HAMMONTON, N. J., FEBRUARY 9, 1895.

NO. 6

TO ALL OUR PATRONS GREETING!

We hope the year 1895 will be the most prosperous of any they have yet seen:

And we shall endeavor to do our part to make it so.

In these days of sensational advertisements, we believe square dealing to be better than unfulfilled promises; and as most people buy their goods from dealers who give them the best value for the least money, we propose to continue our efforts in that direction.

To Cash Customers

we are making liberal concessions.

Cycling News.

A. A. Hansen, of Minneapolis, rode 21,063 miles during 1894. But one set of tires were used the entire season. This is the record for total years' mileage.

There is some talk of extending the stone road, now under way as far as Berlin, across Atlantic County to Atlantic City.

The lightest full sized wheel at the N. Y. Show weighed 7 1/2 pounds all on, and although only built for exhibition purposes a man weighing 270 pounds is said to have ridden it.

The larger manufacturers evidently believe that the "Rational" costume has come to stay, as most of them are making special "Bloomer" wheels for ladies. Briefly, they have a diamond frame about 20 inches high, 26 inch wheels, special saddle and handle bars and weigh ready to ride from 18 to 23 lbs.

LOST.—By a novice, in his first race, his head. Liberal reward will be paid for the return of same to owner.

An experiment with ball bearings was recently made at Toronto, Canada. A street car fitted with ball bearings was drawn a distance of several hundred feet by three strands of ordinary sewing thread. A carriage manufacturer put another style of ball bearings on the axles of a coach ordinarily pulled by four horses. A trained dog was hitched to the pole, and he drew the coach around the yard with little effort.

We need a modern quarter or third of a mile track. It must be located as near to the railroad stations as possible.

both for the convenience of the public and the men who are training. No town of its size can show as many promising riders as Hammonton, and with the lighter wheels our boys will ride this season a still better record will be made. All that is needed is the right sort of track to enable us to hold as good race meets as anywhere in South Jersey.

An exchange makes the following astute comment on girls: A girl's taste differs according to age. At sixteen she wants a dude with toothpicks shoes and a microscopic moustache; at twenty, a chief justice with a pile of tin; at twenty-five she'll be satisfied with a member of Congress; at thirty, a country doctor or printer will do; at thirty-five, anything that wears pants.

AN ORDINANCE to authorize the Delaware & Atlantic Telephone & Telegraph Company to establish and maintain a Telephone Exchange in the Town of Hammonton, and for that purpose granting them the privilege to erect and maintain poles and place wires thereon, in and along and upon any street, lane, or alley in said Town. Provided, however, that the erection and location of said poles shall be under the supervision of the Highway Committee of the Town of Hammonton, and provided, that the Delaware & Atlantic Telephone & Telegraph Company shall be held responsible for all damages accruing from the erection of poles or the stringing of wires, or for any cause growing out of the erection and maintaining of the said Telephone Exchange in the said Town of Hammonton.

Sec. 1. Be it further ordained and enacted, That the Town of Hammonton, in granting the privilege above named, does hereby reserve for itself the right to place wires on the poles that may be erected by the said Telephone and Telegraph Company, and that the wires placed on the poles by said Town shall be used by the Town of Hammonton for fire alarm purposes only.

Sec. 2. And be it further ordained and enacted, That the said Town of Hammonton, in granting the privilege above named, does hereby reserve for itself the right to place wires on the poles that may be erected by the said Telephone and Telegraph Company, and that the wires placed on the poles by said Town shall be used by the Town of Hammonton for fire alarm purposes only.

Sec. 3. And be it further ordained, that this Ordinance shall take effect immediately. Ordained and enacted into an Ordinance at the Council Chamber, on the 21st day of December, 1894.

WM. BERNHOUSE,

Chairman of Council.

A. J. SMITH, Town Clerk.

A Des Moines woman who has been troubled with frequent colds, concluded to try an old remedy in a new way, and accordingly took a tablespoonful (four times the usual dose) of Chamberlain's Cough Remedy just before going to bed.

The next morning she found that her cold had almost entirely disappeared. During the day she took a few doses of the remedy (one teaspoonful at a time), and at night again took a tablespoonful before going to bed, and on the following morning awoke free from all symptoms of the cold. Since then she has, on several occasions, used this remedy in a like manner, with the same good results, and is much elated over her discovery of so quick a way of curing a cold. For sale by druggists.

The Weather:

Special Forecast for New Jersey.

Lower temperature, heavy frosts, and high thin winds, are predicted for South Jersey, especially in the vicinity of Hammonton. Vessel owners, landlords, farmers, business and professional people would do well to make immediate provision for cold wave, purchasing stoves, ranges, and heaters from S. E. Brown & Co., whose goods

are known to be the best of their class. All stations in territory described will continue to display cold wave signal till further orders.

