FIFTEEN YEAR TERM FOR YOUNG ITALIAN WHO ASSAULTED GIRL

SECOND SEVERE SENTENCE GIVEN FOR OFFENSE BY JUDGE SHINN

THREE MONTHS FOR ROSSMIRE

Court Holds Busy Special Session And Disposes Of Many Evildoers — Burglar Given Two To Seven Years In State Prison — Six Months In County Bastile For Colored Housebreaker.

Judge Clifford C. Shinn, at a special session of Criminal Court held Thursday last, heard a number of prisoners who waived their right to indictment and trial by jury and also informed, previously or during this session, For assaulting a sixteen year old girl, Mille Glante, an Italian berry picker of Hammonton, Judge Shinn sentenced Michael Rutherford to a term of not less than one or more than fifteen years in State Prison, with a fine of \$500. Rutherford was released under \$500 bond pending an appeal. Miss Glante, the complaining witness, produced her child in court at the trial. A sad feature of the case is the fact that Rutherford, subsequent to his assault on the Glante girl, married another young woman who with her child will be left without support during his incarceration.

Felix Rossmire, brother of a farmer living at McKee City, was adjudged guilty by Judge Shinn of assaulting his brother-in-law and sentenced to a term of three months in the County Jail. It will be remembered that Mr. Rossmire was found along the County Road several weeks ago by Judge Shinn in a serious condition and taken to the Atlantic City Hospital, suffering from the beating she received.

Hornace L. Hall, convicted of desertion some time ago and released under suspended sentence, was arraigned for breaking his parole and released with a warning.

John Alger, pleading guilty to breaking and entering, was held for sentence pending further investigation of his offense.

Six months in the County Jail was imposed by the Court on Jack Johnson, who pleaded guilty to burglary.

James Hughes was sentenced to not less than two or more than seven years in State Prison for burglary.

Other cases disposed of were as follows:

Joseph Wilson, breaking and entering, acquitted.

Frank Suriano, breaking and entering, acquitted.

Antonio Nastasi, carrying concealed weapons, convicted. Sentence reserved.

William Hahn, carrying concealed weapons, sentenced reserved.

William Johnson, larceny, pleaded guilty, three months in the County Jail.

Katherine Scott, larceny, acquitted.

Julia Curtis, larceny, pleaded guilty, fined 50 cents.

Hebe Carter, larceny, pleaded guilty, fined 50 cents.

John Hill, larceny, pleaded guilty, fined one dollar a week for one year.

One dollar a week for 18 months.

John Torino, larceny, pleaded guilty, fined one dollar a week for 18 months.

PROGRESSIVE VOTE LIGHT THROUGHOUT NEW JERSEY

Party Loses Right To Ballot Boxes In Several Counties.

The compilation of the Progressive vote in New Jersey at the recent election was completed Monday in the office of the secretary of state and it shows that the Bull Moose party polled 21,229 votes in the state. The inflection, until the official returns are canvassed on November 24, and that the party polled just a little more votes than the five per cent of the total cast which is required by a political party to retain its ballot box in the primary election. The Progressive candidate polled all counties but Hunterdon, Monmouth, Ocean and Sussex. This means that the progressives will not have boxes in the primaries in these counties next Fall.

The Republicans polled 174,004 and the Democrats 154,550 votes for the assembly. This indicates that the Progressives have about 3,000 more than necessary to get their five per cent. The great stamp in the Bull Moose vote is shown by the fact that Roosevelt polled 145,400 votes in New Jersey two years ago, and this vote shrank to 41,322 for Colby, the Progressive candidate for governor last year.

The Progressive vote by counties follows: Atlantic, 667; Bergen, 1,634; Burlington, 1,087; Camden, 776; Cape May, 250; Cumberland, 651; Essex, 4,084; Gloucester, 405; Hudson, 6,009; Hunterdon, 9; Mercer, 777; Middlesex, 511; Monmouth, none; Morris, 451; Ocean, none; Passaic, 419; Salem, 127; Somerset, 417; Sussex, none; Union, 1,950; Warren, 40; Total, 21,229.

In these totals of Progressive votes by counties it may be borne in mind that in Hudson they had eight candidates, whereas twelve were elected, the Progressives and Republicans fusioning on the other hand, while in Monmouth County the Progressives fused with the Republicans, thus losing their voting standing next year and this, and in Ocean they fused with the Democrats. In Hunterdon and in Sussex there was not the least semblance of a ticket.

MEN WANTED IN CHURCH!

Rev. Smith Extends Cordial Invitation To All His Services.

