Die Wacht Am Rhein With thunder shout the air is rent, Like roar of waves and sword class "Now, of the German Rhine so free, Who will the river's guardian be?"

Chorus: Fatherland, may'st tranquil be, Stands sentry o'er our Rhine, our moble

The people hear that mighty cry, Like lightning flashes ev'ry erd? That landmark ev'ry heart will keep, And watch unsleeping o'er the deep. Thy tide reflects the heav'ns above,

And heroes gaze on thee with love, And proudly breathe a vow to thee, Thou, Rhine, shalt ever German be. So long as blood flower in each vein,

Or hands to draw the sword remain, No wine an arm is in the land, No foe shall welk upon thy strand. The waves re-echo back the cry.

The standards in the breeze doth fly. The Rhine, the German Rhine, so fre Yes, we will all thy guardians be a -Max Schneckenberger. If I Should Die Tonight

If I should die to-night And you should come to my cold corps Weeping and heart sick o'er my lifeless clay-If I should die to night And you should come in deepest gr

and woe And say, "Here's that ten dollars that I might arise cravat
And say, "What's that?"

And you should come and kneel, Clasping my bier to show the T'say, if I should die to-night

If I should die to-night

And you should come to me, and ther and then Just even hint 'bout payin' me that ter I might arise the while; But I'd drop dead again. -Ben King.

"The recent 'twenty-minute' revoluion in Panama," said an American lady who has just returned from a visit to the isthmus, "reminds me of a revoution I witnessed there one morning while we were at breakfast A

"We were at Colon. One day had hardly taken our seats at a table when I heard a tramping of feet and men shouting in the street. I hastened to the window and saw a half dozen barstooted and bareheaded men in greasy, ragged shirts running toward the place. They were waving machetes and muskets.

What is the matter? I asked in great alarm, of our host, Raimundo Gabriele Cabresa y Guiterres. "He finriedly came to the window and looked at the band of ragamuffins who were brandishing their rides and shouting 'viva' this and 'viva' that, I

could tell what "Why. I am afraid this is a revolu tion!" said he Raimundo Gabriela, called smooth annualed tones of his senors. cates the overhead trolley rather than any of the other forms of electric transmission for transportation purwho was still sitting at the breakfast table, did I put enough sugar in your

She placed her tapering fingers or presently arose and found refuge it with her thin little hand. the compensations of the tollet. This process was not completed before bell boy brought up a card.

"It is the doctor," said the girl care "But as you are feeling so ill to wait. On the second thought,

will go down myself." The young man, who had been look ing out of the parlor window, turned quickly as he heard a light step. "How the throat this morning? Sure! you are not going out on such a day?

and we get along very indifferently indeed without you. -kind. But I cannot love them as I love you and Chum and Mma Bartoli. I miss you so that I lie awake in the night to cry Do you think I shall get well soon? And have no more pain?" "I am sure of it" said the prima

donna amilingly. "And may I return and not be lone ly any more, but very happy?"

"Not be lonely any more, but very happy," repeated the prime denna, still smiling, but biting her lip. Later they were in the kitchen. The prima donna was making gruel, and the doctor was making love. She had a brown - gingham apron about her The waist and also the doctor's arm. She gazed into the saucepan; sighed deeply, and stirred the meal and water. "Can nothing be done?" she saked.

"Perhaps. I will consult with a specialist, but-I have never seen you like this before, descent? "This is not my real self. I am masquerading in a new role, that is

Why would you appear to be Conscious that she was not pretty when she really cried, the prima don ing they took her away? One goes he tried to wink back her tears, but unpuccessfully, and was reduced to liping her eyes with the apron. July love you," said the doctor. He was so strong she felt like a child in

her head against his breast, and she wept-a liftle at the sorry pageant sure it is wretched out, and I shall of humanity, and a good deal for her

