"DON'T YOU DO

Don't part with your money until you know the truth. Interested parties are spreading the reports that MR. JOHN WANAMAKER is not interested in the old and famous OAK HALL Clothing business and does not personally direct. its affairs.

Nothing could be more Untrue!

Mr. JOHN WANAMAKER has precisely the same relations to Oak Hall as in the past

WANAMAKER & BROWN is what it has been ever since Mr. Brown died. 12 vears ago

Mr. JOHN WANAMAKER personally watches over the faithful preparation of the stock of MEN'S AND BOYS' CLOTHING, and the conducting of the store. Nothing is allowed to pass his eye that is not straightforward and true to the interest of those who have . patronized the house for 19 years and depend on its reliability.

From all appearances the year 1880 is to be the largest in sales ever known.

The READYMADE Department is Better Stocked The BOYS' Department is' Better Stocked !! The CUSTOM Department is Better Stocked!!! The SHIRT Department is Better Stocked !!!!

All this will be apparent on FIRST SIGHT! Please call whenever you can and look through this BEEHIVE of a Building, so busy with its Hundreds of Workpeople and Customers.
