Atlantic County Orphans' Court

In the matter of the estate of Louise Beck, deceased

An appearance of an order of this court, made in the above matter, on the twenty first day of July, in the year nineteen hundred and nine, directing the subscriber, the executor of the estate of Louise Beck, deceased, to sell certain lands of the deceased, in the said order particularly designated and described, to be held report, that said order, that the said lands and premises would be exposed to a great public vendue on the fourth day of September, A. D. 1909, at two o'clock in the afternoon upon the said premises, by public notices, signed by myself, and set up at five or more public places in the county of Atlantic, one whereof being the city of Egg Harbor City, in which the said real estate is situate, at least four weeks before the time appointed for selling the same, and also by publishing said notices in the "Beck" and "Egg Harbor Pilot" two of the newspapers printed and published in said county of Atlantic in which the said real estate is situate, of which one was a newspaper published in the city of Egg Harbor City, for three weeks successively, each in each week, next preceding the time appointed for said sale.

I did with the report, that at the time and place so appointed and advertised, I did expose the said lands and premises to a great public vendue, to the highest bidder, and Henry W. Buder, then and there bidding for the same the sum of six hundred and twenty five dollars, and no one else bidding so much or more by the same, the said tract of land and premises was thereupon struck off, and sold, in me to the said Henry W. Buder at the price aforesaid.

Respectfully submitted this 25th day of September 1909

William H. Beck

Charles Carl of full age being duly sworn according to law upon his oath deposes and says that he is actively engaged in the business of selling and buying real estate, and has been so engaged for more than five years past in the city of Egg Harbor City.

That he is familiar with the value of real estate in said city, and that he is familiar with the value of the property situate on the corner of St. Louis avenue and Arago street between the property of Louise Beck now deceased that he has made inspection of the premises for the purpose of furnishing this affidavit, and that he considers the value of the premises to be about six hundred and fifty dollars, and that the same would bring much less at a forced sale, and that the price of six hundred and twenty five dollars for the said premises at a public sale is a fair price for the said premises.
