Vol. 51

HAMMONTON, N. J., SATURDAY, MARCH 22, 1913

No. 12

Easter, to-morrow.
G. A. R. Post meeting at three o'clock next Saturday afternoon.

Miss Edith Simons visited Hammonton relatives for a few days.

Prof. John F. Rhodes returned from a successful music season in the West.

Charlie Piez will play with the Richmond, Va., club, starting on Monday.

G. N. Lyman is entertaining his niece, Mrs. Erma Foster, and two little daughters.

Mrs. John D. Counterline spent part of this week with Hammonton relatives and friends.

Chas. J. Herbert and family, from Bryn Mawr, Pa., visited Hammonton relatives over Sunday.

D. B. Berry and wife are again with us, having spent the winter with their children in Philadelphia and vicinity.

There will be an auction sale of household goods, next Saturday, at the home of the late Mrs. C. A. Case, on Twelfth Street.

Yesterday was Good Friday, in commemoration of the crucifixion of Christ. No school, no banking, a legal holiday in Jersey.

C. A. Wood and family moved into their new home, on Grape St., Tuesday. They are decidedly well pleased with their renovated house.

Volunteer Fire Company demonstrated the efficiency of the water supply, last night, in the presence of members of Town Council and Water Commissioners.

The fire alarm bell rang about seven o'clock last Sunday evening. They were building a fire in Nicolai's cut glass factory furnace, and some one seeing sparks from the chimney, gave the alarm. Of course, the firemen responded, but had nothing to do, excepting to pull the apparatus thro' the mud.

The spirit of Eastertide will prevail at all the services in the M. E. Church throughout the morning. Morning praise at 9:30; sermon by the pastor at 10:30, on "The empty tomb." Easter exercises by the Sunday School at noon. Epworth League service at 6:45. Sermon by the pastor at 7:30, on "The value and certainty of hope." Special music at morning and evening services. Prayer service on Thursday at 7:30 p. m. All are welcome.

All the churches will have special Easter music to-morrow.

Lyle Crowell and Leon Andrews were home from State College, Pa.

Mr. and Mrs. R. G. Scudder reached home early this week, from their Southern tour.

George Lobley goes to Asheville, N. C., to-day to play with their base-ball club this season.

All interested in base-ball should attend the meeting next Monday evening, in Firemen's Hall.

At their meeting on Monday evening, Fire Company No. 1 tendered a vote of thanks to the ladies who assisted so effectively at their banquet, Feb. 19th.

EASTER. The resurrection is the silver lining to the dark clouds of death, and we know the sun is shining beyond. Thanks be unto God who giveth us the victory through our Lord Jesus Christ.

St. Mark's Church, Rev. Wm. Howard Davis, Rector. Easter Day, Holy Communion at 6:00; Morning Prayer 7:00; Holy Communion, 7:30 and 10:30; Children's service, 3:00; Evening Prayer, 7:30.

Thomas Skinner broke two or three ribs, and bruised his shoulder and arm, yesterday morning, while assisting in moving an engine, at his factory. The engine slipped, narrowly missing crushing our friend.

Casper Piez and Charles Snyder had a "head-on" collision while practicing on the base-ball grounds, Thursday. The young men are not feather-weights, and the impact was heavy. They say that Charles has a beautiful black eye, and Casper an ugly cut on his head.

On Friday, March 22nd, at 8 p. m. in Union Hall, Hammonton Grange will have an open meeting at which Henry M. Cressman, County Superintendent of Schools; Alva Agee, Director of Institutes of New Jersey Experiment Station, and N. C. Holdridge, Supervisor of Hammonton Schools, will give interesting and instructive talks. Corn contest will be explained and opportunity given for boys and girls of Atlantic County to know how they can compete for part of the \$100 that will be awarded in the 1913 contest. Worth an effort to keep this evening open and hear the speakers, and enjoy the entertainment.

John Hey has gone back to England,—perhaps permanently, may be not.