They then went back and gave Fleurette the gruel, which as mere her beautiful throat and essayed a gruel was not a success. Not that It ended in a croak, at which Fleurette cared. 'She was engrossed she shook her head mourafully and with the puppy, who, irresistibly i glanced at the girl; but the girl was unhygienically, licked her cheek and writing a letter, and her back re then the porridge bowl. By and by fused sympathy, so the prime donne she was humming and beating time "To see you as Marguerite-C'era' no re di Tinis-

To hear you sing it once again ma'am'selle, what happiness?" Smiling at her, the dive began I'll just do down and make your ex sing, at first very softly. The notes of Marguerite's plaintive ballad fell clear-The prima donna flushed, "Ask him and sweet upon the twilight, The round red eye of the stove glowed upon the little group about the child's sofa, and the shadowy, motioniess forms that had gathered in the door ray to listen.

pinions of Great Papers on Important Subjects.

Matrimony and Dyspers s.

is not good for man or woman to eat alone ical authority has spoken for years The solitary diner out, having no company beore him, other than his food, swallows it has roperly musticated, hurcles one course up another before the stomach can properly adjust self to the conditions that tax it, and acquire a dyspense that distress him severely and makes life a hipe

The increase in dyspepsia and kindred ailments, so who has been gathering information asserts, is largely due matrimony. In other words, were there fewer bachelers and bachelor maidens there would be less demand for ten-

ice to brace up an impaired digustion.

In spite of the orthodox loke about the young ruining her husband's digestive apparatus by her attempts at cookery, it is established that there are, in reality, much fewer cases of dyspepsia spring the wedded than among

those who choose to remain single. Food consumption should be a task of slow process and the mind should be free from care and unnecessary excitement during the meal hour. This is best established when two persons dine together and enjoy such good natured chaff, raillery or interesting chat as diverts them for

dine deliberately by the amusement derived from their surwell testify to, that the single diner cate his meal in from one-third to one-haif the time taken by those who dine

The inference, of course, established by this that matrimony is a good thing for dyspepsia, and possibly this fact may establish a new line of thought in crusty bachelors and fussy bachelor maidens, who are unable to at a meal without topping it of with a few specially prepared tablets and nostrums to help out their poor stomachs -- New York Telegram.

Farming a Great Industry.

HE annual most of the Secretary of Ag

The last four cent years. The balance of trade in the tural products was \$4,806,000,000 to our favor, however. that the total belance in our favor, thanks to the farm was \$5,940,000,000. While we have not been able turn out or, at least, have not turned out—enough of other commodities to supply our wants, we have raised enough farm produce not only to meet our own demands, but to feed a large part of the rest of the world; and the agricultural lands of the country still possess large resources that never have been exploited. In the couse of time the country's industrial population no doubt will become so great as to consume all the food that the land can be forced to produce.—Kansas City Journal.

SATURDAY, JANUARY 80, 1904. CHANNE the trusts with Free Trade sating onions to sweeten the breath CANADA's "mignificent market" had ours by allarge majority, and or

rise Protectionist basis. A REMEDY for coal extortion is des able. It is not to be found in free im portations, as the experience of the lis year has proved:

It the assembled Democracy in Na tional Convention cannot declare sometaing better in the way of issues than simple partisan criticisms, the Presiden tial campaign will go by default to the Republicans, as it did three years and more ago.

MONEPPER Table Tatiff is scaring all comers, because the country wil not sumbit to a Tariff against industrial interests dictated in favor of the impor ters. Experiments are unsatisfactory to the industrial interests of the country levery day in the year.

THE Democratic party in advocating Free-Trade for the United States has always pointed to England as the most prosperous country in the world because it was a Free-Trade country. But the growing demand in England for Protec tion takes that argument away from the Democrats. When England, that har long prided itself upon Free-Trade, turnway from it, the United States will be wise to adhere to its policy of Protection that has made this country the mos

A DOZEN years ago, statistics inform a, we were importing considerably over nmption, but have begun production fo export business amounting to 1,500. 900 boxes. Such is the brief history of a ingle industry which has gained over 20,000,000 annually for our wagarners

TWO SERK FRANCHISE

SECOND PROPOSITION FOR WATER WORKS PEANT:

February 4th to Discuss the Project-People a Unit in Favor of a Water Supply.

