ditor of The Record:

DGAB SIR:-I could not but admire the auty of your town while I was there Decortion Day. It is one of the finest inland owns I have ever had the pleasure to visit and its close proximity to the greatest seaside resort in the world, and with its beantly ful lakes, river, drives and woods, the only wonder to me is that more enterprise is no hown by your citizens. There is the fines slace for a Winter hotel that I know of and you would get trolley connections, and ] elieve that you will in the not far distan uture, I see no reason why the town as a ummer resort would not do well. I assure you if I could secure a suitable residence for the Summer I would spend a Summer with you and when you get a trolley line I be-

Young women may avoid much sickness and pain, says Miss Alma Pratt, if they will only have faith in the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM: - I feel it my duty to tell all young women how much Lydia E. Pinkham's wonderful Vegetable Compound has done for me. I was completely run down, unable to attend school, and did not care for any kind of society, but now I feel like a new person, and have gained seven pounds of flesh in three months.

"I recommend it to all young women who suffer from female weakness." - MISS ALMA PRATT, Holly, Mich.

#### FREE MEDICAL ADVICE TO YOUNG GIRLS.

All young girls at this period of life are earnestly invited to write Mrs. Pinkham for advice; she has guided in a motherly way hundreds of young women; her advice is freely and cheerfully given, and her address is Lynn, Mass.

Judging from the letters she is receiving from so many young girls Mrs. Pinkham believes that our girls are often pushed altogether too near the limit of their endurance nowadays in our public schools and seminaries.

Nothing is allowed to interfere with studies, the girl must be pushed to

the front and graduated with honor; often physical collapse follows, and it takes years to recover the lost vitality,-often it is never recovered.

#### A Young Chicago Girl Saved from Despair.

"DEAR MRS. PINKHAM: - I wish to thank you for the help and benofit I have received through the use of Lydia E. Pinkham's Vegetable Compound and Liver Pills. When I was about seventeen

years old I suddenly seemed to lose my usual good health and vitality. Father said I studied too hard, but the doctor thought different and prescribed tonics, which I took by the quart without relief. Reading one day in the paper of Mrs. Pinkham's great cures, and finding the symptoms described an-swored mine, I decided I would give Lydia Pinkham's Vegetable Compound a
