Italian Evangelical.—Rev. Arnaldo Basso, Pastor. Sunday services: Sabbath School, 10:30 a.m.; preaching, 11:30; prayer meeting, 3:30 p.m.

ANNUAL SCHOOL MEETING.

Called to order by District Clerk W. R. Seely, at three o'clock on Tuesday afternoon, March 21st, in the Central School assembly room.

Mr. P. H. Jacobs was chosen Chairman; Mr. W. R. Seely, Secretary.

Call for the meeting read. Minutes of last annual and one special meeting approved.

Printed report of District Clerk and Board of Education accepted.

Messrs. Chester M. Crowell, Wm. O. Hoyt, and H. Kirk Spear appointed tellers.

Mr. W. L. Black declined a renomination as member of the Board of Education. Messrs. Robert Steel, W. R. Tilton, and Mrs. H. McD. Little were nominated. The polls were kept open one hour, as required by law, and the nominees were declared elected by a practically unanimous vote, to serve three years.

Moved, that the several amounts asked by the Board, for the support of the schools, be appropriated, and be raised by a district tax. The vote was by ballot, with Messrs. O. E. Hoyt, J. B. Smith and E. W. Strickland as tellers. The vote was unanimous for the following amounts:

Repairs and refurnishing	\$1000
Text books and supplies	1400
Faulters	1200
Current expenses and miscellaneous	900
Library account	120
	\$4220

The following resolution was then introduced, and ballot taken:

No. 1. Resolved, That the Board of Education be and hereby is authorized to erect and furnish a school house on the plot of ground recently purchased, and situated on the south-west side of present Central school building, at a cost of not more than fifteen thousand dollars (\$15,000).

Forty-five ballots were cast, as follows: for the resolution, 44 votes; against, 1 vote.

Two enabling resolutions were then considered, as follows:

No. 2. Resolved, That for the purpose of securing the money needed to erect and furnish the said school house, the sum of fifteen thousand dollars (\$15,000) be raised by issuing the bonds of the District, in the corporate name of the District, in the denomination of one thousand dollars (\$1000) each.

No. 3. Resolved, That the first bond of the issue shall become due and payable on the first day of January, 1915; and that the remainder shall become due and payable, in sums of \$1000 each, on each successive January 1st, annually, thereafter. And that each year, until the last bond is paid, a tax shall be levied, according to law, on the property and inhabitants of the District, sufficient to pay the bond maturing, together with the accrued interest on those then outstanding.

The Secretary was authorized to cast the unanimous vote of the meeting in favor of the above resolutions, and they were declared adopted.

Of course, there was considerable discussion preceding the vote on the first resolution, until it was made clear that a new eight-room school building is absolutely needed to accommodate the ever increasing number of school children.

It was also stated that, of course, the Board would only issue such an amount of the authorized bonds as may be absolutely necessary to erect and furnish the building.

Messrs. Cora and Lina Burgess entertained a number of their friends on Saturday, March 18th, at an evening gathering at their home, 814 Bellevue Avenue. After a very pleasant evening, the guests were invited to the dining room, where a bountiful repast was served. The table and rooms were neatly decorated with green. As Sunday morning was ushered in, the guests departed for their respective homes, each voting that they had spent an enjoyable evening. Among those who participated were: Messrs. Viola Adams, Bessie Board, Mattie Dabill (Atlantic City), Ella Hoyle, Anna Holland, Ollie Holland, Amy Joslyn, Inez Lauce, Della Nicolai, Cora and Lina Burgess, Mr. and Mrs. E. P. Jones, Messrs. Wilbur Adams, John Armstrong, Wm. Doerfel, Eugene Coggey, Ernest Jackson, Christian Holser (of Philadelphia), Clarence and Andrew Littlefield, Wm. Reed, Chas. Slack.

JOHN W. ROLLER

Bellvue Ave., Hammononton.

The Republican.

(Entered as second class matter.)

SATURDAY, MARCH 25, 1905.

TOWN MEETING.