Every now and then the locks on the coal bins at the Roodale school are broken open. Cannot the people of Roodale keep a watch for the parties. The District Clerk offers a reward of ten dollars to anyone who will give information that will lead to the conviction of the parties. It is burglary, and means a heavy punishment if the offenders are caught.

Mrs. Ann Brown died on Thursday last, Jan. 31st, at the residence of her daughter, Mrs. E. A. Miller, aged nearly 94 years. Mrs. Brown was stricken with paralysis about four years ago, and when recovering, fell, receiving injuries which rendered her helpless and a great sufferer. Funeral services were held on Monday, conducted by Rev. Mr. Weston.

Our town election will take place on Wednesday, March 13th. There are to be three Councilmen elected, in place of Messrs. Anstin, Cunningham, and the late Mr. Drown; Town Clerk, Collector and Treasurer, Assessor, in place of Chas. F. Crowell, Overseer of Poor, Overseer of Highways, Commissioners of Appeals and Pound Keeper. You can be thinking on the subject, and make your choice of candidates. There will probably be two or more party tickets.

Last Saturday brought us a fine addition to our snow-making excellent sleighing. Sunday was pleasant but cold. Monday brought more snow. On Tuesday it grew very cold towards night, and at six o'clock Wednesday morning mercury stood at six degrees below zero, the coldest snap we have had for many years. Frosted cars were not uncommon and every man had a florid complexion. Being unusual, we felt it the more, so did our coal bin. Thursday was not quite so cold, but snow commenced falling accompanied by increasing high winds and by night every one anticipated a repetition of the blizzard of 1885. Friday morning the thermometer registered zero, with the wind blowing a gale and driving the snow into impassable drifts. Trains were several hours late and business generally crippled. Factories found it impossible to heat their workrooms therefore were compelled to shut down. For the same reason the pupils in Central School were sent home during the forenoon.

At the adjourned meeting of the Workmen's Loan and Building Association, Monday evening, M. L. Jackson resigned the presidency; G. F. Osgood was nominated to fill the vacancy; this left a vacancy in the Board of Directors, and John Murdoch was nominated; M. L. Jackson and Wm. H. Bernhouse were nominated for Secretary. L. Montfort, Wm. Colwell and John Dilger were tellers. The ballot resulted in the election of Messrs. Osgood and Murdoch; for Secretary, the tellers reported as follows: Jackson, 32 votes; Bernhouse, 28 votes; but Mr. B. had thirty additional votes by written proxies, properly signed and sealed, which the tellers declined to receive, thus declaring Mr. Jackson elected. Mr. Bernhouse gave notice that he should take proper steps to secure a legal decision as to the legality of the proxies offered by him. This will leave J. C. Anderson as Secretary until the Court settle the disputed question, which is an important one for this and other Associations.

Mrs. Emily Thomas, who resides at Toledo, Washington, says she has never been able to procure any medicine for rheumatism that relieves the pain so quickly and effectively as Chamberlain's Pain Balm, and that she has also used it for lame back with great success. For sale by druggists.

O. W. O. Handman, Sheriff of Tyler County, West Va., appreciates a good thing, and does not hesitate to say so. He was almost prostrated with a cold when he procured a bottle of Chamberlain's Cough Remedy, and says: "It gave me prompt relief. I find it to be an invaluable remedy for coughs and colds." For sale by druggists.

The Discovery Saved His Life. Mr. G. Callouette, Druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physical means for miles around but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Crotti's Pharmacy.

WANTED. For sale competent to take charge of factory on white duck pants. Apply to HENRY BILLY, 43 Market Street, Philadelphia.

There were said to be over two hundred bicycle riders in Hammonton last season and there is every reason to believe that the number will be considerably increased this year. Therefore we propose to create a Bicycle News column which will be in charge of one whose knowledge in such matters is unquestioned.

Wednesday morning was the coldest on record for a number of years. The pantalon factory was closed, being too cold to work. The employees at the stocking factory lost half a day on account of frozen pipes. Pumps without number were rendered useless and many housewives were compelled to use melted snow in the kitchen.

For Sale.

Seven-room cottage, corner lot, fruit, shade, good water, pump in kitchen, good dry cellar. Owner wishes to leave the town.

