THE LIFE OF THE AGRICULTURIST. The life of the agriculturist, as well as that of the farmer, is a life of struggle. It is a life of constant effort...

THE LIFE OF THE AGRICULTURIST. The life of the agriculturist, as well as that of the farmer, is a life of struggle. It is a life of constant effort...

CONCLUSION. In conclusion, I would say that I have endeavored, in an short and simple manner, to give you some practical advice...

WHAT MAKES A FARM VALUABLE. A FARMING PROFITABLE. Farming is a business, and as such it should be conducted on a business basis...

CHARCOAL DUST - ITS VALUE. All farmers are interested in the value of charcoal dust. It is a valuable fertilizer...

IMPROVING LANDS - DO NOT ATTEMPT TOO SOON. A great fault with all American farmers is that they improve their lands too soon...

GOOD ADVICE. The Portsmouth Gazette published a letter from a farmer, from which we make the following extracts...

TRUE INDEPENDENCE. The man who has ten acres of fertile land may be a true independent farmer...

PLANTING FRUIT TREES. The first care of the beginner should always be to plant choice varieties of fruit trees...

STABLE PRODUCTIONS. The farmer and his wife will find it in the order of things to have a few chickens...

OLD CHARCOAL REEDS. Many of our citizens have upon their premises a few old charcoal reeds...
