MAY'S LANDING, ATLANTIC CO., N. J., SATURDAY, MAY 29, 1880.

LAST NIGHT. trudged down the mountain path, and his eyes kindling with love, as the old farm-house, with its tall gables draped with scarlet runners, came in view. His mother Last night, within the little curtained poon Where the gay music sounded faintly clear, And silver lights came stealing through the sat on the porch, bathed in a rift of ruby sunshine, but he looked in vain for Elsie -Elsie, who had promised to come up the mountain path to meet him. Something like the murmur of voices attracted his attention, and turning into a side path he came upon Elsie and Lewis Walton seated You told the tale that women love to hear You told it well, with firm hands clasping And deep eyes glowing with a 'tender ligh Mere acting? But your power was half d

on a mossy low, with their faces turned Last night, last night, from him. "Elsie-Elsie," the soft, mobstrusive voice was saying. "De wise, and listen to me. You do not love Nathaniel Holt as Ah, you had much to offer ; wealth enough To gild the future, and a path of ease For one whose way is somewhat dark at

the moist ground.

women love the men they marry." "Nathaniel is so good; and he has been New friends, a life as calm as summer sees. And semething (was it love?) to keep us true, like a brother to me since mamma's death,' And make as precions in each other's sight

Ah! then indeed my heart's resolve I knew Last night, last night. Let the world go, with all its dross and pelf Only for one, like Portia, could I say, I would be trebled twenty times myself ; Only for one, and he is far away ; ...

His voice came back to me distinct and dear, And thrilled me with the pain of lo delight; he present faded but the past was slear Last night, last night. others answered, as I answered then,

We should hear less, perchance, of blight lives : re would be truer women, nobler men, And fewer dreary homes and faithle

rough :

W1788. use I could not give all you my best, I gave you nothing. Judge me-was I right? Fou may thank Heaven that I stood the test

Last night, last night. At The End.

"I am so tired!" "The flute-like voice that intered tills pettish exclamation broke through the fra-grant stillhess of the actumnal evening, like a jarring chord in some exquisite melody, and Nathaniel Holt booked pp from his paper with a alight from n on his

from his paper with a slight frown on his or with eyes. "'Nathaniel," she speaks nervously, for her womanly instinct tell her something is wrong, "what has happened; you are bronzed, handsome face. He was tired, very tired, after a day of hard labor on his mountain lands, and had late?"

public in the best manner. All along in the said, "pernaps you can get, inc various lines new and commodious depot have been erected, and at the same time track facilities multiplied to supply busi-mass demands. But he work of the great the said, "pernaps you can get, inc "Can you keep books?" asked Booc keeper Ryan. "No sur?" a magnitude and importance on this line has been undertaken by the Pennsylvania Hailroad Company in building an Elevated Hailroad from their present depot in 5Vest Puiladelphiato Fifteenth and Market streets, Pullada, thus bringing t eir line into the very heart of the city and landing passengers within a tew minutes walk of the principal Hotels and business places of the city. This important work which was commenced in November Jast has been pushed rapidly for-ward during the Winter and Spring months and is now in such a conditt in las to pleted and in operation by the first of De-cember of this year. hilada., thus bringing t eir line into the like a brother to me since mamma's death,"
Invining Elsie, by way of protest, while Nathaniel stood as if rooted to the spot, his breath coming in quick, hot gasps.
"That's is just it, Elsie; you have mistaken your feelings. Instead of the love you should have given him, you will reward his great love—for he does love you deeply with a warm sisterly affection. Ah! Elsie think in tune -I love yeu, as I have never loved before, and, Elsie, you have mistarm around her alender waist, and drew Elsie's happy face to his bosom, and covered the warm, red lips with kisses. Nathaniel Holt flew from the spot, like a hunted deer. The weins on his temples stood out like whipcords, and dry, voice-less sobs broke from him, as he sank down

rant the benef that the Line will be (com-pleted and in operation by the first of De-comber of this year. The Elevated road starts from a point near the Western end of the passenger aleds at West Phila depot and, runs on a drect line with Filbert Street to the river, crossing the Schuylkill just north of Market Street on a three span iron bridge, 454 feet in length, which will be built to accommodale two passenger and one freight track. The road is carried over the Gras Works property and at 22d St. leaves Filbert ad turns into the property lying between Filbert and Jones Sts., which the Penn-givania Railroad Company recently purless sobs broke from him, as he sank down on the mossy turi, and buried his face in the cedar spears that lay an inch deep on rivania Railroad Company recently pur-cased for this purpose, thus providing apple room for eight tracks between this point and Filte-nth street.

When his passion of grist had spent itself, he arcse and turned into the path that led homeward, feeling very much as if he had stood beside Elsie Marian's grave and saw her laid in it. His face had grown white and hard and stern in that short but bitter stringgle, and the brown eyes were full of grist too down for tears. He srew The road will be constructed in the best psaible manner. From the bridge to wenty second street it will be supported wrought iron pillars eighteen inches dameter, placed on stone foundations, from that point to the depot the road bed will consist of a series of brick arches resting on solid stone foundations, there being about twelve of these arches to a square and the railroad being carried over all the intervening street crossings and being so constructed as not to interfere with travel

The new depot will be built to face the Hablic Buildings, and will extend back to Sixteenth street. It will be made to ac-commodate both the passenger and freight hasiness of the Company, giving largely in Over one them.

np. Got your instrument hand?? "I'll get it in a minute," cried the young man, and darting out he returned in a mo-ment with a green ling. After a prelimi-nary scrape or two, "Lannigan's Ball" was drawing a multitude of flattened poses against the glass dor. All is an address the side of the second s No, sir,' replied the pleasant cian. 'That's a pity;' said Mr. Barnes, 'What a barn burner with the fiddle you'd be if you'd only had education. Do you be if you'd only man like to travel?
