It was the discontent of the farmers which caused the Democratic visionies of two years ago. Tho Weekly Tribano, addressing itself directly to them for the last two years, has carried on a campaign of dis-cussion for their benefit, almost unparallelal in American journalism; and the result coupled with Whitelaw lied's provious great service to farmers, has been seen in the inct that agricultural communities have stood faithful to the Republican party, in a cam-paign in which, in other localities the party went completely to pleces. This year, the Democratic leaders changed their tactics and excited discontent among workingment. They pointed to the higher cities that the British tariff system
