And your petitioners further show that their testate did not execute any of the bonds secured by mortgages on the aforesaid premises, with the exception of the bonds of \$800.00 secured by a mortgage on property No. 3972 Myalising Avenue, Philadelphia, aforesaid, and of \$1000 secured by mortgage on the above described Hammonton property.

And your petitioners further show that the mortgages on all of the aforesaid properties are now due and that the mortgagees have demanded and are pressing for payment on five of said mortgages, to wit, mortgages numbers 2, 3, 4, 5 and 8, and that the mortgage of property No. 3972 Myalising Avenue has commenced foreclosure proceedings on his mortgage and that your petitioners are without funds with which to pay the said claims of said mortgagees; and your petitioners fear that unless an order is made by this honorable court permitting your petitioners to sell sufficient of the lands of the said testator to pay off the said mortgages, the said mortgaged premises will be sacrificed at a forced sale under said foreclosure proceedings. And your petitioners request the aid of the court in the premises and pray that an order may be made in manner and form as required by law requiring all persons interested in such lands, tenements, hereditaments and real estate to appear before this court to show cause why so much of the above described land, tenements, hereditaments and real estate whereof the said William F. Vernier, deceased, died seized, as aforesaid, should not be sold as will be sufficient to pay the residue of debts of said testate.
