-Leittle Leggong in Patrioticm

While there is little doubt that the most critical one for every department him that in view of their long friend-

the Congress has

to be determined in the measures of rather the reconstruction was that of the to lo

basis of representation more as States who had joined the Thaddeus Stevens had propose representation should be appe according to the number of legal ers. James G. Blaine, who had ready been noted for his fairness seeing both sides of the Southern ques tion, strenuously objected to this properties osition and urged that population in stead of voters, should determine the ostenta apportionment. So insistent was a clady car-

these States might, by their own ac' Letter in Philadelphia Press.

tion, re-establish civil government. Time has shown the wisdom of the course of Blaine as right showed the ed it to Congress,

An interesting addition to the course of instruction in the public schools or informed that a warrant had been is-vienna is made by providing classes sued for him and that he might con-in four districts to rovercome the de sider himself under affect and he was fects in speech of children who stptter. The length of the course is five, weeks and instruction is given during after him? The farmer asked the na two hours of each weekday. The ture of the charge, and was told that number of pupils to each class is lime litewas disturbance and that the fine ited to eight. The children are to and costs would be \$14. The farmer withdraw from other school attender telephoned back that he was too busy ance, as it is essential that they de to quit work, but would plead guilty course for the cure of stuttering.

There are not many people whose risits are as interesting as a continued story in a ten-cent magazine.

woman is lost.

WHAT HIS JOB WAS WORTH.

Corporation Official Given Plain Hints Some months ago an officer holding an important executive post in one of the greater corporations received a kindly, almost neighborly, call from one of his fellow directors. This officer had returned from a brief vacation trip. The fellow director said to ship and their respect and admiration each for the ability and achievements of the other, he was going to speak it is certain that the somewhat plainly to that officer. Then he put this question blundly to him: "What would you be willing to pay

Upon the laws) what to make of it. He saw: of course, rived he's mounted the throne and that there was some kindly, although we're his humble, obedient subjects. passed by Congress thidden, purpose in the question, and the entire future of the country, both the country, both the inquiry the spirit fir which the inquiry and the south depended.

JAMES C. BLAVE. The first question the property of the would the be determined in the spirit first question to be determined in the spirit first question the property of the spirit first question to be determined in t

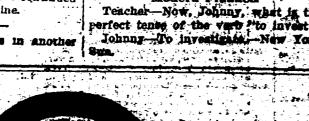

pay, and st give un dat be abuse upon his plan that, although Stevens pances, not easily with was really the leader of the House, his automobile he must be careful to Blaine succeeded in securing the adoption all the appearances of propriety; tion of his plan embedied in the four be must do all things that a sober-

teenth amendment.

Again, in 1867, when Stevens report do, and If his disposition led him to ed the reconstruction bill that divided genteel dissipation, riotous living or to the Southern States into five military, estentiation, then the giving up of districts, and that practically established military government in them, have to pay if he desired to keep his Blaine opposed the measure, declaring office. And the reason why that price that he was unwilling to support a was exacted was that as officer of a measure that would place the South corporation in which the public has in-under military government, it is all vested heavily he must necessarily not at the same time prescribe the heed public opinion, even in the con-conditions under which the people of duct of his private life. New York

The Convenient Telephone The rural, telephones are making a change in farm life. A Shelby County (Kansas), farmer got into anouble in town the other day. Later he was called up over his rural elephone and asked by the officer if he would come into town or would be have to come vote themselves exclusively to the and send the money by the rural carrier the next day, and he fid
