Mrs. Alfa White has receipts for twenty-nine dollars which she collected for Red Cross relief work, and is still soliciting contributions for that worthy cause.

Dr. Hagerman, whose illness compelled postponement of his lecture, will appear before a Hammononton audience on Wednesday eve., April 7th. A good lecture is anticipated.

There will be a meeting of the Needlework Guild next Tuesday afternoon, at 2.30, in the Civic Club Rooms. The reports will be ready. A good attendance is desired, as there is business of importance to come up.

On Thursday, March 11th, at 1.30 p.m. there will be a home-mixing fertilizer demonstration held on the farm of Mr. John Huenke, Cologne. All those who are interested in home-mixed fertilizer should be present. The majority of the people in the county are paying too much for their ready mixed fertilizer, therefore with the assistance of Mr. John H. Voorhees, Agronomy Specialist from New Brunswick, I will give the demonstration, and we are very anxious for every one to be present who thinks he is paying too much for his fertilizer, and ask any questions on the buying of the chemicals or the mixing that he cares to. RILEY DOUGLASS, Supt.

Methodist Appointments.

The Methodist Conference ended its session on Tuesday evening, the last act being the assignment of pastors.

Hammononton has been favored by the selection of the Rev. J. R. Reed.

Among other ministers known here, and their locations, we see the following:

Rev. J. E. Shaw, South Amboy.

Rev. Alfred Wagg, returned to Collingswood.

Rev. H. J. Zolley, at St. Paul's Church, Atlantic City.

Rev. F. L. Jewett, First Church, Bridgeton.

Frank A. Danaker, Justice of the Peace at Elm, died in the police ambulance, Camden, Wednesday night, while on the way to Cooper Hospital. He had been seized with apoplexy while waiting for luncheon in a cafe. He was about sixty years old, well known here.

The lecture on the New Jersey Mosquito problem by Dr. Harold I. Eaton, for next Monday eve., in the High School Room, has been postponed to the following Monday eve., the 22nd, so as not to conflict with the concert by the Lyceum Association. "Town Improvement Night" will come a week or two later.

At the annual meeting of the parish of All Souls Church, held last Tuesday evening, the reports showed that all bills of the parish had been paid, that congregations had increased in numbers, and excellent progress made in the line of improvements. A resolution was adopted, to be sent to each of our assemblymen, requesting them to vote in favor of the pending local option bill.

"The Killarney Girls and Rita Rich" will entertain holders of Lyceum Association tickets, and others, next Monday eve., March 15th, in Bellevue Hall. The Hammonton Paint

Is the very best paint ever used in Hammonton.

There are scores of buildings in town covered with this paint, which look well after eight or ten years of wear.

The Hammonton Paint is sold for less than other first-class paint. It has no equal, as it works well, covers well, and wears well.
