Simmons Liver Regulatir er Medicine

Is emineutly a Family Medicine; and by being kept ready for immediate resort will

save many an hour of suffering and many a dollar in time and doctors' bills.

After over Forty Years trial it is still re-

ceiving the most unqualified testimonials to its virtues from persons of the highest char-

acter and responsibility. Eminent physicians commend it for all diseases of the Liver,

AS AN EFFECTUAL SPECIFIC.

Opinion OF the Clergy.

SIMMONS' LIVER REGULATOR IS

certainly a specific for that class of

complaints which it claims to cure.

If any of our fellow beings are suf-

fering from hepatic disorders and

have doubts in relation to the effica-

cy of this popular preparation, we

can only offer them the simple and

candid argument of Philip to Na-

thaniel, " Come and see." Try the

proposed remedy and then you can judge for yourselves.--Rev. David

Wills, Pastor of Presbyterian church,

REGULATOR!

THE SYMTOMS of liver complaint

are uneasiness and pain in the side.

Sometimes the pain is in the shoul-

der, and is MISTAKEN for rheuma-

tism. The stomach is affected with

LOSS OF APPETITE and sickness,

bowels. in general COSTIVE, some

times altering with lax. The HEAD is troubled with pain, and dull, heavy sensation, considerable LOSS

OF MEMORY accompanied with pain-

fo! sensation of having LEFT UN-

RONE something which ought to

have been done. Often complaining

of weakness, DEBILITY and low

pirits. Sometimes MANY of the

above symptoms attend the disease,

and at other times very few of them

but the LIVER is generally the or-

-In the Kennett Naws and Advertiser, pub

lished at Kennett Square, Chester county, Pa., we find a "Trip Through South Jer-

sey," in which the writer has this to, say of

Atlantic county and May's Landing : From

Hammonton, a place of 2,000 inhabitants,

we drove on to the nest and small towns of

DaCosta and Ellwood and on the Egg Harbor

City, which is now becoming-noted for its

wines. Look in any direction and you will

see grape vines. Raising grapes is the prin-

cipal occupation of the inhabitants, The

population is entirely German and they re-

• • • From Egg Harbor we drove to

May's Landing; stopped at the American

Hotel, an excellent house. May's Landing

is the county seat of Atlantic county, and is

situated at the head of navigation on the

Great Egg Harbor river. It is about one-

third of a mile wide at the Landing. Near

Berlin, about thirty-two miles from here, 1

saw the source of it, a little run, not more

numerous cedar swamps through which it

wild fowls. This is almost a hunter's para-

dise, all kinds of game being found in this

county. There were thirty-two deer killed

here last season, which is limited by law to

only six weeks, there are quantities of all

tain all the customs of their Fatherland.

"Pitti ind Ki-aine."

WEARLIE MARSHE

She wasn't after hair dye, cosmetics, scented soap or any of those gimeracks, but when the druggist had finished turned from the stove and asked :

"Do you keep drugs and medicines and pizuns and so on ?" "Oh, yes, we keep all such things."

"And ki-nine?"

"Yes. we have quinine?"

"Well, I called to see about gettin? some pizun and ki-nine, but I dunno. So many folks have been slaughtered farther off than any other woman in Michigan. Have you ever killed bakin' powder?"

"Never." "Been in the business long?"

"Only twenty-one years."

"Well, you orter know gum 'Rabic from sweet oil by this time, but some brother pizuned by wrong medicine, and I'm a little shaky. Where is your kl-nine !"

"This, is it," he replied, as he took down the jar.

She wet her finger, pushed it into the jar and then rubbed it on her tongue. "Tastes like it, but I dunno. Sure that ain't morphine?"

"Yes, very sure."

"Snre your clerk washed that jar

out clean afore he put the ki-nine in ?" "O I washed it myself."

"If this shouldn't be ki-nine you'd have the law put to you the worst kind. We've got money in the bank, and dollars !"

"I know it to be quinine."