Farmers are all getting busy,—trimming vines, clearing up, and turning over the soil.

Easter sermon, followed by Communion service, at the Universalist Church to-morrow, at 11:00 a. m. Sunday School at noon. At 7:30 will be the Easter exercises by members of School and choir.

CARD. To the many friends who manifested such sincere sympathy in our recent bereavement, we wish to express, publicly, our appreciation. We have found that this is one of the virtues of the Hammonton people.

THOS. J. KELLEY & FAMILY.

At the annual meeting of the Universalist parish, March 13th, reports from the different departments showed all bills paid to date and a good balance to begin the new parish year, besides the fifty dollars that the pastor has raised toward painting the church, and \$36.50 realized from the recent "rag sociable."

Many patrons of the local telephone company have not learned that they can know the location of a fire without bothering the operator at the exchange. Take off your receiver, and listen, and you will hear in a few seconds. To shake your receiver on such an occasion not only annoys the operator, but interferes with service. No town in the country has better fire alarm service, even if installed and operated at great expense. R.

The executive committee of the Columbus Day celebration, since making their public report, find \$26 of expenses not then reported to them, making the total amount \$357.72; balance on hand, \$45.63, which has been deposited with the Hammonton Trust Company. On Sunday, March 30th, at 1:30, the society will hold their first corporate meeting, in Romeo's Hall.

A birthday party was given for Marie Miller last Saturday. The following were present: Misses Roberta Steel, Roberta French, Virginia French, Claire Crossdale, Helen Rinker, Frances Waples, Ethel Burt, Dorothy Hoyle, Adeline Jackson, Marie Andrews, Gertrude Keyser, Elmira Eager, Elsie Denberg, Laura Peart, Mabel Priestly, Alma Krimmel, and Alice Kind; Masters Lambeth Monfort, Hudson Bennett, Edwin Watt, George and Willard Wood.

Mr. Kieffer, of the Chautauqua Association, met a number of our interested people on Monday evening, and gave them a good idea of the treat in store for Hammonton people next June. In the afternoon, Mr. Kieffer addressed the pupils at Central School, on the Battle of Gettysburg.

At the Baptist Church to-morrow. The Pastor's morning topic, "The plague of death and the destruction of the grave," Hosea xiii. 14. Sunday School at 11:45. J. C. E. at 3:00 o'clock. C. E. meeting at 6:30. Evening, "The Lordship of Jesus in daily life; Christ, the great Teacher of Life"; Acts xiv. 13. Remember the prayer meeting on Thursday evening.

The Easter programme for the Presbyterian Church. Morning worship at 10:30; topic, "Easter, the birthday of our dead." Evening worship, 7:30; theme, "Easter a day of light." At the Sabbath School hour, noon, we celebrate the centennial anniversary of David Livingstone, the great African explorer. C. E. meeting at 6:45. Miss Marion Chew leading; topic, "Vital living, the lessons of Easter." A special musical program has been arranged for each service. Mr. John Woods, Jr., will sing both morning and evening. On Thursday, 7:30 p. m. is the hour for mid-week worship. Our invitation is your welcome, always, M.

A County Teachers' Institute will be held in the High School building at Pleasantville, beginning March 28th, at 8 p. m., and closing March 29th at 4 p. m. A very excellent program has been arranged.

On Friday evening, Assistant Commissioner of Education, Mr. A. B. Meredith, will deliver an educational lecture. On Saturday morning, beginning at 9:30, Superintendent Boyer, of Atlantic City, Miss Myra I. Billings, Supervisor of Primary Grades, Mr. T. D. Senior, of the State Department, and Miss Lucy Quinn, of Atlantic City, will be the speakers. In the afternoon, County Superintendent of Monmouth, Mr. John Enright, will speak on Agriculture in Grammar and High Schools; and the Commissioner of Education, Dr. Calvin N. Kendall, will be present and deliver an address.

