TRY THIS TEST

And see if your Kid are Diseased.

A very simple way to determine your kidneys or bladder, as diseased is to put some of your urine in a glass tumbler and let it stand 24 hours; if it has a sediment or a cloudy,ropy or stringy appearance, it is a sign of disease, you do not need a physician to tell you that you are in a dangerous condition.

Dr. David Kennedy's Favorite Remedy speedily cures such serious symptoms as pain in back, inability to hold urine, a burning stinging pain in passing it, frequent desire to urinate, especially at night, and the staining of linen by your urine.

The Rev. Aaron Cook, D. D., pastor of the M. E. Church of Rinecliff, N. Y., says: "I most sincerely believe that Dr. David Kennedy's Favorite Remedy is the best kidney, liver and blood medicine made, and I most earnestly recommend it for I know by experience it will do all that is claimed for it."

"Favorite Remedy" is a vegetable help to the stomach and bowels in performing their duties properly. It overcomes and removes all kidney ailments, including biliousness and rheumatism. It is absolutely harmless and purely vegetable. It contains no narcotics or minerals in any form, no dangerous stimulants, no mercury or poisons, and is the only kidney medicine that does not constipate.

It is for sale by all druggists in the New 50 Cent Size and the regular 1.00 size bottles—less than a cent a dose. Sample bottles—enough for trial, free by mail. Dr. David Kennedy Corporation, Rondout, N. Y.