A second application for a franchise to erect a water works plant here is in the hands of Township Council and with two to lay water mains and construct their plants. the probability is that satisfactory contracts can be made with one of the two corporations for an adequate supply of water for lomestic and fire purposes.

The second proposition comes from Charles Gilbert, copresenting S. S. Johnson, water works contractor, at Millersburg, Pa. tion in Pennsylvania and this State. The syndicate agrees to put in a first-class plant at individual expenses if a franchise is

tion which asks for a similar grant and the S. 3. Johnson syndicate will be invited to appear before Council with their plans and specifics-The community is a unit in favor of a sys

tem of water supply for fire purposes and Council cannot move too quickly in this all-important matter.

Special Court House Committee

Will Report.

The County Board of Freeholders will mee in Memorial Hall at Atlantic City next Wednesday to hear the report of the special committee, comprising Representatives Reed, of Buena Vista, Parkhurst, of Hammonton by Director Smith at the January 6th meeting of the Board to submit recom-

mendations for improvements to the building, the total cost of moving and build- of the city. One of the animals is "Ginger,"

Summary Arrest for Reckless

Automobilists.

Automobilists from Philadelphia, Nev

York and other cities who recklessly an the

County highways last Summer and violated

all the speed regulations and got away with

out interference, because the State law-re-

quires that their identity must be ascertained

and a warrant issued before they can he ar-

rested, will probably find things different

here and elsewhere throughout the State the

County authorities who say it is impossible

to suppress the reckiess chauffers under pre-

sent conditions, will ask Senator Edward 8,

Les to introduce at the present session of the

Logislature an amendment to the Automo-

bile law, authorizing summary arrests when

oming Summer.

the speed rules are broken.

Miss Mike's New Brother

ELL, Agnee," said grandmoth-er to Miss Mike, 'your BONG is out of joint now?" Miss Mike felt that member gravely and wiggled it. "No." she said.

"Yet, it's out of joint," repeated grandmother, who had just dropped a elegram on the table behind her. She laughed and seemed pleased by something. Everything in the last few Jays had been mysterious to Miss Mike, and she had given up trying to understand the ways of grownups. In the first place, grandmother had come and had taken her away from

home. She had been allowed to do just as she pleased. Occasionally she had heard her grandmother say, "I wonder how Agnes will take it." This was to herself, and there was no exetion of what it meant. ning was puzzling, and when said that the nose was

drew herself up just as tall as she Other Prominent Physicians Use Zinningertering and Endorse Pe-ru-na.

> DR. LLEWELLYN JORDAN, Medical Examiner of the U. S. Treasury De-partment, 'graduate of Columbia College, and who served three years at West Point, has the following to say of Peruna:

"Allow me to express my gratitude to you for the benefit derived from your wonderful remedy. One short month has brought torth a vast change and I now consider myself a well man alter months of suffering. Iellow sufferers, Peruna will cure you.

A constantly increasing number of physicians prescribe Peruna in their practice. It has proven its merits so thoroughly that even the doctors have overcome their prejudical dice against so called patent medicines and recommend it to their patients.

Peruna occupies a unique position in medical science. It is the only internal medical profession to day. Catarrh as every one will admit, is the cause of one-half the disease which afflicts mankind. Catarrh and catarrhal diseases afflict one-half of the people of United States.

Robert R. Roberts, M. D., Washington, D. C., writes:
"Through my own experience se well as that of many of my friends and acquaintances who have been oured or relieved of catarrh by the use of Hartman's Peruna, I can confidently recommend it to those suffering from such disorders, and have no hesitation in prescribing it to my palienta". - Robert R. Roberts.

Dr. R. Robbins, Muskogee, I. T., writes: tem. I also consider it one of the finest "Peruna is the best medicine I know of catarrh remedies I know of."—M. C. Gee, coughs and to strengthen a weak stomthe house and found her camera and ach and to give appetite. Besides prescribling it for catarrh, I have ordered it for only by systemic treatment.
