Total Now 2,482 According to Latest "Count of Noses."

An increase in population of 161 since 1910 in members of her class Friday evening of last Hamilton Township is shown by the new week at a "Cob-web Bocial," the cob-web being State census, recently completed, which places made in the living room from the arch-way to the number of residents at 982. In 1910 the all parts of the house and even outside. Miss population was 2,271; in 1909, 1,882, and in Edna Donovan was the first to get out of the 1890, 1.512, so the increase seems to be about the i web, and received the first prize. Miss Susie same ratio as in previous years. With more Smith, the last out of the web, received the than eighty thousand acres of land in its con- booby prize. The guests found spiders at the fines. Hamilton Township can still make end of their webs also a prophecy for their room for more people and not be crowded. future. Other games were introduced by dif-

These figures are given on the bill of the ferent members of the class and refreshments enumerator, filed with the County Collector, from which they were taken. Had this means Maude Smallwood. Edna Donovan, Laurs not been available, under the census rules, the Shaner, Elka Hudson, Susan Gaskill, Susle results of the count of noses would not have Smith, Bessle Morse, Josephine Pack, Mrs. D. tor is surjidden, to give out any information. The census in Hamilton Township cost \$81.96, 672.96 of which goes to the enumerator, Alfred Joslin and 60 to James Yaniello as interpreter. Joslin will receive one cent per name as supervisor and two cents per name as entimerator With such a large district to traverse the pay, compared with that of enumerators in mo densely populated sections is measure for the work involved, so the "dual office holding" us to be justified.

Mosquitoes Not So Numerous. That assisquitoes are not so plentiful as last year is the report from many sections of the Francis, Thomas Thorpe, Alfred Dayton county, particularly along the shore where the work of draining the salt meadows has been neorly completed. The pests are notably less here than they were last season and comple tion of the ditching of the Great Egg Harbo ows, now under way, should make 'pastificous bugs's are, however, far too as for comfort and the Mosquite Exermination Commission has the hopeful prayers of a long-suffering populace for suc its endeavor to eradicate Jersey's greatest

New Parcel Post Rules. Postmaster General Burleson has ordered that the size limit of packages for parcel-post ahinment be increased to a combined length and girth of eighty-four inches, which will permit the mailing of standard-sized fruit and berry erales. The old limit was seventy-two has length and girth, and there has been a ad demand for its increase

A-new regulation provides that, on pay ment of 1 cent, the postmaster at the mailing office may give the sender of a parcel a receipt

New Route Mail Increases. Business on the new rural mail delivery route from this place to West Egg Harbor, El wood and Weymouth is increasing and patrons are hoping to have a daily service Walter Mahnke, present driver pending the nicome of the carrier exams, makes the trip in about four hours. The only mishap he ha met with was last week when his horse became frightened (at an unusually big skeeter, Mahnko says) and bolted out of the shafts,

cousing him a five-mile walk. Home Teams Won And Lost. In a game of Pastime Park Baturday after-noon last, the P. O. S. of A. team lost out to the Pastime Club by score of 9 to 6. On the same afternoon the May's Landing Association defeated Minotola on the latter's grounds by the soure of 6 to 8.

County Capital Garage

Water Power Co. '

YOUR CAR KNOWS THE DIFFERENCE

FILL your tank with Standard Motor Gasoline, and you notice the difference instantly in the "feel" of your engine.

Standard Motor Gasoline is so much better than "just gas" that it is worth while to be particular about what goes into your tank. Cylinder carbon frequently is caused by the use of an inferior

Standard Motor Gasoline vaporizes readily and burns cleanly. It is a straight-distilled product, not a mixture—the same for every drop in your tank.

You can get Standard Motor Gasoline wherever you can take a car. It is absolutely uniform - the same now as next week, and it is cheaper to buy because there are more miles in a gallon.

Use Polarine Oil, the Standard Oil for all motors. Friction free, carbon free. For sale wherever you see the "Standard Motor Gasoline Service Station" sign.