By invitation of Town Council, a large number of voters gathered in Bellevue Hall last Saturday evening, 18th inst., to talk over Town matters.

A. L. Jackson was chosen Chairman.

J. L. O'Donnell, Secretary. From force of habit, the minutes of last annual meeting, and a special, were read.

Wm. H. Bernhouse, Chairman of Council, stated that there were numerous petitions for additional street lights; that the gas company had offered to furnish good all-night lights for \$25 each per annum. After considerable discussion, voted to request Council to contract for twenty gas lights, at the rate named.

On motion of Mr. Myrick, meeting approved of appropriations fixed by Council. (Published last week.)

Mr. Rider moved that Council be requested to investigate various beds of gravel lately developed, and if deemed advisable, to buy them with money from surplus funds. Carried.

Mr. Jacobs' motion, amended by Mr. DeFay, was carried, that Council be asked to call a town meeting early enough to make nominations for next November election.

Meers, Dobbs & Frazier offered to extend water mains on certain streets, provided the Town will purchase same (or portions of them) whenever they return an income of six per cent. Petitions for other extensions were also presented, and after much talk, motions, and amendments, it was voted that if the Water Commissioners have legal power to do so, they be authorized to extend water mains wherever desired, to the amount of \$15,000; provided each proposed extension shall be guaranteed to pay seven per cent. on its cost. This \$15,000 may be raised by bonds, and must also pay for a duplicate compressor (costing about \$1500), for the pumping station.

On motion of Mr. Deiker, Council was requested to give the Atlantic City Railroad Company thirty days in which to replace the old Chew B-and crossing.

Mr. DeFay stated that Council had included fifty dollars for Memorial Day in their appropriation for town purposes. This was approved, on motion of Mr. Burgan.

J. L. O'Donnell, Town Clerk and Secretary of Water Commission, stated that his salary of \$200 a year, in former position, and \$100 as Commissioner, was not sufficient. Voted, that the Commissioners be authorized to appoint a Secretary, and pay him \$100 a year.

It was clearly understood that this meeting had absolutely no legal status, but was called to accept a public sentiment upon the various matters discussed; and will doubtless aid Town Council in their work.

W. O. T. U.

This place belongs to the Women's Christian Temperance Union, and its members are responsible for what they publish.

Dr. Wilbur F. Crutts,

Superintendent International Reform Bureau, says:

"I am more and more convinced that Miss Willard's greatest contribution to the science of reform was this, 'Do everything policy.' A Scotchman, teaching his son that honesty is the best policy, said 'I have tried both.' And so I can say of the do everything policy, that in the thirty-seven years since I made my first temperance speech, and in the seventeen years I have given wholly to reform, I tried both the one-idea and the manifold method of reform, and I am fully persuaded that social welfare is to be secured, not by any one panacea, but by fighting disordered human nature at many points, especially as concerns Intemperance, Impurity, Sabbath breaking, and gambling. Press Sun."

Among the questions to come before Council, to-night, will be in regard to issuing more bonds for extension of water mains. Under the vote of the Town, Council has legal authority to issue bonds "not to exceed \$50,000." The Water Commissioners think that they can use the remaining \$15,000 to advantage, and make it earn a good rate of interest.

A market basket, left at the Remembrance Sale, can be found by the owner at Mrs. M. L. Jackson's.

"I am more and more convinced that Miss Willard's greatest contribution to the science of reform was this, 'Do everything policy.' A Scotchman, teaching his son that honesty is the best policy, said 'I have tried both.' And so I can say of the do everything policy, that in the thirty-seven years since I made my first temperance speech, and in the seventeen years I have given wholly to reform, I tried both the one-idea and the manifold method of reform, and I am fully persuaded that social welfare is to be secured, not by any one panacea, but by fighting disordered human nature at many points, especially as concerns Intemperance, Impurity, Sabbath breaking, and gambling. Press Sun."

