ROUSING RALLIES END REPUBLICAN CAMPAIGN SWEEPING VICTORY AT POLLS IS ASSURED

EX-GOVERNOR STOKES WILL SPEAK TO-NIGHT AT GREAT
MASS MEETING IN ATLANTIC CITY AND APPEAL
FOR STRONG SUPPORT OF GRAND OLD
PARTY AND ITS PROTECTIVE
POLICIES.

Special Trains to Carry Voters to Seashore—Grand Rally At Court
House Monday Evening Next With Candidates And Others As
Speakers—Citizens Repudiate Slanders, Methods of Democratic-
Independent-Fusion, By Rallying Round Party That Has Brought
Progress and Prosperity—Important State and National Issues
At Stake.

Rousing rallies mark the close of the Republican campaign in Atlantic City and County, a campaign that has aroused more enthusiasm and party loyalty than any witnessed here in many years, pouring a sweeping victory at the polls next Tuesday for the Grand Old Party and the candidates who stand for the Republican Success and Prosperity. The campaign of the Democratic-Independent-Fusion, which has been notable for slander, abuse and vilification, against the open, fair and intelligent appeal of the Republican candidates for support has shown up all the more strongly by contrast. Victory for the Republican candidates in every district of Atlantic County is predicted.

Every voter in the Township is urged to attend the great mass meeting to be held this evening in Atlantic City, when Mr. Stokes, ex-governor of New Jersey, will speak for the Republican cause and other noted speakers will be heard. Free transportation will be provided for every voter who wishes to attend this meeting, the train leaving the Main Station at 8:30 and the Court House Station at 9:15, returning at 11 o'clock. Special trains will convey voters from Haddonfield, Egg Harbor City, Minto and all points along the line of the railroads to the seashore to attend the meeting.

On Monday evening next there will be a grand Republican Rally at the Court House, to wind up the Republican campaign in Haddonfield Township, at which the Hon. John J. Gardner, Senator Isaac Nichols, of Cumberland County, the Republican candidates, and others will speak. Music will be furnished by the Capitol Cornet Band and all voters will be cordially welcome. A special invitation is extended to the ladies to attend.

Citizens of the Township are urged to rally to the support of the Republican candidates, who are at stake, which the people of this district are going to protect by electing Republican representatives to the State Legislature, a Republican Sheriff to manage County affairs and Republicans to all other offices.

WHO SERVED ON JURIES

How the Republican Sheriff Selected
Hamilton Township Talemans

The list of grand and petit jurors selected by Sheriff E. L. Johnson during his term in office after a long and careful study of the names of the "partially ignorant, pauper, thieves," etc., certain interests are preferring on the Republican Sheriff in drawing jurors. Certainly every man on this list will resent any connection of his name with such unflattering names. Read the list.

Frank Harris, William M. Taylor, Daniel Leach, Charles Taylor, Paris Aaron, Martin Ingelsoll, Baker C. Lloyd, Charles Godwin, George Knepper, Burton A. Gaskill, Daniel W. McClure, James Hadden, George W. Bag, Ben. Spencer, C. Moore, Robert Abbott, Otto Greis, William Morris, Louis Bauer, John C. Babcock, Thomas Howell, Harry Barrett, Charles D. Makepeace, Charles E. Think this over, Mr. Voter.

FELL WITH ROTTEN POLE.

Two Linemen Seriously Injured One
Perhaps Fatally.

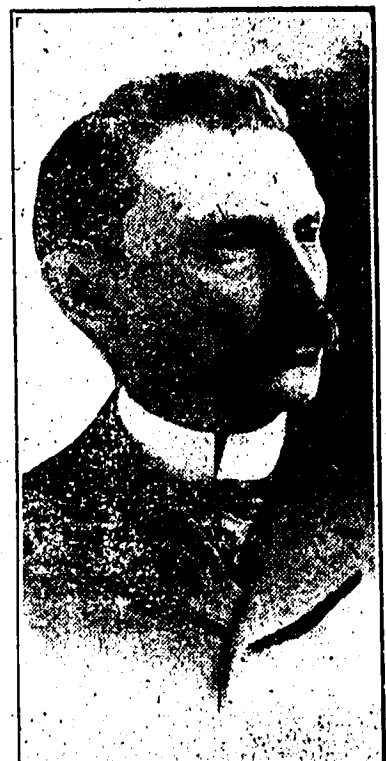

While at work removing wires from telephone poles near the corner of Cape May Avenue and Second Street Wednesday afternoon last, two linemen, Eugene Brown and Charles Fordling, of Atlantic City, were hurled to the ground and dangerously injured, one perhaps fatally, when two poles on which they were working, rotted to the core, broke and crashed down carrying the men with them. Brown, who was strapped to the pole, fell beneath it, the heavy timber plowing him down, crushing his arm and inflicting severe and injuries. Fordling, jumped and sustained painful but not dangerous injuries, principally sprains and bruises.

