I. H. Wainwright,

Vm. & J. H. Wolsiester,

The product of above vineyards consists of pure brands of the celebrated "Egg Harbor Vines." For domestic use and sick room, they are fast taking place of all others. Attention is directed to our speciality, which consists of the sweet juice of the grape being kept in the contition as it leaves the press, by entirely preventing the usual fermentation, thus obtaining a permanent

Egg Harbor City, N. J.

For this roduct we retain the original name of unfermented grape juice, as it is not a "wine" on account of possessing me spirituous er olcoiolic properties. It is needless to speak of the
delightfulness of this beverage, as all will readity perceive, that it is equivalent to consuming
the delicious grape in liquid form. For invalida
t. has proven most exhilerating and highly
beneficial to which numerous Physicians can
restity. Temperance people can have no objection to the use of Must, and will certainly hall
it as a promoter of their cause.
Churches are
using it for sacramental purposes in preference
to the various boiled juices, as they begin to disover the positive keeping qualities of Must.
Orders will be promptly filled at the following
BATES:

Scientific Spicide.

"I am a miserable man," said Cyrul Maddox, gloomily, "and it is best that the world should be rid of my presence. one cares for me." "Oh, don't say that, uncle," said Lizzie liver, beseechingly. "You know. I love Silver, beseechingly. "You know I love you. You are the only friend I have in the world, and if you were to die what would

become of me?"/ "I suppose young Guy Cheevers would console you for my loss," said Mr. Maddox,

"At any rate I don't care. 'I will end my roubles and sorrows to-morrow at twelve And with these fearful words he strode out of the room, leaving Lizzie sobbing, with her curly black head resting on a din-

"What's the matter now, Bess? Has the milliner disappointed you in your love of bonnet?" asked a warm, hearty voice, which was the property of 'young Chevers," as Mr. Maddox called him—as that gentleman strode into the foom.
"Oh, Guy!" sobbed Lizzie: "Uncie Cyrus gring to die ' to-morrow at twelfe

"How do you know?" taked Guy "He said so."

"But how does he know?" "He's going to kill himself." "So as to make himself a true prop 'a-ked Guy, laughing

"Oh, Guy, don't joke! Lizze, tearfully. 'He will-I know he will "I doubt it!" said Guy skeptically "But he tried to commit suicide several times," persisted Lizzie, tearfully. he tried to smother himself with burning charcoal; but he forgot to stop up the key hole, and I smelt the smoke and got some neighbors to break open the door, and saved him. Then he fried to hang himself, but the cord broke, and he fired a pistol at

himself but he forgot to put any ball in so that failed, and then-"Gracious!" cried Guy, as Lizzie stoped for want of breath; "what a determin-

"But what does he want to make away

with himself for?" asked Guy, wondering-"Why, he says he is a miserable man, burden to every one, and that life has no joys for him, and that he is weary of this

"And so would like to try the next? said Guy. "Perhaps he won't find it as pleasant as the one he is quitting. What an unreasonable man he must be! He is rich, talented, healthy, and has a very pretty niece' - here, in a moment of ab-straction, he allowed his arm to wonder around Miss Silvers waist - "and what more can be want? But some people pever are satisfied: It seems he is determined to pry into futurity, and it seems a pity to disappoint so laudable an ambition; but dutyduty to myself-compela me to interfere.

must balk his little game. "But how?" asked Lizzie, curiously.
"A prudent General," said Guy, haughtparticularly when that army is of the feminine gender-so excuse me; mum's the word; but rest assured, my dearest Eliza-beth, that unless your worthy uncle shuffles off this mortal coil in a surreptitious manner before twelve b'clock to-morrow, he will not do it afterward-of course I mean ilegally. Farewell till to-morrow.'

Having concluded this address, Guy strode off in a tragic manner, leaving Liz-zie greatly surprised, but still reassured, for in her opinion what Guy could not do was not worth doing.

• The next morning Mr. Maddox made his appearance very saturnine and gloomy; and ate his breakfast with a mournful ai

that was terribly impressive. Having tin ished, he then took leave of his niece in a "I am about to leave you," he said, mournfully. "I am about to end this life fore instituting a revival it would be a good morning himself. In New France the host of misery. I hope you may be happy."
"Oh, don't go," said Lizzie, tearfully,

face pleadingly.

