HAMMONTON, N. J., SATURDAY, FEBRUARY 26, 1916

No. 9

Hammonton Loan Association  
meets next Thursday.

Lin Green was among Hammon-  
ton visitors this week.

David Forman, an old resident,  
was in town this week.

The Independent Fire Company  
meets on next Wednesday evening.

W. W. Burnham was home from  
New York for two or three days  
visit.

Judge C. M. Cole will speak, on  
Sunday evening, in Universalist  
Church.

The Board of Education holds  
its regular meeting next Wednesday  
evening.

Mrs. Gendler has been in the city  
for a couple of days, preparing for  
spring millinery styles.

Prof. N. C. Holdridge has been  
attending a meeting of the National  
Superintendents' Asso., in Detroit.

One of Joe Mart's jitneys "turned  
turtle," down near Nesco, early  
this week, and damaged both car  
and driver.

G. F. Lenz has a slab of petrified  
wood. They say he has had a  
piece polished and finds it fine for  
honoring razors.

A postal from H. K. Spear indi-  
cates that he and Mrs. Spear are  
having a delightful time, away  
down in Florida.

Mrs. Tope's restaurant has  
changed hands. Mr. O. A. Wise-  
man, an experienced man, having  
purchased the business.

Dr. W. E. McIlvaine has moved  
to 408 Bellevue Ave. His parents,  
from Atlantic City, will eventually  
make their home with him.

Basket ball this evening, with the  
Melrose Athletic Club, of Atlantic  
City. The visitors finished first in  
the A. C. League last year.

Hammonton is to have at least  
two late trains, when the railroad  
people re-arrange their schedule;  
but it is not yet announced when  
this will be.

Town Council passed a resolution  
requesting county and state author-  
ities to co-operate in continuing  
Bellevue Avenue improvement as  
far as Liberty Street.

Those who heard Judge Clarence  
L. Cole, last winter, will welcome  
an opportunity to hear him again,  
to-morrow night, in All Souls'  
(Universalist) Church.

L. S. Conly has a petrified apple,  
which he found when excavating  
for a cellar, years ago. It has re-  
tained its form and some of its color,  
—looks so natural that one is easily  
deceived.

The Cadman Concert Company  
will entertain music lovers next  
Wednesday evening, as the final  
number of the Lyceum Course. It  
will be an evening well spent.  
They are considered the best on the  
platform.

The Baptist choir will give a  
musical on Friday evening, March  
24th, in the Church. Cards are  
being given out, with receptacles  
for silver, which will be taken up  
that evening. A new organ will  
probably be installed before Easter.

The "bunk house" used by the  
men employed on Twelfth Street  
improvement was burned Wednes-  
day forenoon. Everything went,  
including the men's clothing and  
Supervisor Lenz's overcoat. Cause  
of fire, an oil stove. The shanty  
was rebuilt on Thursday.

A cordial invitation is extended  
to all Hammonton women to join  
in the relief work being done under  
the direction of a committee from  
the Needlework Guild, with Mrs.  
L. H. Parkhurst as its chairman.  
Already a great interest has been  
shown in this work, but the com-  
mittee feels that there must be  
many more who would like to help  
if the object was clearly under-  
stood. This work is entirely dis-  
tinct from any "preparedness"  
program, and has for its purpose  
the furnishing of supplies to aid  
the Red Cross workers in caring  
for wounded soldiers of all nation-  
alities in the European war. The  
next meeting will be held at the  
home of Mrs. Samuel Anderson,  
on Pleasant Street, next Tuesday,  
29th, at two o'clock.

March will come in like a —

An address by Judge Cole will  
be given in All Souls' Church, to-  
morrow evening.

The receipts for "The Elopement  
of Ellen," last Saturday night,  
were \$64.50. Out of this they ex-  
pended, for built rent, printing,  
orchestra, etc., the sum of \$34.72,  
leaving a balance of \$29.78, which  
was deposited in a savings account.  
The "Home Players" desire to  
thank the many friends for their  
support.

The fire alarm rang about nine  
o'clock Sunday morning. A barn  
on the farm of Frank Pagano, far  
out on North Third Street, was  
destroyed,—the cause not known.  
They say that this is the third barn  
burned on these premises. It is  
also stated the call came by way of  
Haddonfield,—the line being out  
of order,—causing a half hour's  
delay.

Miss Eliza Vanderverter, of  
Newtonville, died suddenly on  
Wednesday night, of apoplexy.  
She will be remembered as "the  
little huckster girl," having made  
many friends in Hammonton while  
peddling farm produce with her  
married sister. A grieving father  
and mother are thus left alone.  
Funeral service will be held to-  
morrow, afternoon.

Burglars? or Sneaks?

On Sunday evening, about 8.30,  
Station Agent Brooker was notified  
by phone that some one was in the  
freight office. He found no one  
there, of course, but a pane of  
glass had been broken and a win-  
dow opened in the freight room  
and two windows opened in the  
office. Nothing was taken, and  
the only damage noted was the  
tearing of a bunch of way-bills on  
the file.

That same night, parties forced  
entrance to the High School build-  
ing, scattered books and papers,  
cut the bell-rope and wires belong-  
ing to the fire alarm system.

Also, that same night, parties  
broke into Waples' barn, in the  
rear of the store.

### MUSIC'S RE-CREATION

Something more than mere tone reproduction.

### Music Through a Diamond

Mr. Edison's  
Secret

Artificial tone reproduction is wonderful indeed; but it is not musical. A beautiful voice that is marred by mechanical timbre in its reproduction, is no longer beautiful. It no longer satisfies the music lover, however great may be the artist.

WHEN driving a binder it's aggravating  
to have to stop because "the twine  
went wrong."

Sometimes the trouble is a bad spot in the  
twine—sometimes a tangled ball.

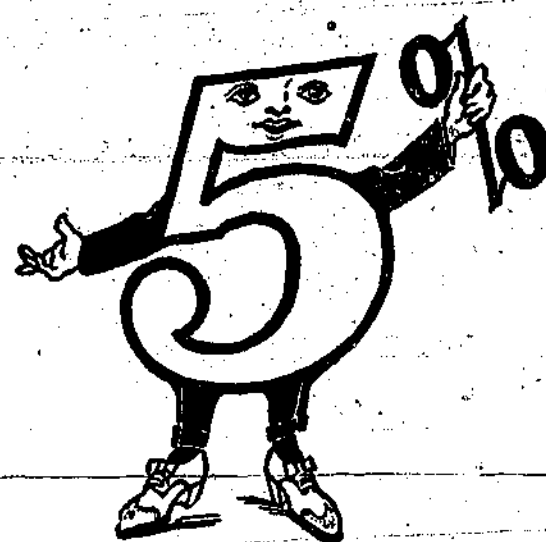

Such delays are the real price you pay for  
cheap twine.

### PLYMOUTH TWINE

speeds up the work—cuts down the costs.  
Plymouth is stronger and ties more bundles than any other

As we have kept constantly in touch
