Chestnut Grove Vineyards,

Egg Harbor City, N. J.

The product of above vineyards consists of pure brands of the kelebrated "Bog Harbor Wines." For domestic use and sick room, they are fast taking place of all others. Attention's directed to our apeciality, which consists of the sweet juice of the grape being kept in the condition as it leaves the press. by entirely preventing the usual fermentation, thus obtaining a permanent

For this roduct we retain the original name of unfermented grape juice, as it is not a "wine" on account of possessing mo spirituous or olcoholic properties. It is Leedless to speak of the delignitulness of this beverage, as all will readily perceive, that it is equivalent to consuming the delictous grape is liquid form. For invalidation as proven most exhibitaring and highly beneficial to which numerous Physicians can testify. Temperance people can have no objection to the use of Must, and will certainly hall it as a promoter of their cause. Churches are using it for sacramental purposes in preference to the various boiled juices, as they begin to discover the positive keeping qualities of Must. Orders will be promptly filled at the following BATES:

Must, plr case of 1 doz, bottles
White Wine
Red Wine (claret)

The Lost Children

In a very mountainous part of North fallen fast asleep on the old woman's watering place, rengwyn. The beauty of to tell his prother of their safety, the horality is a great attraction for visi-

Pengwyn in August, and Mrs. | Chetwynd him. So Johanie set forth alone. found them enjoying the sea preezes.

to cry. He pleaded with the shopman, but in vain. He spoke in English unlike many of the poor children who generally talked Welsh in that part. Harold was

ragged clothes he has got on! I think he must be very poor. "And perhaps he is hungry," said Lucy.
"I wish the man had let him have what he

said Harold. "Suppose we give him some, Lucy? I have got a whole-shilling of my "And I have sixpense!" exclaimed Lucy,

to eat

But they still trudged bravely on for some time, Lucy resisting her inclination to cry, but longing for home and her mother, and the bright numbery fire, more

brought comfort to their poor, little hearts. Every moment it was growing darker. Suddenly Lucy cried:—

"I see something moving there, look, Harold!" And assuredly something lightcolored and alive was within a few paces of them. Older and braver hearts than theirs might have beat as fast under the same circumstances. Then came the pleasant sound of a speep's bleat, to their great relief and satisfaction.

"It is only a sheep," exclaimed Harold.
"I wish it would show us the way home. Perhaps we are near some shepherd't cottage, look, look Luey—there is a light over there! I think it comes from a win-

He was right. A hut was there and candle was burning within which guided them to the door. Harold tapped loudly, for poor Lucy's strength was quite fail Voices spoke together inside, and the

door was opened a little way by a boy, who asked what they wanted. We have lost our way on the mountain, and are very cold and thred. Please, may we come in?" asked Harold. "Aye, that you may," said the boy. "Why, it's you, little master and miss!

Come in, do. The boy had recognized Harold and Lucy at once. He was the Johnnie Edwards to

"Granny, this is the little lady and gentleman as gave me the money! "Bless them, pretty creatures!" said the old woman. 'Come to the fire, dears, and warm yourselves. Why the little one is all white and shivering, and her jacket is quite wet. Let me take it off, pretty one, and I'll wrap my Sunday shawl round you." This was almost as quickly done as said Then simple refreshments were put on the table and the children supped heartily. Harold began relating their adventures but ere he had finished speaking, Lucy had fallen fast asleep on the old woman's lap.

Johnnie at once offered to go down to It was a happy day for Harold and Lucy Pengwyn. Every inch of the road was Chetwynd when the doctor advised a some-well known to him. It made no difference what lengthened sojourn at the seaside, after an illness which had attacked their mother in the spring and had left her in a mother in the spring and had left her in a weakened state of health. They went to she woke up and found herself without

was so benefited by the change from their He had not been long gone, however, beinland home, that Mr. Chetwynd decided fore he returned with two men, whom he to stay there far into the animals; and thus had met on the mountain searching for the lills and valleys of South of England presented when almost every other shills and valleys of south of England presented the same outlines as they did now it was that when almost every other children. Mrs. Chetwynd was in the family had left, the Chetwynds still lin-greatest distress, they said, and had des-gered, and even when November arrived patched people in all directions to look for them. So Tucy was aroused from her

laworite rambles on the above. A little boy of about ten or eleven years of age usual hour, she had sent on the above to look for them. Harold from his arror learnt a less on never to be forgotten. He had done what he knew to be wrong in in the abop say to him, "You can't have anymore meas on credit; you must either trary to orders and in taking his little sister of the child looked disappointed and ready to cry. He pleaded with the shopman, confidence. Fortunately neither of them. were the worse for their adventure.

he went to live abroad for some years on on account of his health.

"But he had no money to pay for it," Previous to 1783 there were very few joyfully pulling out a little purse from her mules in this country, and those of such an pocket. "Do call him, Haroli, and let us inferior order as to prejudice farmers against them as unfit to complete with horses in of tame ones, had such a seductive power Made by himself from choice and carefully selected. Grapes, grown in his own and neighboring Vineyards.

The boy was soon recalled, and his delight at the eighteenpence put into his hand was quite great enough to reward his young benefactors. He told them his name best judges and connoisenrs as having a was Johnnie Edwards, that his grandfather RICH, FRUITY FLAVOR, and being was abepherd, and lived far away in a prove to them a sunfit to complete with horses in upon them that, when the strangers went ly there were no jacks and no disposition to increase the stock. But Washington became convinced that the introduction of mules generally among Southern planters would generally among Southern planters would but on the mountain, and that he dwelt with him and his grandmother, as both his work upon shorter feed, and are much less of nature so wrought upon the road or farm. Consequent upon them that, when the strangers went in two out of the three remaining birds. This young benefactors.
