As an inducement,
offer to the first purchaser in each place 1
0 square feet of the Three Fly Toll, with
necessary coating, for *Thirty Dollars*.

PATENT ROOF PAINT

This Paint is composed of gums, oils, and resins
substantive, combined with distilled tar and
the best known dryers. It contains no inferior
pigment, and is prepared ready for use, above
consistency of ordinary misad painter. It
is much less, retains its elasticity longer, and
more durable. Grants rights for sale
for Cleveland and all particulars, *Address*
