Easter,—a week from to-morrow.
First day of Spring,—next week Friday.

Volunteer Fire Company meets next Monday evening.

Albert Walther came from Washington, D. C., for a few days at home.

Some very fine weather, this week; and some not so fine. "Tis March, you know.

Mrs. Scranton has returned from the hospital, improved in health, with hope for full recovery.

A. J. Rider arrived home on Wednesday, from California. He says "Jersey is good enough for me."

The sales of base-balls, bats and mitts are among the indications that the "backbone of winter is broken."

The Overseer tried his road scrap this week. It was needed, but its work was badly discounted by subsequent rain.

St. Mark's Church. Palm Sunday. Morning Prayer at 7:00; Holy Communion 7:30 and 10:30; Sunday School at 11:45; Evening Prayer, 7:30.

The service to-morrow at 11 a.m. at the Universalist Church will be appropriate for Palm Sunday. Sunday school at noon. Regular service at 7:30 p. m.

Palm Sunday, to-morrow—in observance of the day when the Master made triumphal entrance into Jerusalem, when palms were strewn in his pathway.

Good Friday, next week,—in commemoration of the day when the Lord was crucified. "He was wounded for our transgressions, and by his stripes we are healed."

Miss Hulda Ludlam, a senior in the State Normal School, spent five weeks in "practice teaching" at Haddonfield—coming home every night. She has now returned to Trenton.

St. Patrick's Day, Monday next. The Irish people in many places make this the great day of the year, with civic and military parades, wear gorgeous regalia of green and white, and have a grand time.

Class meeting at the Methodist Church at 9:30 a. m., to-morrow. Sermon at 10:30 and 7:30; Bible School at 12; Epworth League at 6:45, led by George R. Swain. Prayer service on Thursday eve'g, at 7:30.

March 28th will be a good evening for you to keep free, so as to be able to attend an open meeting of the Hammonton Grange, to which all are cordially invited. The County Board of Agriculture will be present. The corn contest will be talked up.

On Tuesday evening, three men (Polanders) reached town, having driven from Camden that day with one horse and an immense load of household goods. The horse was in a sorry condition, and Chief Adams compelled them to stop over night, with the worn-out beast in good quarters. They were on their way to the Polish settlement near Nesco.

The stores are looking very much like Easter.

Robins and bluebirds are welcome signs of spring.

The Hammonton Orchestra will give another dance in Bellevue Hall this evening.

Regular meeting of the Farmers' and Merchants' Building and Loan Association next Tuesday evening.

Regular meeting of Hammonton Grange, Friday, Mar. 21st, at 8:00 p.m., in Grange Hall. Important business.

A. F. W. Rublack and wife are back home again, after spending the busy winter months in Philadelphia.

The Primary Department of the Baptist Sunday School, with their mothers, had a delightful time last Saturday afternoon, at a social party given by their teachers, Mrs. Hoskins and Miss Phillips.

Mr. and Mrs. Daniel Wescott received hearty congratulations on Wednesday, the 12th, it being the sixty-fourth anniversary of their marriage. This is a long time, and we hope they may see yet many more years.

The High School base-ball candidates reported on the athletic field for practice, Wednesday afternoon. All of last year's veterans were there, with many new men, and this year's team is bound to be a winner. The High School has a strong schedule for the season, and large guarantees, which must be reckoned with before the season starts. In order to defray these expenses, the students are selling season tickets at one dollar each, and the team would like support of the town's people, both at rooting and buying tickets. Another new style is a shirt with a combination of knee drawers. It is the most clever idea you ever saw.

Does \$100 Look Good to You?

I will save you that much and
more if you are looking for a piano
or player piano. What's the use
of buying a second-hand piano
when you can have a new one of
better grade at the same price.
What's the use of buying cheaper
quality, when you can have the
best direct from the factory at the
same cost, or less?

Don't be old-fashioned and say,
"I don't see how it can be done."
Look into my proposition and see
for yourself. Just because pianos
have never been sold here before
on this plan and at such low prices,
is no reason they cannot be. I
save you the middleman's profit.

SATURDAY, MARCH 15, 1913

TO OUR PATRONS: Beginning April 5th, and continuing until
October 1st, the "Republican" office will close on Saturdays at noon.
Those desiring to do business with us will please call before that time,
or at mail time Saturday evenings.

The detailed drawings made by Civil Engineer Sartori for the
Hammonton Sewerage Commission are the most complete we ever saw,
and proved, we believe, that the Town made no mistake in choosing
their engineer. The work of the Commission also showed a wise choice
of business men for that important work, and contained every detail,—
the gentlemen having made an exhaustive investigation of sewerage
plants elsewhere, their merits and objectional features, giving Hammonton
every advantage of others' experience.

It is with pleasure that we learned that Rev. W. L. Shaw was re-
turned to Hammonton by the Conference. He is an earnest, conscien-
tious Christian man.

Everybody is going to the School Meeting next Tuesday evening,
in Central High School building. Whether you are satisfied or not,
have your say, and vote. Ladies can vote, for everything except for
members of the Board of Education. We regret to hear that Mr.
Osgood, after serving faithfully for about twenty years as President of
the Board, desires to retire from membership. Several names have
been suggested to fill the vacancy. Read the posters carefully before
going, or refer to last week's Republican.

Order your flowers now, and remember the departed ones on Easter
Sunday.

