but it appeared that Wig was not responsible as the suit should have been instituted against the contractors.

In the delegation from the May Term came an end Tuesday last, much to the gratification of the petit jury panel, when one issue was tried and two others decided by Judge C. L. Cole who granted non suits. Quite a number of cases set down for the term have been carried over until the October Term and will be called to trial in the fall, while others were settled out of court.

John W. Cooney was awarded a verdict for \$22.98 Tuesday, against Samuel Tabas, whom he supplied with a large quantity of brick. The issue was brought in Circuit Court on contract, and involved a controversy over the number of brick Cooney delivered to Tabas.

Mr. and Mrs. Howard Quinn, of Atlantic City, spent Sunday at the home of Mr. and Mrs. Samuel Delaney.

Mr. George Rebichle and some George and Anna, both of Philadelphia, enjoyed a pleasant trip on Sunday last as the guest of Mr. and Mrs. Frank Uerr.

Dr. Charles Smith, accompanied by Mr. Charles Morganweck, Jr., was left on an extended trip through the West. The doctor is accompanying an excursion of the order of Elks of Newark, N. J., and the trip comprises nearly all of the Western states going as far as Oregon. From there the trip continues on to Los Angeles and San Francisco.

After a lingering illness Mr. George Rohrbach, adjoint of General Staff Post No. 62, G. A. R., died at his home on Saturday last at the advanced age of 70 years. The funeral, which was largely attended and in charge of General Staff Post, was held Wednesday afternoon.

William Grange of Leavenworth, Kansas, visited several of the Brundys yesterday. The Rev. S. K. Moore, former pastor of the M. E. church at this place, and were extended a cordial welcome.

Veteran Laid To Rest.

The funeral service of the late Joseph M. Treen, who died last week at his home in Gravelly Run and was buried Sunday afternoon in Union Cemetery, was one of the most largely attended ever held here and was marked by impressive ceremonies. At the home the services were conducted by the Rev. J. W. Lynch, while the graveside services were in charge of the Rev. William J. Sewell Post, of Atlantic City, and Narragansett Tribe, No. 101, A. R. M. The floral tributes were many and beautiful. A passing salute was fired over his grave at the conclusion of the ceremonies by his old comrades in arms, the "Boys in Blue."

Huckleberries Are plentiful.

Large quantities of huckleberries are ripening in the swamps throughout South Jersey and the pickers are beginning to bring the little blue berries into market, disposing of them at ten cents per quart. The crop will be a bountiful one this season, says the pickers, who are losing no time in gathering the berries as fast as they ripen. The berries are plentiful both in bushy tracts and in the swamps, the former ripening earlier than the others, which are larger and not so sweet flavored.

Card of Thanks.

The family of the late Joseph M. Treen wish to express their sincere appreciation for the kind words of sympathy and acts of kindness extended to them during their recent sad bereavement.
