#### LIGHT COMMITTEE REPORTS.

#### Citizens Divided In Opinion Between Electric and Gas System.

At a public meeting held Tuesday evening last in the Opera House, the Committee of Investigation appointed at a former meeting to ascertain the cost of installation, operation and probable revenue of a municipal electric lighting plant reported that the plant would rehearsing for an entertainment to be given cost in the neighborhood of \$20,000 and that the carry in December. revenue, under the present bas's of business, annually of paying operating expenses.

The Committee, which consists of Dr. H. C. James, Postmoster L. W. Cramer, Gus Ritchie and Harry F. Birch, made an exhaustive investigation of the project, measuring lines, canvassing electric light patrons to ascertain the revenue and going into the cost of installation and operation with leading electrical supply companies. No action was taken on the report of the Committee, which was continued and the report laid on the table. Fol lowing the report, the project of a municipal or stock company gas lighting plant was discussed by citizens. It seemed to be the concensus of opinion among those present that a gas plant would be a more successful proposi tion for May's Landing than an electric light-

A rule to show cause why a new trial should not begranted Robert Johnston, recently convicted of an alleged election offense, was granted Tuesday by Supreme Court Justice Kallech to Attorney Emerson Richards, representing-Johnston. The rule is returnable on December 3. Argument of the State against the rule will be heard in the interim.

Mr. Richards based his application on the grounds that the verdict was against the weight of the evidence, on failure of the State to produce all of the evidence, and the 'manifestly incorrectly testimony" of W. C. Henry Democrat, who swore that three men had voted in the name of Lee Butler in the third knowledgment to Almighty God of His un-bounded benefaction to us as Nation, State which Johnston was judge of election, when an examination of the poll book shows but

#### JOYS OF LIFE.

Live while you are alive. In other words, enjoy this life as it comes to you. Listen to the hird songs and the voices of the chilor the opening of a flower. Take into your life the goodness, the pleasure and the brightness of every day, for "we shall pass this way but once," and then when you reach the last day that is given you here you will be content and can say, "I have lived."
