

as almost every one knows. You can
not affect them, and there are number
less varieties. Still he who originates a
valuable variety, or improves one already
existing, is a public benefactor. Every
man is in the interest of any neighbor
who is a dealer in fancy rubbers; out of the
world to sell the high priced ones to
them suitably. They will be scarce
another year. — *March and Apri*, 1885

NATURE'S GREAT RESTORER

SCHLEELZ'S
DELEGATED
BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of

nature, and selected with the utmost care. It is not recommended as a cure-all, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many serious ailments. It is

31
diseases to which more or less are subject, and
a reliable Family Medicine, and can be taken by
either infant or adult with the same beneficial
results. It is a certain, prompt and speedy rem-
edy for Diarrhoea, Dysentery, Bowel Complaint,
Dyspepsia, Loosening of Stools, Flatulency, Stomach

Headache, &c. For Chills and Fevers of all kinds, it is far better and safer than Quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digestant of food, and will counteract the effects of liquor in a few minutes.