The new arc light at Bellevue and Central Avenues is a brilliant
one, illuminating a half square each way. We believe the proposition
to put three of these lamps on the all-night service line is a good one,
and should be contracted for, for the protection of our banks and busi-
ness houses. The gas lamp near Monfort's could then be removed to
a more needy location.

The gentlemen to whom we referred last week attended Council
meeting on Wednesday evening, and unofficially brought out the fact
that Hammonton can have the Haddonfield trolley-line extended to
Hammonton, and perhaps beyond, if it wishes. Let us (as they said)
"put our shoulders to the wheel," and encourage them to come through.
When the right-of-way agent comes along, be reasonable. It will open
Hammonton stores to people "up-the-line."

The Florentine Band
AT THE 1913 CHAUTAUQUA.

Signor Lawrence Pontrelli, the head of this company, is one band-leader who never misses the wild applause of his
audience. He has had a chance to study crowds and what they like,—that is why. Years of touring the country with the
largest bands of our great cities has given him ability, too, to get hold of his musicians' peculiar talents. He is himself a
distinguished cornetist. The intoxicating swing of every number they render is guarantee enough of the popularity of the
Florentines. They send the crowds home humming, every time.

Cards have been received from
R. G. Scudder, from Richmond,
Va., Jacksonville and St. Augus-
tine, Florida. He and Mrs. Scud-
der are enjoying summer weather
and the flowers of that southern
clime.

In Chancery of New Jersey
To Sarah Churchill, Annand B. White, Albert
White, Harry E. Baker, Ella Baker, Laura
B. Neveling, Harry Neveling, Ivy B. Mc-
Gintie, Eugene McGintie, and Florence Baker,
By virtue of an order of the court of
Chancery of New Jersey, made on the day of
the date hereof, in a cause wherein the said
defendants are complainants, and the said
plaintiffs are defendants, and you are called
complainant on or before the ninth day of
May next, or the said bill will be taken as
conceded against you.

The said bill was filed to foreclose two cer-
tain mortgages made by William Baker, cov-
ering premises located in the Town of Ham-
monton, Atlantic County, New Jersey, one of
said mortgages having been given by the said
William Baker to The Peoples Bank of Ham-
monton, New Jersey, dated the sixteenth day
of February, nineteen hundred and seven, and
recorded in the Clerk's office of Atlantic
County in Book No. 10 of Mortgages, pages 23,
34, which said mortgage was, by written
assignment, transferred to H. A. Byrne by
the said Peoples Bank of Hammonton, New
Jersey, and was delivered to the above named
complainant by the will of H. A. Byrne, de-
ceased; and the second mortgage was made
by William Baker to Ivy P. W. Byrnes (now
Ivy P. Ventner, complainant), dated the
sixteenth day of April, nineteen hundred and
ten, and recorded in the Clerk's office of At-
lantic County, in Book 10 of Mortgages, page
215, 3c., both of said mortgages covering the
same premises; and you the said Sarah C.
Churchill, Artie B. White, and Annand B.
White are made defendants because you are
heirs of the above named William Baker,
mortgagee, who died intestate, and as such
claim an interest in the equity of redemption
in said property; and you Harry E. Baker,
Laura B. Neveling, and Ivy B. Neveling, are
made defendants because you are children of
William Baker, a deceased brother of said
William Baker; and you the said Nelson L.
Whitard, Albert White, Ella Baker and Harry
Neveling and Eugene McGintie are made de-
fendants because you are husbands and wives
respectively of the above named heirs at law
of William Baker, deceased, and as such claim
some curtesy or dower interest in the above
premises; and you Nelson L. Whitard are
made a defendant because you are the admi-
nistrator of the estate of William Baker, de-
ceased; and you the said Florence Baker are
made defendant because you are the wife of
William Baker, and as such claim a right of
dower in the premises.

ORDINANCE of the Board of Councilmen
of the Town of Hammonton, in the County
of Atlantic, in the State of New Jersey,
accepting the report and confirming the
assessments made by Joseph H. Imhoff,
Samuel Anderson and Marcellus L. Jackson,
commissioners appointed by ordinance of
the said Board of Councilmen, to ascertain
the expenses and costs of improving certain
streets in the said Town with sidewalks and
curbing, and to assess upon each separate
lot or parcel of land directly benefited by
said improvement, such portion of the said
expenses and costs as is in proportion to
the said benefit, and to assess the balance of
said expenses and costs upon the said Town
of Hammonton.

Whereas, the Board of Councilmen of the
Town of Hammonton, in the County of Atlan-
tic, in the State of New Jersey, on the twenty-
first day of July, 1911, duly passed an
ordinance, entitled, "An Ordinance to provide
for the improvement of portions of certain
streets in the Town of Hammonton, New
Jersey, with sidewalks and curbing, in accord-
ance with the provisions of the Charter of the
Town of Hammonton and an Act of the
Legislature of the State of New Jersey,
approved on the sixteenth day of April,
nineteen hundred and nine, entitled: "An
Act to authorize the governing body of any
municipality in this State to improve any
road, street, parkway, or other public high-
way therein with suitable curbing, gutters
and sidewalks and providing for the payment
thereof;" and

Whereas, in pursuance of the provisions of
the said ordinance, the portions of streets
therein named have been improved with
sidewalks and curbing by the said Town of
Hammonton; and

Whereas, by ordinance of the Board of
Councilmen of the said Town of Hammonton,
duly passed on the 27th day of September,
