#### Town Council Meeting.

An adjourned meeting was held on Wednesday evening; all members present.

Resolutions were adopted, appointing Mr. Remington surveyor of streets which have been petitioned for, — Peach Street from Central Avenue to Valley, and from Valley Ave. to Liberty Street; Wireman Avenue from Pleasant Street to Fairview.

Both license applications, Pinto and Jacobs, were granted,—Messrs. Austin and Sharpe voting no.

An ordinance was read, from

Solicitor, providing that all liquor licenses expire at same time.

The offer of the Civic Club's flat-iron plot was declined, with

A petition for grading Liberty Street was received, and referred. -Communication—received—from Board of Health in regard to securing dumping-ground for refuse,tin caus, ashes, etc., calling attention to the fact that citizens are carting them onto "the other fellow's land," all over town; also asked Town if they will collect rubbish this year. The sentiment seemed to be that individuals should transport their own rubbish, and the Highway Committee was authorized to advertise that a portion of the Twelfth Street gravel pit is to receive such cargoes.

Clerk was instructed to ascertain, through Solicitor, whether there is any law or ordinance forbidding the dumping of rubbish in woods, swamps, roads or vacant lots.

Communication from the Water Commission stated that First Road desires water, requiring 3800 feet of pipe and fire hydrants, at a cost of \$2000; that rents would amount to \$200 per year; and asked for an appropriation for same. As several other profitable extensions are asked for, it was voted to refer the matter to the Fire, Water and Light Committee.

As there are a number of old delinquent water takers, the Water Hammonton, - N. J. Committee was authorized to ask to see receipts for rents claimed to be paid, or take affidavits of the parties who so claim; or to proceed against them as provided by law.

Finance Committee instructed to draw up a new license ordinance. to incorporate desirable features in the present ordinance and its supplements.

Same committee to draw an ordinance repealing the rebate on four-inch tires.

Rod and Gun Club asked permisfon to erect a brick building and trap.on Park grounds. Left with Property Committee, to investigate and report.

Adjourned at 10.35.

Between the amount of rice and rain, they could make enough rice pudding to last them a lifetime. They received many handsome gifts. The banquet The banquet given by the bride's mother was attended by the following: Miss Mamie Nurk, bridesmaid; Mr. C. Earrickson, best man; Messrs. Harry G. Nurk; Wm. C. Nurk, Chr. G. Nurk, Jos.