This is the third time within a few weeks that rotten telephone poles have fallen along the streets of May's Landing, and nearly all are said to be in a dangerous condition. Citizens are loud in their demand that the danger be removed, urging the Township Committee to take action that will do away with all poles and force the companies to lay their wires underground.

The crash of the poles brought a large throng of people to the spot, and the injured men were quickly made comfortable in automobiles with pillows, etc., donated by kind people living in the vicinity and rushed to the Atlantic City Hospital. Fordling later left for his home, but Brown is still in the hospital, his condition being reported grave.

Postmaster Ends Own Life.

Daniel Walters, aged 40 years, postmaster at Absecon and proprietor of a general store at that place, ended his life Wednesday evening last by suicide, depressed, it is believed, by business cares and failing health. His tragic death was not only a shock to the citizens of Absecon, but to the people of the entire County, among whom he enjoyed a wide acquaintance. About seven o'clock the Absecon mail came in and Mrs. Mary Smith, his housekeeper, called upstairs to him to come and distribute it, but he replied he would not do so and shortly afterward a shot rang out. Not daring to go upstairs, Mrs. Smith summoned help and the postmaster was found lying dead across the door sill of his room, a bullet through his head and a physician who was summoned said death was instantaneous.

EX-GOVERNOR E. C. STOKES.
Who will speak tonight at the Steel Pier,
Atlantic City.

POLITICAL JOTTINGS.

Attend the Grand Rally to-night in Atlantic City.

Vote for John E. Leard for Township Committee and you will vote right.

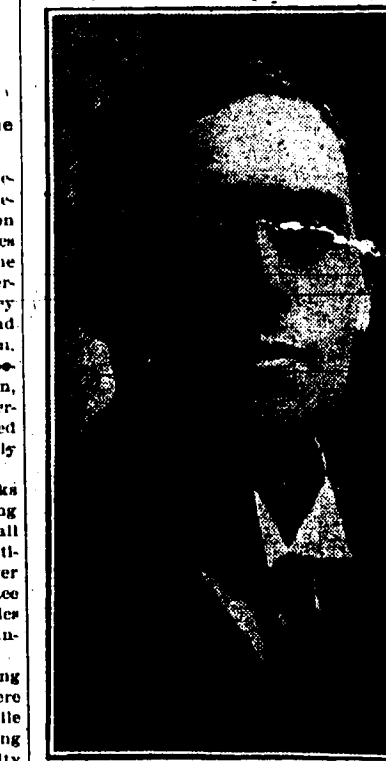

Keep in mind the big Republican meeting Monday evening next at the Court House. Governor Wilson has a great stickler for regularity in Sussex County, and a great stickler for independence of the voter in South Jersey. When you mark your ballot, mark a cross in the square opposite every word "Republican" and your vote will count for continued progress and prosperity.

The greatest man that ever lived made mistakes. The greatest and grandest political party that ever existed has made mistakes, and it is going to remedy them in its own way at the right time.

The Democratic splitters are trying in every way to delude the people into the belief that Republican success is not necessary for continued prosperity, but it is and those who remember the hard times right here in May's Landing during Cleveland's second administration can tell what it means.

In the Republican candidates for office on the Township Ticket, Christian Schumpe, Lorenz Leasing for Poundkeepers, Ansel B. Crowell and Charles Voigt for Surveyors of Highway, Joseph Leach and John Abbott for Constables, the people have men who have served faithfully and well in whose capacity they have ever been engaged and who will do their duty when elected, as they are certain to be Tuesday next.

When in the course of human events it becomes necessary to amend the old, it is not at all easy to select men who are competent and who will consent to the nomination. In naming David Shearer for Overseer of the Poor, the Republican of Haddonfield Township placed in their ticket a candidate for that office who has been tried and found competent, and as a matter of course he will be elected.

EMERSON L. RICHARDS
For Assembly

Wealth is no hindrance to a young man of sterling personal worth, as evidenced in the success of Mr. Richards, Republican nominee for Assembly, who started at the very bottom of law study, and after years of patient practice built for himself a reputation as one of the ablest young members of the Atlantic County Bar. His success is due wholly to hard work, pluck and perseverance—qualities Americans like to see in the man they are voting for, and that the people of Atlantic County are going to vote for Richards, vote for him good and strong, there isn't a shadow of a doubt.