At the Presbyterian Church tomorrow the Rev. B. M. Smith, Minister, will preach as follows: 10:30 a. m., subject, "A New Epoch"; 7:30 p. m., subject, "Life's Race." The other activities of the church—Sunday School, Endeavor Society and mid-week prayer meeting—are as usual.

Rev. Smith would like to see more men in his congregations and takes this opportunity of extending to them a cordial invitation to attend one or both of the Sunday services. The habit of church-going he thinks detracts from manhood and is the foundation of steady, good character and good citizenship. The preacher believes in his message, and endeavors to put into its delivery the warm blood of enthusiasm that it deserves.

Elks To Hold Memorial.

Preparations are being made by Atlantic City Lodge, No. 276, B. P. O. Elks, for holding its annual memorial service or what is more appropriately termed, "the Lodge of Memory," on the afternoon of Sunday, December 6.

The ceremonial, which is always an impressive and notable event, in which tribute is paid to the departed members of the Lodge during the year, will take place in the Apollo or the New Nixon Theatre. An elaborate program is being arranged.

JURY AWARDS VERDICT TO BOY HURT BY AUTO

Ran In Front of Generosity Machine In Atlantic City Last June.

Damages in the amount of \$150 were awarded to Abraham Lenett, the father of five-year-old Samuel Lenett, by a jury in the Common Pleas Court Tuesday against William Generosity for injuries which the child received last June when struck by the defendant's automobile in Atlantic City.

It was the claim of the plaintiff that the little boy was run down by the Generosity machine, which was driven by Miss Genetky. Lenett's leg was broken and he was injured on other parts of the body. Lenett asserted that the machine was traveling at the rate of twenty miles an hour, and also that the driver neglected to blow the horn.

The defense alleged the machine had not been negligently operated, but stated that the little boy had run directly into it from the sidewalk. They further denied the allegation that they were travelling at the rate of twenty miles an hour.

While the suit was for five thousand dollars damage, the jury after an hour's deliberation brought in a verdict of \$150 for the amount which the father was compelled to expend in curing his son.

Action Taken After Careful Investigation of Conditions.

Criticism of the Board of Chosen Freeholders because of its recent action postponing the erection of a Tuberculosis Hospital in this County and sending patients to the Camden Hospital is resented by those members of the Board who have given the subject careful consideration, and whose recommendations, adopted by the Board, were looking towards economy and efficiency in the care of consumptives in this County.

Camden County has built a large sanatorium at an isolated spot on the White Horse Pike but not far from the Atlantic City line and has fixed a reasonable charge for the care of Atlantic City patients. This County has already placed several patients therein who are receiving the best of care.

The erection of a hospital in this County would mean an expenditure of many thousands of dollars and after the building is erected, if it is not there is no way of comprising tuberculosis victims to go there. The care of such a small number of patients as seems probable would cost a great deal more than it is costing in the Camden Institution and there is no reason to suppose that the treatment given would be any better, say the Freeholders.

The Board is making a thorough investigation of the number of cases of tuberculosis in this County and is also getting an estimate of the probable cost of erecting and maintaining a home hospital. The site talked of is on the County property at Smith's Landing, though the residents of Northfield are protesting vigorously against its location in their neighborhood and there seems to be much sentiment against locating such a hospital in this County if it is possible to properly care for the patients elsewhere. The location of a tuberculosis hospital anywhere near Atlantic City is considered by many as extremely detrimental to the resort.

The pupils of the public schools of May's Landing will again collect and forward provisions and clothing to the Home for Homeless Children at Trenton. Articles will be collected at School No. 1 on Tuesday and shipped Wednesday. Let everybody help the children in their praiseworthy efforts to help the home-waifs.

Union Thanksgiving services will be held in the M. E. Church Wednesday evening next at 7:30 o'clock, sermon by Rev. B. M. Smith, Pastor of the Presbyterian Church, "Come fellow citizens, old and young, man and woman boy and girl—want you there. If ever we have had no thanks for Thanksgiving it is now. Make it a town affair," says Rev. Newton Nelson.

MOTOR LAUNCH SUNK DURING HEAVY STORM

Leedom's "Shearwater" Caught On Cable And Foundered.

Catching in some manner on her cable Sunday night last during the severe storm that swept up the coast, the handsome cable launch "Shearwater" owned by E. Conover Leedom, of Philadelphia, anchored here in the Great Egg Harbor River, foundered and went to the bottom.

No one was in the craft at the time and it was not till the next morning that her plight was discovered. Mr. Leedom, in the West, but his father, hearing of the accident, came down Monday. Mr. Peter Olson set to work immediately and raised the boat, pulling her ashore. Outside of the stretching of the cable she received, she was not badly damaged by the accident.

Entertained Missionary Society.