Among the questions to come before Council, to-night, will be in regard to issuing more bonds for extension of water mains. Under the vote of the Town, Council has legal authority to issue bonds "not to exceed \$50,000." The Water Commissioners think that they can use the remaining \$15,000 to advantage, and make it earn a good rate of interest.

A market basket, left at the Remembrance Sale, can be found by the owner at Mrs. M. L. Jackson's.

The Republican.

(Entered as second class matter.)

SATURDAY, MARCH 25, 1905.

TOWN MEETING.

By invitation of Town Council, a large number of voters gathered in Bellevue Hall last Saturday evening, 18th inst., to talk over Town matters.

A. L. Jackson was chosen Chairman.

J. L. O'Donnell, Secretary. From force of habit, the minutes of last annual meeting, and a special, were read.

Wm. H. Bernhouse, Chairman of Council, stated that there were numerous petitions for additional street lights; that the gas company had offered to furnish good all-night lights for \$25 each per annum. After considerable discussion, voted to request Council to contract for twenty gas lights, at the rate named.

On motion of Mr. Myrick, meeting approved of appropriations fixed by Council. (Published last week.)

Mr. Rider moved that Council be requested to investigate various beds of gravel lately developed, and if deemed advisable, to buy them with money from surplus funds. Carried.

Mr. Jacobs' motion, amended by Mr. DeFay, was carried, that Council be asked to call a town meeting early enough to make nominations for next November election.

Meers, Dobbs & Frazier offered to extend water mains on certain streets, provided the Town will purchase same (or portions of them) whenever they return an income of six per cent. Petitions for other extensions were also presented, and after much talk, motions, and amendments, it was voted that if the Water Commissioners have legal power to do so, they be authorized to extend water mains wherever desired, to the amount of \$15,000; provided each proposed extension shall be guaranteed to pay seven per cent. on its cost. This \$15,000 may be raised by bonds, and must also pay for a duplicate compressor (costing about \$1500), for the pumping station.

On motion of Mr. Deiker, Council was requested to give the Atlantic City Railroad Company thirty days in which to replace the old Chew B-and crossing.

Mr. DeFay stated that Council had included fifty dollars for Memorial Day in their appropriation for town purposes. This was approved, on motion of Mr. Burgan.

J. L. O'Donnell, Town Clerk and Secretary of Water Commission, stated that his salary of \$200 a year, in former position, and \$100 as Commissioner, was not sufficient. Voted,

If I were a Preacher.
If I were a preacher, I would be just
as friendly to the colored people as I
was to the white. [God is no respecter
of persons.]
If I were a preacher, I would not
have the Church to think that I
wanted everything in my own way.
["Come let us reason together, saith
the Lord."]
If I were a preacher, I would not
judge an individual from current ru-
mors. ["Judge not, that ye be not
judged."]
If I were a preacher, I would not
rebuke or criticize any person for an
act simply because I thought it was
wrong. ["Let him that is without
sin among you cast the first stone."]
If I were a preacher, I would not
bear malice toward any one for criti-
cizing my sermons. ["Vengeance is
mine, saith the Lord; I will repay."]
If I were a preacher, I would not
be unkind or disrespectful, nor would
I be dissatisfied with my Church
work. ["Work, for the night is com-
ing, when no man can work."]
If I was a preacher, I would do my
duty as well for ten dollars as I would
for twenty. ["Silver and gold have I
none, but such as I have give I thee."]
ONLY A BOY.

Is it Right?
Is it right that a property-owner should
lose \$4.20 to let a dealer make 50 cents?
A dealer makes 50 cents more on four-
teen gallons of ready-for-use paint, at
\$1.50 per gallon, than our agent does on
eight gallons of L. & M. paint and six
gallons of linseed oil, which make four-
teen gallons of the best paint in the
world, at \$1.20 per gallon; the property
owner loses just \$4.20. Is it right?
It only requires 4 gallons of L. & M.
and 3 gallons linseed oil to paint a mod-
erate sized house.
Ten thousand Churches painted with
Longman & Martinez L. & M. Paint.
Liberal quantity given to churches
when bought from H. Moll, Little.