REPUBLICANS TO ARMS!

Campaign Committee Sounds Call
to Every Voter For Endorsement
and Support of Candidates—
Protective Tariff Assailed.

Recognizing the need of Republican unity and support at the coming election in order to make the election of every regular Republican candidate doubly certain in view of the policies and general prosperity at stake, the County Campaign Committee, consisting of Joseph W. Salus, Charles E. Schroeder, Tobias L. McConnell, Harry Woodruff and William S. Patrick, sounds the call to every voter who we commend to the attention of every voter:

"To you as a representative and a member of the greatest party ever associated with self-government, whether state or national, we commend the election of every regular Republican candidate doubly certain in view of the policies and general prosperity at stake, the County Campaign Committee, consisting of Joseph W. Salus, Charles E. Schroeder, Tobias L. McConnell, Harry Woodruff and William S. Patrick, sounds the call to every voter who we commend to the attention of every voter:

"Secondly, the Republican Party needs every son to take a hand in fashioning its future. Given trustworthy candidates such as those for whom we appeal every Republican should be a candidate in this year's election. This is the best endorsement a man can give and all the candor and abuse showered on such men and upon their party, by political antagonists, cannot destroy that business or professional record which itself shows them fitted to undertake the management of municipal and State affairs.

"The Governor of this State is attempting every County to an endeavor to prevent the election of a Republican Legislature. This is no national significance in this election. There is no national significance in this election. This is false. This election has the greatest significance and is vitally important in connection with the Presidential Campaign of 1912. It is the time that the Republican party was called to arms."

TWO HUNTERS KILLED

Mistaken for Deer

Freelholder John S. Risley Succumbs
After Languishing Illness—An Official
For Many Years His Death
Is Mourned Throughout County.

After a lingering illness covering the period since April 19 last, when he was stricken with paralysis while waiting in the Court Yard for the Grand Jury of which he was clerk to convene, John Mansbury Risley, aged 77 years, succumbed shortly after midnight Thursday last to a second stroke of the dread disease. Up to six o'clock Wednesday evening his condition had been such as to encourage his family to believe he was improving, but after he was stricken at that hour he steadily grew worse and a short time before death lapsed into unconsciousness. His wife and daughter, Mary, who nursed him with loving care, were known and beloved by all, and throughout the County, where he enjoyed the love and esteem of a wide circle of friends.

Mr. Risley was born at Port Republic, this County, May 14, 1834, to John Risley and Abigail Mansbury. His father was a carpenter, and both parents were of English descent. Educated in the public schools of his birth, he went to sea at the age of eighteen years, following a career of eight years. He then remained at home for two years and at the end of that period called during the Civil War in the Twenty-third New Jersey Volunteer, serving nine months as Sergeant. He turned from after the war to farming for a period of twelve years and then to the office of a public lands agent at Port Republic, where he was employed as such until his death.

His first public position was that of Township Clerk of Haddonfield Township, where he served as Constable. Appointed Deputy Sheriff under Samuel V. Adams, he served five years in that capacity for the latter and three years under Sheriff M. V. Moore. In the Fall of 1881 he was elected Surrogate of Atlantic County and was re-elected three times, holding that office until 1902. When John B. Carson, chosen Freeholder of Hamilton Township, died in 1900, he was appointed to fill the unexpired term by the Township Committee and in the Fall of 1900 was elected to that office, during which term he died.

He was a member of Trinity Lodge No. 70, Free and Accepted Masons, of Atlantic City; of Narragansett Tribe No. 10, Improved Order of Red Men, of May's Landing and of the Grand Lodge of the latter body. He was a member of the Grand Army of the Republic, of Atlantic City.

Seven children were born of his marriage to Emma Frances Wilson, of Port Republic, four of whom are now living: On Gertrude, wife of John B. Carson, who has been elected an eligible apprentice as a member of the bar prior to his appointment as District Court Judge of Atlantic City, and his conduct of that important office, has been such as to call for highest praise from bar and public. The people of May's Landing will be glad to welcome him again as a resident.

His public service he was actuated by motives of charity and patriotism, and in his death the family loses a kind, loving husband and father, his neighbors a sincere and helpful friend, and the public a loyal, faithful official, whose conduct and achievements were the esteem and respect of all.

