1s it Right?

Is it right that a property-owner should lose \$4.20 to let a dealer make 50 cents i A dealer makes 50 cents more on four-teen gallons of ready-for-use paint, at \$1.50 per gallon, than our agent does on eight gallons of L. & M. paint and six gallons of linseed oil, which make four-teen gallons of the best paint in the world, at \$1.20 per gailon; the property owner lesss just \$4.20. Is it right?

owner loses just \$4.20. Is it right?