Henry the Second, of France, who excelled in every exercise of chivalry, was peculiarly fond of tournaments, and gave a splendid succession of them on the marriage, by proxy, of Elizabeth, to Philip II., at Paris. The lists extended from the Palace of the Tournelles to the Bastile, across the streets of San Antoine. In the first two days the king broke several larices with lords of his court, in all of which he showed extraordinary vigor and address. On the 1559, toward the close of the evening and the conclusion. Henry showed a great in-clination to try his prowess against the Count de Montgomeri, captain of his Life Guards, who had formerly wounded Francis rentin in Beri, and was distinguished for his superior address in these combats above d fool and idiot?"

ever keen his appetite may be he ventures any nobleman in the kingdom. Catherine not to satisfy it without a guest. The de Medici, as if by a secret presage of the "Because, just look at me. and you'll beautiful varnish, and are covered with lists but he resisted her solicitations saylists; but he resisted her solicitations, sayhonor. Montgomeri accepted the chal lenge with great reluctance. Heavy comhis vizor raised; but the authors are not quite agreed whether it was raised intentionally, or flew open by a blow from Montgomeri's lance, in an encounter which was so violent that the count's lance broke

> sion of tournaments in France. Chased by a Water Spoul

threw him to the ground, and deprived him

instantly of both speech and understanding,

though he lived eleven days afterward.

This circumstance occasioned the suppres

tain ordered his course reversed and soon the steamer was driving along with the water spout in pursuit. Its crest was hidden in a dark mass of cloud, its base seem-ing to operate like an immense revolving cullender, while the entire external periwhich the sea bird screamed, occasionally seizing upon the dead fish which came within reach. The spont itself formed a sort of spiral cylinder, streaked with opaque parallel lines through its whole length, from the surface of the sea upward?

These lines were evidently ascending These lines were evidently ascendin umns of water, for afterward, whe upper and lower sections became the accumulated volume of water we hear ine accumulated volume of water systems of immediately began its descent with the body of the spout, as though a lad been the valve of an immense syring. The water thus released must have been equal to several tons, as it was solid ad almost black and returned to the sea with a loud "I am very sorry to disagree with you," said a voice outside the door, "but I can was only sweet milk and pie with me. I'm have a duplicate key here, and if you don't open the door I will."

Mr. Maddox rose and unlocked the door as a little closer. Is it spar ribs and back savagely, and Mr. Guy Cheeves stalked into the room, carrying a bolong box under his arm.

I have a duplicate key here, and didn't know what to do. with 'em. Come to be selicusly in love, I should analyze my horizontally, and then turned upplicate fine to be selicusly in love, I should analyze my horizontally, and then turned upplicate fine to be selicusly in love, I should analyze my horizontally, and then turned upplicate fine to be selicusly in love, I should analyze my horizontally, and then turned upplicate fine to be selicusly in love, I should analyze my horizontally, and then turned upplicate fine to be selicusly in love, I did not care to retain, anything that could not give me a new idea; I disdained all that was useless, but took possession of cartain was in its finest condition lightly lessed.

"Then'I know the gal's your," and, with a slight change in the hoense, the marriage took a seat opposite Mr. Maddox, and star-upocceded.

COMMON-SENSE and the science of chemistry when applied to butter making, reduce the time of churning one-half, increase the product 6 per cent., the quality of the product 20 per cent., and give a rich golden color to the butand give a rich golden color to the but-ter the year round. All these improve-ments, together with many others, re-sult from the use of Gilt-Edge Butter Maker. Sold by druggists, grocers and general storelessing.

HUMOROUS.

An old physician, retired from prec-THE Boston girls are rushing into an East India missionary the formula