Funeral services will be held tomorrow, Sunday, at 10 o'clock, at his late residence at half-past three o'clock, in charge of the Rev. S. K. Moore. Burialment will be made Monday morning in the family burial plot at Port Republic, at half-past eleven. Relatives and friends of the family, and members of the fraternal orders with which he was affiliated and members on the G. A. R., are invited to attend.

In the Churches.

Services in the Methodist Episcopal Church to-morrow will be as follows: 9:30 a. m., Class Meeting; 10:30 a. m., preaching a short sermon followed by communion of the Lord's Supper; 2:30 p. m., Sabbath School; 8:45 p. m., Epworth League Devotional Service; 7:30 p. m., evening service. Everybody welcome. Rev. S. K. Moore, Pastor.

The Rev. J. E. Ely, a Princeton student, who preached to-morrow in the Presbyterian Church, both morning and evening. Sabbath School at 2:30 p. m.; Christian Endeavor Society services at 8:45. A cordial invitation is extended to all to attend the services. J. E. Ely, Ruling Elder.

Services will be held to-morrow in St. Vincent de Paul Catholic Church as follows: Mass at 10:30 a. m.; Sunday School 2:30 p. m.; Evening Service 8:00 p. m. Music by Choir. Rev. T. F. Hennessy, Pastor.

Death of Samuel English

Word was received here yesterday of the death of Samuel English, a well-known and highly respected resident of the Queen's Resort, who passed away shortly before six o'clock after a lingering illness. Mr. English was taken ill last Friday and continued to improve, but he had been in failing health for several months, but no one suspected that the end was so near and it came as a shock to his family and friends who had hoped for his recovery. He is survived by a wife, who has the sympathy of a host of friends in her bereavement.

Only Two Deer Killed Here

Only two deer were killed Wednesday by local hunters, so far as is known. At Leach, heading a party of Atlantic City hunters, brought down a big three-prong buck weighing 140 pounds. George Smith, of this place, hunted alone, secured a spike buck that weighed 100 pounds.

Every Ballot Cast for Party of Protection

Counts for Open Mills and Prosperity

Every ballot voted Tuesday next for the Party of Protection will count for open mills and continued prosperity. Governor Wilson's "free trade" policies are too well known to voters to need further advertisement, but the fact cannot be too strongly impressed upon every man who goes to the polls that those policies, which are the real policies of Jersey Democrats, are a direct blow against American working men. Jersey voters vividly remember the hard times during Cleveland's second administration when the Democrats were given a chance to sail the ship of state and mills were closed throughout the land. The same policies are now at stake.

Great care must be exercised by every voter in marking his ballot to make it count, as a wrong mark will cause it to be thrown out. The best way is to remember to mark a cross (X) every time after the word "Republican," if the vote is intended to count for good times and a full dinner pail. The only way to insure continued prosperity is to elect every Republican candidate on the County and Township Tickets.

REPUBLICAN MARKS CLOSING.

New Jersey is not the only State where the Republican party is repudiating the discipline of the past. In Atlantic County, judging from the tone of our Republican changes, comes the assurance that the ranks are closing and the party is going to make a united and determined effort to retrieve the reverses of last year. The people of Atlantic County are going to elect every Republican candidate on the County and Township Tickets.

Gov. Wilson's rule to the old soldiers at Vineland will not be forgotten. The old veterans heard of his intended visit and arrayed themselves in their best uniforms, to receive the military formation to receive the distinguished guest. Wilson left his state, walked into the Old Soldiers Home between the grey-haired men, without one word or nod of recognition. At noon-time the Governor returned to the hospital of a few impatient insurgents here and there, who though they show no disposition to desert their old party, may not give it an hearty support as they did before the general attack above mentioned came to them.

OLD FIRM CHANGES HANDS

Haig & Co. Now Conducting Business

of Morse & Co. Joseph M. Morse, of Somers, N. In retiring from the business Mr. Morse, who before starting in business with Morse & Co. was six years a member of the firm of Mattox & Co., at the same stand, making in all thirty-two years service to the people of the County Capital as a merchant, wishes to extend sincere thanks to those who have patronized his business and ask all to extend to his successors the same courtesies with which they have favored him in the past.

A pretty home wedding took place Wednesday evening last at the residence of Walter Leach, in Atlantic City, when Miss Rose R. Austin became the bride of Harry T. Abbott. The bride was attended by Mrs. Ida M. Coker, aunt of the groom and the best man was Andrew Abbott, his brother. The ceremony was performed by the Rev. Henry S. Hudson, pastor of the First Baptist Church. After a wedding breakfast Mr. and Mrs. Abbott left for a honeymoon after which they will be at home here in Hudson Street.