A. L. GIDDINGS, Cor. Second and Grape Sts.

Joseph Coast, whose fertile brain has originated many useful contrivances, has now an exhibition a cover lock for glass fruit can covers that appears to us to be the acme of all inventions for the purpose. Every housekeeper knows the difficulty of securely sealing her fruit, and the more difficult operation of opening the can when the contents are to be used. In Mr. Coast's invention, the cover is of glass, the lock of metal, so constructed that a common table-knife is used as a powerful lever to secure the cover, and to loosen it when needed. We should be pleased to see a little capital invested in the manufacture and introduction of this cover, believing that it will prove acceptable and profitable.

A pair of black wool yarn mittens. Finder will please leave them at this office.

Theodore B. Drown died Thursday of this week, of apoplexy, aged 63 years. Death was most sudden; for though Mr. Drown had not been well for some weeks, he had attended to his business as usual almost up to his last hour.

Mr. Drown was born in Kennebunk, Maine. After following his trade as carpenter for some years in Boston, he came to Hammonton in 1866 and continued at his trade, a part of the time in Camden. In 1881 he built his late residence on Bellevue Avenue, and in 1884 was made foreman of Wm. Bernhouse's lumber mill and yards, which position he held at the time of his death. He was always much interested in municipal affairs and was serving his tenth year in Town Council, - several years as chairman. As one of the first members of the Fire Company he contributed much to the success of that organization. He was also a director in the Hammonton Loan & Building Association. The Grand Army Post lost in him one of their Past Commanders.

At the age of sixteen he was converted and joined the Baptist Church, and has been for many years on the board of trustees. He was a Christian man, therefore ready for a summons to the gates of eternity.

In the community at large Mr. Drown had numerous friends, few enemies, the warm regard of many, the respect of all. He leaves a widow, son, two daughters and a number of grandchildren.

Funeral services to-morrow (Sunday) at two o'clock in the Baptist Church conducted by the pastor, Rev. J. C. Killian. A special invitation to attend is extended to the members of the Town Council, the comrades of the Grand Army of the Republic and employees of Wm. Bernhouse. Interment at Greenwood Cemetery, at which Gen. J. A. Russell Post will hold their impressive services.

At the age of sixteen he was converted and joined the Baptist Church, and has been for many years on the board of trustees. He was a Christian man, therefore ready for a summons to the gates of eternity.

In the community at large Mr. Drown had numerous friends, few enemies, the warm regard of many, the respect of all. He leaves a widow, son, two daughters and a number of grandchildren.

Funeral services to-morrow (Sunday) at two o'clock in the Baptist Church conducted by the pastor, Rev. J. C. Killian. A special invitation to attend is extended to the members of the Town Council, the comrades of the Grand Army of the Republic and employees of Wm. Bernhouse. Interment at Greenwood Cemetery, at which Gen. J. A. Russell Post will hold their impressive services.

The stalls in the eighteen-horse car are divided by boards about two feet wide with hinges on one end and so that they swing flat against the manger at the other end, leaving room for one side of the horse, leaving room for the horses to pass along the car. The first horse goes to the end of the car and the two-foot partition is swung against his side. The next horse goes alongside of him, the partition is closed, and so on. The horses enter the eighteen-horse car through doors at either side in the middle.

Last Sunday night, the residence of Wilbert H. Fenton, at Port Republic, was burned. The chimney caught fire in the evening, and they supposed every thing then had been made safe; but about midnight flames were discovered and Mr. Fenton and family had barely time to escape in their night clothes, saving almost nothing. There was a published rumor that the entire family had perished in the fire, but happily none were injured. Mr. Fenton has been connected with an Atlantic City paper for many years; is well and favorably known all over the County. Friends are contributing clothing and other necessities to relieve the sufferers.

Cure for Headache.

As a remedy for all kinds of Headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tone to the bowels, and few cases long resist the use of this medicine. Try it once. Large bottles only Fifty cents at Croft's Pharmacy.

Apart from the rare pleasure of visiting new places and witnessing novel scenes, the Pennsylvania Railroad Company's tours to California will prove better educators than any number of lectures or books on travel. The immense scope of territory traversed will expand the ideas of all tourists, indelibly impress on their minds enlarged views of this mighty Union and its vast possessions, and they will return to their homes prouder than ever of the great land whose borders are protected by the stars and stripes. These tours have been arranged under the company's renowned personally-conducted tourist system, and magnificent Pullman trains will leave New York and Philadelphia on Feb. 20th and March 20th. Detailed itinerary will be sent on application to Tourist Agent, 1136 Broadway, New York, or Room 411, Broad St. Station, Philadelphia.

The experience of George A. Apper, of German Valley, N. J., is well worth remembering. He was troubled with chronic diarrhoea and doctored for five months, treated by four different doctors without benefit. He then began using Chamberlain's Colic, Cholera, and Diarrhoea Remedy, of which one small bottle effected a complete cure. It is for sale by druggists.