New York. A Schlager Duel. It was on April 10th, during vacation and while there were scarcely any students in Heildelberg, I was sitting at my window and saw four or five students go toward the Hirsch Gasse; I followed them, and when I arrived there the men were stripping. All being in readiness, they were let out of others sat on the grass and played the house, each arm being carefully supcards. A citizen, who know that card-ported by the seconds. One of these gentlemen was a student from Munich, the wickedness, halted and said to one of other was a Heidelberger, and the men were placed opposite to each other. Silence was called, and the fight began. The "Ah! my boy, don't you know that lence was called, and the fight began. The you are in a fair way to be ruined?" first round occupied considerable less than "I am, eh!" replied the youngster half a minute, and was finished by the secash held up his hand of cards and onds springing in and terminating the round as he held up his hand of cards and onds springing in and terminating the round as he held up his hand of cards and onds springing in and terminating the round as he held up his hand of cards and onds springing in and terminating the round as he held up his hand of cards and onds springing in and terminating the round as he held up his hand of cards and onds springing in and terminating the round cards are the second as he held up his hand of cards and one springing in and terminating the round cards are the second as he held up his hand of cards are the second as he held up his hand of cards and one springing in and terminating the round cards are the second as he held up his hand of cards and one springing in and terminating the round cards are the second as he held up his hand of cards and one springing in and terminating the round cards are the second as he held up his hand of cards are the second as he held up his hand of cards are the second as he held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand of cards are the second as held up his hand ar because one the schlagers was bent. The second round followed without any result. don't show you that the other boy is The combatants are never allowed to be in mensur more than three quarters of a minute scarcely ever half a minute; these He was taking every 'trick' as the short rounds are done to rest the arms. In the third round the Munich man got a cut on the cheek, "a bluticher," or "a blood," A LADY has been compelled to leave was the cry. The seconds cried "Halt!" have done it better, you could have laid one-half back on one cheek and the other half on the other. After this the Munich man lost his nerve, and every round he only came up to be receiver-general. At last he got a fearful cut behind the head, dividing an artery. Seeing this, the surgeon immediately stopped the deal, after they had been at it seven minutes (fifteen minutes was the time they had to fight).

> never saw the man again. SLEEPLESSNESS 'almost 'invariably arises from a disordered state of the Stomach. Stimulate the organs of digestion, regulate the bowels and thereby produce sound and refreshing sleep. Narcotics and sedatives murder sleep, and such forced and unnatural stupor is soon followed by ill-effects. But Simmons' Liver Regulator will remove the cause of restlessness and sleeplessness by regulating the stomach; thus, by improved digestion—by a regular habit of body—free alike from laxity or constipation-good health will be established, with its attendant blessing,

Brave Women.

The extraordinary courage of the Albanithe town the other day, and was some- an women has been displayed over again what annoyed by a crowd of urchins in the history of the country; but one of following. Turning about and steady- the most celebrated instances was that reing himself, he exclaimed: "What corded of the branch of the Albanian peo-(hic) d'ye take me (hic) for, young ple represented by the Suliotes, when they were besieged by Ali Pasha in 1792. The Suliotes formed a semi-independent confedand let it stand five or six ho .rs, or all its tand five or six ho .rs, or all beggar to a benevolent lady, "I am districts of Margariti, Paramythia and Janeracy, comprising sixty-six villages, in the und. Up to the time of Ali Pasha they prided themselves on the regularity of the freely with pepper, salt, sage, and The lady handed him a dollar, and compayments of their dues to the porte. But sweet herbs. Two cupfuls of buck- passionately asked: "What is it, poor the intrigues of the cuming old Veli, who wanted to get the whole of the spahilik of Suli into his greedy bands, soon roused the people into rebellion, and they commenced their glorious and lengthened war against the far greater resources of the renowned Pashs. The latter, by means of the dupli-

cityloi which he was such a cermonious master, had entrapyed Tzavella, one of the Suliote heads of houses, into his power, and then laid siege to the town of Suli. He endeavored by bribes to induce Tzavella to turn traiter. Cunning here met its match; Pasha's hands as a hostage. He returned town, but no sooner had he arrived than he sent a letter of defiance to the Pasha. Ali, assailed the town, and it was here that the heroism of the Albanian women became gies of valor during the siege. She broke and rushing into the trenches, distributed them among the Suliotes. All threatened to roast alive her son Foto, but she replied that she was young and could have other children, and that she would eat a bit of Cheir. (60 etc.); general collection for Schools the roasted flesh of her son rather than be troy her country.

VEGETINE.

Six Bottles Every Spring BICK HEADACHE. MINNEAPOLIS, Dec. 10, 1878.

MINNIAPOLIS, Dec. 10, 1878.

H. R. STEVENS, Boston:

Dear SIT—I had been trouble dwith Sick Headache as often as once a week for twenty y a up to March 1873, when I thought I would try Vegetine. I took six bottes and have been troubled but very little since. I have recommended Vegetine to others with the same good results. I take a half dozen bottles every Spring, which keeps me all right through the year. By so ding it cleanses my blood and torthes my system against disease for the year.

Your's very respectable. Your's, very respectfully,

J. J. SHERMAN, Dispensing Druggist, 424 Nicolet Av.
