Forward as Rapidly as Possible In  
Order to Dispose of Many Cases  
Listed—Reconvene Monday.**

Busy sessions of the County Criminal Court were held this week before Judge E. A. Higbee, a number of evil-doers being convicted by jury and others waiving the right of trial by entering pleas of guilty to the charges preferred against them. Judge Higbee is pushing the work ahead as rapidly as possible in order to dispose of the many cases listed for trial before him and will start right in again Monday, seven cases being set down for trial on that day. Those who did not appear to plead will be apprehended on bench warrants and brought before the Court Monday next.  
William Lacey, charged with stealing a horse and wagon belonging to the American Ice Co. at Atlantic City October 5 last, pleaded non vult and threw himself on the mercy of the Court. He admitted having formerly stolen a team at Bridgeton and said he took the ice company's team by mistake.  
George Tolson was tried and convicted Wednesday of an atrocious assault with intent on his wife, Rebecca Tolson, June 5 last, when he made an attack on her with a razor. The complaint had not been living together and Tolson, according to statements made following the attack on her, went to her room for the purpose of killing her and then ending his life.

Samuel Green, a young Philadelphia, charged with stealing a horse from the employ of Arnold De Brere, an Atlantic City merchant, was released under suspended sentence, on condition that he enlist in the navy for discipline. His parents promised to place him in the navy if he was released.  
George Ware, colored, waived trial on the charge of receiving stolen jewelry and was adjudged guilty by the Court. Fred Ferguson, who stole the rings, confessed to the crime and said he gave them to Ware to pawn.

Robert Morgan, a barber, was adjudged guilty by the Court on the charge of robbing Arthur Canavan, a customer of \$44. He was shown to have been penniless before the robbery and to have had a roll of money afterward, which the plaintiff said he secured by drugging him.

Perry Green was adjudged guilty of robbing Elias Tiddings of \$45 on October 29, 1910. Heater Justice was found guilty of atrocious assault on Albert White, September 3, last.

William Neely, a young man, formerly employed by Harris Bros. tobacco dealers, Atlantic City, pleaded guilty Thursday before Judge Higbee to stealing about \$50 worth of pipes and tobacco. Mrs. Neely, his mother, told Judge Higbee she had paid for the goods and (Mrs. Harris appeared in the Court for mercy. Judge Higbee released him under suspended sentence.

Malcolm Howard, colored, charged with the larceny of eight watches and an assault, pleaded guilty to one indictment charging larceny of the watches and the Court ordered a noble pris to be entered in the others. Howard said he went into the jewelry store of George Ware to have a watch repaired and the watches tempted him. Sentence was reserved by the Court. William Davis, a witness in the Howard case, was discharged from custody.

**Firemen Attention!**  
It is of great importance that every member of the Firemen's Association attend the meeting to be held Wednesday evening next at the Fire House, when the working of the Firemen's Relief Association will be explained and other urgent business transacted. A feature of the meeting will be a smoker. The Relief Association has several hundred dollars in bank available for sick benefits, injuries, etc. for members of the company. No dues are collected, this fund coming out of insurance premiums in the fire-protection district. Do you understand what this means to you and your family? By all means attend the meeting Wednesday evening next.

**Restocking Fields With Game Birds.**  
The Board of Fish and Game Commissioners has advertised for bids for furnishing 6,000 English pheasants and 3,000 Hungarian partridges, to be delivered during March of next year. Such an advertisement a few years ago would have excited considerable criticism—that the State was to spend \$15,000 or \$20,000 to buy birds for the sportsmen of this and other States to shoot, but now, under the gunners' license law, the men who shoot contribute, in fees, the entire cost of maintaining the department, and there will be little objection to the expenditure.

**Recount Will Verify Nomination.**  
The recount of votes cast at the primary election in Atlantic City at the instance of Edmund C. Gaskill, defeated candidate for nomination on the Republican ticket for Recorder, is nearing an end and is verifying the nomination of Martin E. Keffer, whose majority over Gaskill was 901 and will likely be more when the recount is completed.