Mrs. Anderson Bourgois entertained the Missionary Society of the Presbyterian Church at her residence at Esteville Thursday afternoon.

Mexico was the topic of discussion of the business session. The May's Landing members of the society journeyed to Esteville in automobiles. The present attending the session were: Miss Catherine Endicott, Mrs. E. Izard, Mrs. L. B. Conner, Miss Anna Conner, Mrs. H. C. James, Mrs. Walter Mahone, Mrs. Ethel Heath, Mrs. Charles D. MacKee, Mrs. J. Frank Davis, Mrs. T. Denmead, Mrs. Benjamin Smith, Miss Lambert, Mrs. E. Shiner. The hostess provided a bountiful supply of refreshments and the session was one of the most enjoyable in the history of the Society.

YOUNG MEN NEEDED BY PARTY SAYS STOKES

Ex-Governor Denies Participating In Leadership Contest and Sounds Keynote of Harmony That Should Prevail In Republican Ranks.

Ex-Governor E. C. Stokes, refuting rumors that he has entered into the leadership contest in the Assembly, has taken occasion to point out the real need of harmony in the ranks. He says:

"I am not and I do not propose to be a party to any individual contest within the Republican ranks. For four years I have fought for the interest now that it is victorious, in preserving harmony within its ranks, that it may better serve the interests of the people. I have always held that the members of the Legislature should select their own officers without interference. I am not opposing for breaking the various aspirants for the speakership."

"For several years I have endeavored to induce young men to come to the front and take part in the party councils and have always encouraged their just ambitions without any regard to future honors with which I may or may not be connected. The repeated story in the public prints of an intention on the part of the Republican Legislature to repeat the fall crew is only another illustration of Democratic tactics to misrepresent the party, Republicans, as well as Democrats, voted for that measure and there isn't the slightest intention on the part of the Republican party to repeat it. The Republicans should be on their guard and not be misled by false reports as to the party's intentions."

"As to local issues, I shall use all the force I have to get a larger Infel appropriation and secure such legislation as shall make Absecon a reality in the minds of everybody at home and abroad so that every mariner and yachtsman shall know that it is here and safe harbor at all times. No one can tell just how much good permanent inlet will do Atlantic City and Atlantic County, but it will do."

"Another issue that is of vast interest locally is a revision of the game laws. The gunners say that their best game comprise migratory birds, and that the open season begins so late here that the birds have passed South to their winter homes when the open season begins, therefore, the gunners of New Jersey are deprived of the best sport. The Government has previously considered it, but the representation from this district was not capable of getting any results."

"I think New Jersey goes into the Congress this year well prepared to make a strong fight for what she wants. I am glad to have a chance to get into the fight and know I shall have the undivided support of the people of this district."

CRIMINALS

Elizabeth Lodge No. 1, O. O. F., at a recent meeting unanimously adopted the following memorial upon the death of Mrs. E. D. Riley:

"Whereas, It has pleased Almighty God in his wise Providence to remove from our midst the beloved wife of our Brother, E. D. Riley, therefore be it

"Resolved, That we extend our sympathy to our Brother and bereaved family in their darling loss of bereavement, and sad affliction and that we express our appreciation of his Christian life and point them to him who doth all things well, remembering that their great loss is the wife and mother of eternal life.

Be it further resolved, That a copy of these resolutions be sent to our Brother, spreading the influence of the Lodge and published in the "Atlantic County Record."

Guild Remembers Jail Inmates.

Inmates of the County Jail will receive a considerate wearing apparel as a result of a recent liberal donation by the Ladies' Needlework Guild, of Atlantic City, who set up a box this week containing underclothing, stockings and other apparel for both male and female prisoners. Many of the prisoners who are sent this institution have only the clothing on their backs and to them the donation of a "change" will be not only gratefully received personally but will be appreciated by those in charge who have to be on the jump daily to maintain a decent state of sanitation in the jail. Sheriff Joseph R. Bartlett answered the question by Mr. Martin E. Kelleher pending the trial, he said that the inmates of the jail were not being treated as harshly as has been reported.

There is considerable controversy over the question whether this office is elective or appointed. Ex-Judge Charles L. Colvin contending that it is incumbent upon the City Commission to appoint a recorder. Even if this is the case, Gaskill's friends contend that the city fathers should heed the people's voice and if the election should be set aside, appoint him to the place, held by Martin E. Kelleher pending the trial.

Charles L. Colvin, et al., vs. Charles S. Adams, et al., 50x150 ft., Southwest side of Hughes Ave., between 50th and 51st Streets, filed at 157 Atlantic Ave., Atlantic City, Nov. 13, 1914.
