Devoted to the Interests of the Republican Party.

TERMS: \$1.50 Her Year, in Advance,

Record IN STATED EVERY SATURDAY AT May's Landing, Atlantic Co. N.J. entitled How Uncle Tom ran Away, but the WM. C. TAYLOR, LA. CR AND PROPRIETOR.

Caulty, Paper of the Caunty,

SUISOMPTION PRICE, -1.55 gx angeon, strictly in advance. the Peppers and The Young Homesteaders, . GOAY MARCH 6, 1880. or Fillay March 12th.

Made, and is said to have been written by a the still of third District of former member of the N. Y. Tribune staff, steel their delegate to the and is a bright readable article, with sixteen man support Mr. Blaine for spirited allustrations. The poems of the number are fine ; March, by Celia Thaxton, The Child Angel, by Mrs. Whiton, March

one can dancers to learn and the Boys, by Mrs. Brine, and Gold and Inch " and the "Bos- Locks' Kindergarten, by Clare Doty Bates. or the fashion, having Concord P.enic Days, by G. B. Bartlett, the "Brighton grip" and gives some interesting facts about the young sculptor, Mr. French, and has directions for a spirited game called The Potato Race.

A Co., of Philadelphia, There is also a Shivering Song for use in stinely new and thorough- schools, Tangles, Letters for Little-Folks, f their ipvaluable "Ga- etc., etc. Only \$2.00 a year. Ella Farman, of b" will be issued to Editor. D. Lothrop & Co., Publishers, Stuctulit. A competent Boston, Mass.

Le- h engaged for the last A Liver Disordered for theen Years .evision. For fifteen years I was a great sufferer from a disordered Liver, during which time I wed Nellis' Floral In- g tried many of the best physicians in the an elegaht, Illustrated country and almost all the patent nostrums to candening in all its recommended, all to no effect, until I used g a complete list of Simmons' Liver Begulator; and from the ity reduced prices, and time 17 fised it to this day, which is now sevif mation. The suberal years, I have been comparatively a e conts a year. He sound man, having suffered very little since and packet of choice at any time from the effects of my old disease. at any time room the room mend its use It's address is A. C. to the afflicted of liver disease. Maj. A. F Wooley, Kingston; Ga.

conden, of the many The very latest story of absent-minded as, heads, Cabbages, ness has for its hero a Massachusetts clergyce. Petatoes, Toma- man, who one day drotte up to, a blackembers, Melons, smith shop, and asked how long it would ms, etc., etc. each take to shoe his horse. "An hour," said is an important the smith." "Very well; I'll leave him of kinds will re- and call is 1 him," and unsitching the anito note for the same mul and leading him into the shop, the small guilda, pargan climbed back into lis carriage, pick-Piter Henderson, I ed up the reins, which had been left rest-- ich matters that ing on the dashboard, and there sat until - i) varieties of the Lis horse was shod, and he was aroused and he gives the re- from his brown study by a shout from the Agriculturist for | Idackshith.

maber has much There are no bar rooms at Cornell, Ill. isformation. il- | out the place abounds in drug store, in which angravings, and is the traffic is almost entirely in liquor, each a whole year's sub-chaving a business connection with a physi-51.50, or 4 copies) cian, who writes alcoholic prescriptions on London, New York. demand.

Wide awake for March is in advance o while awake for march is in advance of NO BENZINE! The frontispiece, bearing the legend I just won't stay in the house with such a Girl, illustrates a good story by Nellie A. Hopkins, opening article is a two-part story Billy's Hound, by Sara E. Chester, and will inter-

est all boys who jadmire a deg. It promises o be one of the best stories we have seen Surprised, by Anna Elebburg, is another good story, and has three inimitable pictures by Francis, the cat artist. Mrs. Macy

has a very fanny parrative, entitled The Story of the Clock. The serials, Five Lit-RATES Liven on application | are fresh and wholesome, each with admiraole pictures. Mr. Benjamin's American Artists paper is about Daniel Huntingdon, the President, of the Academy of Design, de trey Legislature have agreed and has some fine pictures. The long illustrated paper is entitled How Newspapers are

The Fish Market in Norway.

In that first early morning we went to the fish market in Christiania, an interesting and uncommon sight to English eyes and ears. The fish men and women were all seated in their boats alongside the stone pavements, shut in from outer water by great locks. Servants and housewives, with great tin baskets hanging on their arms, were bargaining for the day's dinner. Codhsh, mackerel, eels and lobsters were in tions to human knowledge; this con- So soon as the horse gives his attention abundante. Anchovies-or small fish tains the transactions of learned socieso-called-might be counted almost by ties all over the globe. The librarythe million. The fishwomen, with and its recovery from two fires, from their loud voices, were contending 1800 to 1878-had cost \$640,000.