The public is invited to attend all sessions, especially on Friday evening and Saturday afternoon. Members of the various Boards of Education of the County are urged to attend the afternoon session of Saturday.

Town Council Meeting.

An adjourned meeting of Council was held on Wednesday evening, with every chair occupied.

Fire, Water & Light Committee recommended that four all-night lights be placed at Third, Central, Second and Egg Harbor Road, on Bellevue Avenue, and Council so voted. The gas lamps at Monfort's and Lenz's will either be transferred to other points, or taken off the contract.

Highway Committee's recommendation was adopted, to gravel the following streets:

Grape Street, from Egg Harbor Road to Valley Avenue.

Vine Street, from Egg Harbor Road to School Lane.

Fourth St., Fairview to Walnut.

Broadway, from Valley to Main.

Basin, from Main to Union.

Oak, from Union to County line.

Fifteenth Street.

Committee also reported that the Dam had been patched temporarily, but that it would need a concrete retaining wall to save being washed away.

Committee was authorized to repair Fourteenth Street, at railroad crossing.

Contractor Spear to commence work on new sidewalk contract when so notified by Engineer.

Sewerage Commission submitted bills—estimated—and Council adopted resolution appropriating money to pay same, about \$1050.

Voted to purchase a Town clock, to hang in Council room.

Opinion received from the Solicitor in regard to roller skating on the cement sidewalks. It was, in effect, that other towns and cities are passing ordinances forbidding roller skating, or pushing wheelbarrows or carts on cement walks; that the wear and tear by them was not "natural wear and tear," as is specified in the contract, and that Council could not hold the Contractor to his five-year bond if he demanded release. Council voted to instruct Finance Committee to draft ordinance forbidding the skating on cement walks.

To ascertain what the County Board of Taxation wants in regard to assessments, balances unexpended, etc., the Clerk and Treasurer were asked to meet them, and explain the method used here.

Permission was granted to Greenmount Cemetery to use town gravel on its drives and walks.

Three bills were passed as follows: Sartori & Remington, surveyors, maps, specifications, etc., Sewer Com. \$800 00 John Walther, blacksmithing, 24 00 Geo. E. Strouse, affidavit 50

Read carefully the legal notices published this week.

According to an exchange, the weather to-morrow may be cloudy, or possibly worse. Oh, you hats!

When you write a letter, tell how well the town is looking. It is as important as the post-stamp.

The rumor that there was a concerted movement to oust one or two candidates for the Board of Education, proved to be unfounded.

The Board of Education have a full summer's work laid out for them by the action of the annual meeting. A big sum to lay out in land and new buildings.

Be a little careful what you say over the telephone. Some third party may overhear you, though not intending to do so. In fact, such a thing did happen the other day, and the conversation heard did not add to the good name of either participant.

Many of our best people are asking which is worse, for the Sheriff to draw the juries, or to empower the Governor to name a stand-patter as Commissioner, who in turn will appoint his chums. We are just as apt to have honest Sheriffs (we have one now in this county) as upright citizens. Men of the calibre of our late Elisors cannot always be found.

It was the thought of twenty thousand dollars at stake, that caused our Town Council to take action on the roller skating question. Had it not been for the contractor's bond, we doubt whether any notice of the damage would have been taken. The members expressed themselves as opposed to depriving the youngsters of their pleasure, and Mr. Godfrey voted against any action. The skating craze will die out, as most everything else does.

If you can't get behind a movement for the Town's good, and push, at least, don't get in front of it, and obstruct.

Un-Claimed Letters.

The following letters remained unclaimed for in the Hammonton Post Office on Wednesday, Mar. 19, 1913:

Vincenzo Degiro M. N. S. Hill
Mrs. Mary Jong Mrs. Rachel Mart
Miss Verna Young

—Foreign—
Gianni Salvatore di Michele

Persons calling for any of the above will please state that it was advertised. THOS. C. ELVINS, Postmaster.