"Well, then, gimme fifteen cents' If I'm treated well I'm a great hand to character of young men of the present deal at one place, but the minnit I see age .- Praise them when you can, and any stinginess or cheatin' a yoke of

it with great care, and then she said : pizun to kill rats.'

"What kind?"

"Why the pizun kind, of course. social chat. Talk agriculture rather replaced at the same distance from the Pizun is pizun the world over. Don't than politics; speak of the importance seem as if you was used to handling of large crops, of good stock, of liberal ieeding, and of the advantage of mak-'em."

"Do you want arsenic?"

"Certainly, but you want to be pownine, and I've nuss'd the sick ever books. Provide these without stint: these three states were to each other as since I was a gal, but I never handle read with them, and give them the ben- the squares of the number of oscillations since I was a gal, but I never handle efit of your experience and criticism. and taking as unity the magnetic force pizun without a chill creeping up my Finally, cause them by pleasant sur- of hydrogenized iron not magnetized;

He handed down the jar, and she "That looks a powerful sight like cream-a-tarter."

"Oh, on-that's arsenic and no mistake.'

take." "Well, I've got to take the chances, 'Well, I've got to take the chances, I 'spose. I'll take ten cents worth--down weight. Any person that will be stingy sellin' pizun will be stingy In other things, and I do hate a stingy

Sowing OATS EARLY. - In few things have the advantages of an underdival soil shown to better effect than in out-

AGRICULTURE.

soils on which the oat does best are of-

ten wet soils, and very unfavorable to early sowing. Those who have strong soils, and yet tolerably dry, have the very best of oat-land, and those who by druggists' mistakes that I'm eana-most afraid even to ask for camfur gum, get in the seed early if they would have the' I sunness I can smell camfar gum the best results. These who Wknow this and yet have land for oats which jects of other colors, such as roses. they feel they will hardly be able to grass, violets, oranges, and so on? And seed before the end of April, sometimes anybody by puttin' up morphine for prepare the land in the fall, and then sow the seed on the snow in February.

Snow in our region is too precarious to found any system thereon. We may

regular thing at that time of the year, we notice that the practice is growing ples. Take first the color red. A solmen are awful keerless. I've had a into favor. Those who have tried it say the seed sprouts as soon as the first conveys to me a very positive sensation

tionately increased. We may not find this plan everywhere feasable, but we may be encouraged always to sow at

the earliest time practicable. TO MAKE BOYS GOOD FARMERS .--- TO

my other sensations. namely, yellow. It is, in fact, a yellow shaded with parents who have boys growing up on the farm, nothing should be neglected black or gray-a darkened yellow, or pertaining to farm life, to make them what I may call yellow brown. I find good farmers. A half-way farmer, that all the most common hues of red like an ill instructed mechanic, or in- correspond with this description, and dolent shopkeeper, never does much in proportion as they are more scarlet

An Infallible Remedy

No longer like Job need the afflicted million cry out: 'Oh, that my grief were weighed and my calamity laid in the balance! Ye are forgers of lies; ye are all physicians of no value." For an absolutely safe, reliable and certain curs for Piles, the most exasperating, painful of all diseases, has been found by Dr. Bilsbes. Half a million of sufferers with piles testify to the virtues of Anakesis. Physicians of all schools endorse it and prescribe it 500.000 persons have need it in all stages an varieties of piles, and none without benefit. Jt has been pronounced the "happiest medi-cal discovery of the age," and Dr. Silsbee, an experienced and scientific M. D. of 40 years' practice, "a benefactor to his race." No rem-edy so simple and yet so infallible as Anakesis for Piles has been discovered. It is a happy combination of the soothing poultice of the English the instrument of the French, and the English, the instrument of the French, and the ourstive medication of the American surgeons. It affords immediate relief from the most ex-cruciating pain, holds up the painful tumors, and ultimately cures the worst cases of Piles. Samples of "ANARUSIS" are sent free to all sufferers on application to the sole manufac-turers, Meesra, P. Neustaedter & Co., Box 8948 New York, Also, sold by druggists every.
