BARTLETT BUILDING, ATLANDIC CITY, NEW BREEK

Just a rovin' an' foamin' an' worthless scaling-An' that on th' slet's all that's left o' him, An' all that they know is, his name was Jim; But'I kinder suspect on th'e other shore There've recorded his name, an' a hull lot more

"It seems that th' feller was stealin' a ride. On Number Four's cowcatcher, there outside, When th' engineer saw in th' dusty whirl, Th' stoopin' form of a tiny girl Who was pickin' up coal with might an' main, Her mind on ner work an' her back i' th' train,

"God help me!" he cried, as he threw his weight T reverse th' lever-but all too late. For a form was struck, an' a feeble cry Reached th' engineer as th' train went by, "I've killed th' gal'- an' his eyes were dim With tears, as th' train went back f'r-Jim

Th' tramp was livin', but good as dead. "I saved th' gal-I'm-Jim!" he said; T pushed her away fr'm th' track, an' say, L'must 'a' slippe'd-an' lie passed away; An that on th' slab's sti that's left o' him-He was only a tramp-just a tramp-called Jim."

### A Mysterious Disappearance

HEY were Damon and Pytolas in their friendship—were Nate Morgan and Tom Dolliver, of

the old company." The llove," said their old captain. were born in the same neighborhood, frew up there, went to the same school, were in the same classes, and when they were young men chose for sweethearts a pair of sisters, so that her might be in close touch with one

They were twenty when the big war came, and promptly enlisted in the swife company. "They lived in the same tent

"When one was ordered on picket the other volunteered to go for some one else, test they reparate. "If there was a game of cards, fuer were always partners; if one was

On next Tuesday the primary election or all parties throughout the State will regulating the primaries will probably who have paid no regard to the party tions managed in the old way.

The primaries will be managed much the general elections are, with official liots, ballotboxes, registry lists and books. Two members of each arty will sonduct the election ave charge of the ballotboxes and have what to challenge voters offering to ote their respective tickets. Only regisvoters and those who have the ght to yete at general or local elections ve the right to vote at the primary. oted for and to elect party candidates rectly, and without convention.

official primary ballot contains names of candidates for the position delegate and municipal office whose didacy has been previously indorsed nahip clerk. Each voter on entering room receives the official ballot he d to vote, returns to the booth, pr his ballot and deposits it in the thox of his party.

Commelity of the proceeding digital

ion of the law by the election offior others insure, so far as legal pro tions can, a fair election, and will minish the number of contests for deles' seats in the nominating conven as. The regulations of primaries are more complicated than those govern general elections, and can be readily stood by intelligent voters.

PRELIMINARY TO PALL CAM

Republicans Have Filed Forting tique for Township Officers Damo rate Have Filed Hominations fo Delegates to Cogyenties Only The primary election next Tuesday, Idil ilminaries to the Mayumber balloting, option so the last this species much be I the suboud Theolay in Succession from this p. m. Its object is to elect delegates t party sonventions to nominate dandidates to be foted for in more than one ward of townand to elect party candidates directly and without convention where the candidates will be votes for in but one ward or town-

The Republicans of this township have nominated a full ticket and there is no opposition within the party ranks. The Demo erate have filed nomination for deligates the County Convention of their party only and in consequence the Republican candidates for the Township offices will be unopposed at the Fall election.

The Republican nominations follows for lelegates to the County Convention, Mesers. Shepherd B. Hudson, Charles H. Baulsberry, Roy E. Beach; Chosen Presholder, Lucien Carson; Township Committee, Joseph Bauer; Township Clerk, Edward C. Fitch; Commissioner of Appeal, Lewis W. Oramer, Surveyors of the Highways, James Duberson, Howard Rumsey; Poundkeepers, Ansel B. Crowell-John Schussler; Appropriations: Roads, \$3000 Street Lighting, \$1500; Township Purposes, \$500; Poor, \$100; Premiums, \$100; Decorating Roldiers Graves, \$25.