**Along the Kennebec.**  
Along the Kennebec, the successful New Hampshire team will appear at the May's Landing Open House on Thursday evening next, October 28. The company carry their own special scenic and electrical effects. A good performance of a very funny play is assured.

**Old Road Needs Revamping.**  
Residents along the old road leading from Sugar Hill to Union Cemetery complain that this highway is badly in need of brushing out as the brush has grown to such an extent that it interferes with vehicles passing over it.

**INJURED IN AUTO CRASH.****Carriage Driven by Mrs. Marsh Struck  
by Machine on Weymouth Road.**

Driving homeward last Saturday evening on the Weymouth Road with a horse and carriage, Mrs. John Marsh was seriously injured when an automobile belonging to Arthur N. Leeds, of Germantown, Pa., crashed into her vehicle, throwing her to the road, badly damaging both wagon and machine and shaking up the occupants. Mr. Leeds, who is preparing to erect a bungalow near Weymouth, had been looking over his property with his brother, Harry B. Leeds, of Atlantic City, who had another auto and several friends, also Mr. George Abbott, of this place, who is to erect the building. They had just started home when they met the wagon driven by Mrs. Marsh, who had been to the station to meet her son, as they were to have a family reunion that evening. In her arms she held a small child, her grandson, who curiously was not injured.

Mrs. Marsh said she went as far as possible to the side of the road, giving the auto plenty of room, but the driver of the latter vehicle did not see the wagon for he did not turn out and struck the side of the carriage. The wagon carried no lights, but the auto had its lights lighted, and the occupants of the latter say they did not see the wagon owing to the shadows along the road. After the collision Mrs. Marsh was brought to the office of Dr. G. L. Barker by the second auto, where here injuries, consisting of painful cuts about the face and general bruises all over her body were attended to. Her husband, John Marsh, met the owner of the machine at the "Sheriff's" office and a settlement was made for damages.

**TOWNSHIP REPUBLICAN RALLY.****Open Meeting Tuesday Evening Next  
Under Auspices of League.**

A big Township Republican Rally will be held Tuesday evening at eight o'clock at the Opera House, open to all, under the auspices of the Hamilton Township Republican League and arrangements will be made to entertain a large gathering of the voters of the Township, all of whom, regardless of whether they are members of the League or not, are cordially invited to attend. This will be a good opportunity, too, for those who have not enrolled in the League to have their names proposed for membership, the Membership Committee already having quite a list of applicants. Entertaining speakers will discuss the evening and music will be furnished by the Capital City Band.  
Hamilton Township is expected to turn in a handsome Republican majority for the County candidates this year and all indications point to one of the strongest votes for the G. O. P. in its history. Along with the County candidates, the Republican nominees on the Township Ticket will all be elected with big margins, the ticket being one of the strongest and most popular in many years. Every voter is urged to attend the meeting Tuesday evening next—remember the place, Opera House, and the time, eight o'clock. Republican victory was continued yesterday.  
By order of Hamilton Township Republican League.

**SHERIFF GRANTED WRIT****Justice Kalisch Hands Down Decision  
On First Indictment Allowing  
It to Go Before Supreme  
Court For Review.**

Word was received from Trenton Monday last that Justice Samuel Kalisch had handed down his decision in the matter of the application of Sheriff E. L. Johnson for a writ of certiorari to carry the first indictment into the Supreme Court for review, granting the writ, which will allow the indictment to go into the higher court in November.  
Motion for the writ was made Friday of last week by Ex-Judge Gilbert Collins, Sheriff Johnson's counsel, and Justice Kalisch withheld decision until Monday. The application for the writ was based on the contention that the indictment charging theft by receiving was illegally removing registry books from the office of County Clerk Dick Allegheny crime, and furthermore that the books were taken from the office by the Sheriff were taken openly, for a legitimate purpose.

When the indictment comes up before the Justices of the Supreme Court in November for review, the State will be represented by Attorney General Edmund Wilson, who will argue that the indictment was sustained, and the Sheriff by Judge Collins, who expects to have the indictment dismissed on the same grounds that warranted the granting of the writ. This will be the first time Sheriff Johnson has had an opportunity to present any form of defense against the alleged unlawful removal of the books and he will welcome the chance to present his side of the case.