The Democratic nominations for delegates to the County Convention are: Harrison Chompson, Henry C. James and John C. Troub.

ennrylvania Raiiroad Mountains Schedule During the month of July the Pennsylvain Special arrived in Chicago exactly on the inute of its schedule every day. The Eastound Pennsylvania Special arrived in New York on schedule time twenty-three days. The average detention on seven days was less than ten minutes due entirely to conditions for which the train crew could not be held responsible. The greatest breach in the hedule was on July 14, when the Special was held up behind a freight wreck, which blocked all four tracks on the Middle Division, en tailing a loss of two hours and twenty-two minutes in the regular arriving time at New

It is difficult to find a match for this record t demonstrates that the schedule has sumcient elasticity to take up any ordinary de entions which may occur between termini, and that even a faster regular schedule may be made should it be deemed wise. The fine ogndition of the roadbed, the efficient motive power, and skillful operation all contribute to the case with which the Special accom

plishes its work.—New York Tribune. Notes of the National Game. The local Association will journey to Egg Harbor City this afternoon and do battle with the crack team representing that city in the second of a series of three games for the County championship. Egg Harbor has one ictory to her credit and if the local Associa-

tion wins this afternoon the third and final

game for the honor will be played on neutral

grounds. An interesting and exciting cono'clock, prevented the playing of the game Saturday afternoon at Pastime Park. Despite the inclemency of the weather there was a fair attendance. After waiting for one hour for the players to arrive Manager Wilson

called the game off. In Memoriam.

numble submission to His Bevine will; it is urther Resolved. That these resolutions be spres upon our minutes and a copy sent to the bereaved family and published in the MAY'S ANDING RECORD and our charter be draped for the period of three months.

THOMPSON G. HOOVER, Committee. John Abbott, Lewis W. Cramer. May's Landing, N. J., Sept. 1, 1926.

Bridge Tenders for Meadow Boule

vard. Bridge tenders for the new Meadow Bout vard were elected by the Board of Freel tolders at the regular monthly meeting in 8 mith's

Landing Wednesday. John R. McCracken was named to look a fte the bridge across Beach Thoroughfare at a salary of \$22,50 per month. Leonard Gifford will have charge of the drawspan auross Broad Phoroughfare, at a salary of #35 per monti The matter of building shelter houses for the use of the bridge tenders was discussed. The question of placing safety gates at the bridge esprosches was also considered.

Factory Laws in Pamphiet Form. The State Department of Labor has compiled and is circulating a 28-page pamphlet eachers' meeting for this afternoon at 8 containing the laws relating to factories, orkshops and bakeries in the State. It contains in full the new factory law pessed by the Legislature of 1904, which or ated the Department of Labor, and also gives the amendment relating to bakeries passed last Winter. The amendment went into effect July 4 last.

Copious marginal annotations are given and a thorough index completes the booklet

Republicans Are United. Harmony and unity will mark the precee ings of the Republican County Convention which will assemble in Aurora Hall at See Harbor City next Wednesday morning at 1 o'clock for the purpose of placing in possing tion candidates for County Clerk, Sheriff seembly and Coroner. Nowhere in the County is there the slightest discord and the dications are that the nomination of Lewis P. Scott for County Clerk, Smith R. Johnson for Sheriff, Thomas U. Rivins for Assembly and George W. Senft for Coroner will be

made with one accisim.

The Secret of Success Forty million bottles of August, Fi '9W old in the United States alone since it treduction! And the demand for it is still growing. Isn't that a fine showing of was! Don't it prove that August Flower had unfailing success in the cure of india tion and dyspepsis -the two greatest enemi of health and happinems Does it not affor the best evidence that August Flower is sure specific for all stomach and intestina disorders -that it has proved itself the bea of all liver regulators! August Flower has a egring the alling mill

the dred James Rooth, a yoling relives the feelth, made a mile a minute trip from this city to the Reeding Terminal Wathenday. Booth injured himself by diving to co shallow water on August St. the first day of a week's vacation. He remained in the City Hospital until it became certain that he would die Then he asked to go home. The doctor said it was a dangtrous and almost foolbardy race against time, but the attemps was made. raidian and a nurse from the Medies-Intrurgical Hospital, Philadelphia, accom sined Booth, who was laid on a water nilated bed. At the Reading Terminal the injured man was transferred to the Manch hunk train, and started home. On the train vere also his father, William Booth, three

rothers and four sisters: Park, was here recently witnessing a test at the Bienheim, the addition being erected to the Bienheim, the addition being erected to the Mariborough Hotel, of a company beam of Sixth Rational Bank of Paliadelphia and his devising, which he ernects will eventually upplant steel beams in the penstruction of uses. Mr. Edison said that he believed a ompany would eventually beerganized, with capital of about \$100,000, to make and keep stock the moulds for the erection of dwellnge of various designs by the process imply pouring the coment into them and then removing the moulds; and that by this rocess a house of the Italian villa style mid be completed for \$700 or \$800 in two ours' time. The great inventor also declared that fifty years must elapse before serial navgation would be accomplished. "We don't now enough yet; we have a thousand disoverles to make before we can secure serial motors of sufficient power and compactness. mobiles Mr. Edison was equally em "Those selling new at \$2000 will be phatic. selling for \$600 or \$600 within the next five

Insure with A. H. Phillips & Co., 1985 ntic Avenue, Atlantic City, N. J.-Adv. With the beach to themselves and but few pectators to grumble at delays, the auto racing colony here Wednesday morning attempted another onslaught on Father Time.