**FAVORS PAVING MAIN STREET.****Road Overseer Gaskill Thinks Improvement  
Would Be Economical.**

Road Overseer E. C. Gaskill has gone on record as favoring the paving of Main Street between the two bridges, a project long suggested by many residents, as an economical measure that would not only be a great aid to municipal progress but would save the township the heavy expense of keeping the gravel road in repair.  
"I believe it would be the best thing for the town," said Overseer Gaskill yesterday. "The problem of keeping up the road under heavy automobile traffic is getting to be a serious one. Every time a small depression is caused by a storm automobile wheels keep making it larger and it costs a lot of money every year to keep the highway in shape; even then at the best it is not to be compared with a paved road, which would not cost a great deal. It would pay the township to bond itself for the improvement and I for one am heartily in favor of it."

Overseer Gaskill, who has been on the alert ever since his appointment to place and keep the town roads in the best possible condition, believes paving sidewalks would be a wise measure. He was over the roads yesterday viewing several places where storms have caused damage and will have these places repaired as soon as possible.

**Discuss Railroad Administration.**

Important questions with reference to railroad administration were considered Wednesday at a conference between representatives of most of the railroad companies of the state and the State Utility Commission. The first question discussed was the proposition to place the companies under the control of the state.

The companies was that there was not enough money to justify the great expense, which, it was claimed, would be \$200,000, besides requiring that all tickets be destroyed and new ones printed every time the law was changed. The practice is said to be followed in Great Britain. The conference also discussed the uniform method of redeeming lost tickets, the better protection of trackmen while working on the tracks and the further safeguarding of grade crossings.

**Vehicles Must Carry Lights.**

The attention of the authorities of this County has been called frequently of late to the violations of the Road Act, which requires every vehicle drawn by horses or other beasts, to carry lighted lamps one hour after sunset to one hour before sunrise. Of late there has been several narrow escapes due to the violations of this law on the part of drivers, and in view of the fact that autoists are compelled to observe all the requirements and provisions of the Auto Law, the authorities are determined that vehicle drivers must observe the provisions of the law, which necessitates the carrying of lights for the protection of the users of the public highways.

**"Movies" Under New Management.**

Proprietor D. D. Hoover of the May's Landing Opera House has undertaken the management of the "movies" and started the ball a-rolling Wednesday evening by giving a free show, sending a special invitation to the school children to attend. The occasion was enlivened by a hand concert and, needless to say, the hall was crowded. Mr. Hoover says he will give a first class show three nights weekly and expects to put an unusually good one over to-night. A free show for school children will be given every other Wednesday afternoon between five and six o'clock.

**Walked To Wine City.**

Five converts to the ancient and honorable pursuit of pedestrianism, Misses Gertrude Vance, of Atlantic City, Edith Patterson, Adair and Clara Eldon and Mrs. Joseph Hollis, "hit the pike" for Egg Harbor City Saturday last, making the trip in just two hours actual traveling, though they rested an hour at the Kern cottage on the way. They reached the "wine city" tired but plucky still and took a train for Atlantic City, where they enjoyed the afternoon at the Apollo Theatre, returning that evening.

**Hog Cholera Prevalent.**

Veterinarian T. B. Rogers, of Woodbury, has sent out warnings to all raisers of hogs. He cautions them to take every precaution against the already fast-spreading cholera. Dr. Rogers emphasizes the necessity of immunizing the animals by a liberal use of cholera serum. He claims it is better to immunize the hogs before the malady enters the pen. Once the disease gets a foothold there are no means of telling whether the hogs have it in the incubative stage, and in such cases immunizing dose of serum would be ineffective.