Conditions were most inviting, but the word-failure had to be accepted after a score of attempte. The best time made was by Campbell in his imported them and was by Campbell in his in his imported them and was by Campbell in his in his imported them and was by Campbell in his in his imported them and was by Campbell in his in his imported them and was by Campbell in his in his imported them and was by Campbell in his in his imported them and was by Campbell in his in his imported them and was by Campbell in his in his imported them and will be cut out by a sale under the foredount because it is all lead in his that you hold a mortage mentioned them and the promises overed by a sale under the foredount because it is all lead in his that you hold a mortage mention of the firm of Joseph M. Delaney, Trank in the promises overed by a sale under the foredount because it is all lead in his that you hold a mortage mention of the firm of Joseph M. Delaney was because the promises of the promises of the firm of Joseph convinced Christie that his bine racer had not the out out by a sale under the fore recovered from Tuesday's liiness. He was bligg terly disappointed to lose this fant chance of establishing a record, especially as he announced his intention of giving up the dangerous sport, in which he has been such a prominent figure, though he and his me- PIECUTORS' AND ADMINISTRATORS' night and thought they had found and restilast Saturday afternoon until nearly five fled the trouble. But the trip to the course caused the carburetter to weaken again and between Vineland and the Association last | 80 Christie was forced to retire, leaving the fight against time to his more fortunate rivals. Campbell made his mark of 389-5 on his second trial, but could not get below a in any subsequent event. Ford made his best time on his third trip, doing the mile in \$ 1-8 seconds. If the two had reced on this mile the competition record of it i-b, made in Florida last Winter, would have been amashed

but, unfortunately, the triels were all apart of by the little Ford showed plainly the forther trials were useless. In explaining the failure to beat the Cape May record, 10 Bucier, one of the official timekeept that there were two explanations. that the limit has been reached for a track soaked twice a day by tide," he said "The other is that the continued damoness stace ast Saturday has effected the engines of the racers. Perhaps they might do better on a dry track, but that remains to be seen."

City Versus Country Eyes. Is one of his delightful books Dr. Jessepp remarks that whereas country people look up Londoners look down. It is largely this habit that has limited their observing powers, but Lendon has itself to blame. I take to that one can observe well only by the power of taking large views, and he GRIDAY, THE TWENTY-NINTH DAY OF London this is impossible, even if one would, partly from the circumseribles effect of bricks and morter, partly from the dir light of a London die lattate certain lot or pleos of land and tance and partly from the need of anti-lie, county of Atlantic and State of New avolding comploate Cues eyes unconsciously acquire a unbit of restricted vision; our observation specializes, like that of the little girl in Mrs. Meynell's book who Leguiled the todium of her walks by correcting shopker pers named Jones. Perhans that is the kind of observation for which we in London are

best suited.-London Outlook. Woman's Locie "Yes my father made me give his

np. He isn't any good at att." "Is that so, dear?" "Yes, indeed. Why, even the neighbors said he was worthless. He dissipates and is horrid." "You don't say?"

"In fact, I hate him." "Gracious! But have you heard that he is to be married to Belle?" "What? That Belle? Wag, what or earth does a nice roung man like him want, with such a girl as Belle? I am surprised."—Columbus Dispatch.

Any collection that Mrs. John Drexel undertakes to make is bound to be worth looking at and the assort ment of pendants which she has re cently gathered proves to be no ex ception says the Philadelphia Press. So beautiful are many of the specimens that there is often a suspicion ly greenish gifter in the eyes of he friends who are privileged to behold them, which is not due to the reflec tion cast by jade or emeralds, either. Some of them are plain gold, valuable for their various chasings, while others are fashloned as flowers, with petals of tinted enamel and jeweled centers. On one little purple velvet custion, lying peacefully side by side is a Japanese figure carved in jade represents a possent in sabota pushing wheelbarrow filled with little blue stones. This Mrs. Drexel picked up in Russia Pendants are perhaps the most favored form of jewelry this season, so this collection, besides being a delight to look upon, can be put to gractical purposes, providing the wear ing of such jewels can come within

the meaning of a practical purpose. Measure of His Success. "But he's the author of a success novel, I understand." "Not exactly. He's the successful author of a novel."