**Examination For Postmaster.**

An examination for the Postmaster of the town of Rogers will be held Saturday, October 28, at that office by the U. S. Civil Service Commission. **TIE GAME WITH MILLVILLE.****Crowded Grounds Prevented May's  
Landing Using Trick Plays.**

May's Landing displayed great foot ball skill on the Millville field last Saturday, and although slightly outweighed succeeded in holding the Business School of that place to the score of 0 to 0. The absence of proper police authorities allowed the spectators to gather on the field which prohibited the use of many of their trick plays which would undoubtedly have resulted in several touchdowns to their credit. The lineup was as follows:

**PROTEST AGAINST LICENSE.****Clergymen Argue Before Judge Higbee  
That License Is Not Needed.**

Remonstrances against the granting of a hotel license to Edward N. Donnell for the town of Elwood was heard Tuesday morning by Judge E. A. Higbee, who heard two clergymen, the Revs. M. H. Morgan and K. B. Holland, speaking in behalf of 101 signers of a remonstrance, and twelve witnesses for the applicant, who is the son of L. O. Donnell, of Hammononton. Judge Higbee, regretting the non-appearance of the principal witnesses against the license, withheld decision until he can personally investigate conditions in Elwood, which has no hotel, and it is asserted, no accommodations for visitors.

The remonstrance argued that there is not sufficient need for Elwood to warrant a hotel, and that a licensed place would demoralize the youth of the place. Eleven residents testified to the need of a hotel and said they believed one essential for the welfare of the town. The applicant intends to convert the property of the late Freeholder John T. Irving into a hotel, which the Rev. Morgan says he has in view for a site for an old lady's home.

**BURN LANDISVILLE STATION.****Three Suspects Arrested and Jailed By  
Railroad Detectives.**

Three men, suspected of robbing the Jersey and Central Railroad station last Saturday night at Minotola and Landville, burning down the latter, and robbing a poolroom and barber shop, were lodged in the County Jail yesterday morning. They were arrested by C. J. Culp, captain of detectives, and J. R. Gray, chief of police of the Central Railroad, who found the suspects at Bridgeton, after two days' hunt, and placed them under arrest. The prisoners are two brothers, Brady and Elmer Vannaman and William Abner, who gave their residence as Bridgeton.

The town of Minotola is thoroughly aroused by the fire, following the burning down of their town hall twice in two years, and suspect these men are part of the gang of firebugs which has been operating in that neighborhood. The charges against the prisoners will be investigated by the grand jury and they will probably be tried this month.

**Freys-Shaner Nuptials.**

The Olivet Presbyterian Church at Atlantic City was the scene of a pretty nuptial ceremony Wednesday at six o'clock, when Miss Helen F. Shaner, daughter of Mr. and Mrs. Joseph L. Shaner, became the bride of Mr. Charles Clayton Frey, the Rev. Newton W. Caldwell officiated. The young lady was given in marriage by her father, Miss Nina L. Shaner, a sister of the bride, was maid of honor. Mr. Ralph E. Frey, brother of the groom, acted as best man.

Miss Phyllis Edwards, daughter of Mr. and Mrs. Howard Edwards, of the Hotel Miraud, was the flower girl and Master Richard Davy, the ring bearer. Acting ushers were Mr. Elliott Hemminger and Mr. Harry Zeigler, of Harrisburg, Pa., and Mr. William A. Kline and Mr. Walter J. Roberts, of Atlantic City.

The bride was attired in a white satin gown with crystal trimmings. A large pearl set off the trimmings of duchess lace. She carried a bouquet of roses and lilies of the valley. Miss Nina Shaner was gowned in a pale blue satin with crystal butterfly trimmings and carried a bouquet of double white chrysanthemums. The church was handsomely decorated for the occasion and the wedding was performed under a canopy of dahlias and chrysanthemums.

Miss Helen Shaner was a member of the Atlantic City High School. Mr. Frey was formerly a resident of Mechanicsburg, but is now employed in Philadelphia. Mr. and Mrs. Frey will make their permanent home at 23 South Frasier Street, West Philadelphia, and will be at home to their many friends after the first of January.

Following the wedding a reception was held at the home of the bride's parents, 313 Atlantic Avenue. The happy couple left on the nine o'clock electric train for their honeymoon, and were given a royal send-off by friends.
