There will be no Alumni entertainment in the High School next Monday evening. A week later, the 27th, they will have a debate on the Panama Canal toll fee. This is a timely topic, and should bring out much information.

Rev. H. H. Bodine has sold his property, at Second and Vine, to Samuel Litke. Mr. Bodine and wife will remove to Philadelphia, where he has other relatives and property investments. Friends here will be sorry to lose him.

Dr. Needham will deliver a lecture next Friday evening, at 7.45, in the M. E. Church, on "From Cannibal Lands," of his early boyhood experiences. At the age of thirteen, he was slaughtered, taken to Patagonia, and marooned on a cannibal island. Taken by the savages, they were about to eat him when they noticed a crucifix tattooed on his arm, and his life was saved. He finally escaped from the island, by a miracle. Dr. Chapman says this is the most thrilling life story he ever heard. A silver offering will be taken. All are invited.

Some delightful weather, early this week, though most too chilly for early planting. Wednesday brought us a cold rain, which lasted all day.

At the M. E. Church, to-morrow. Preaching by the pastor at 10.30; Bible School at noon. Good music. Seats free. All welcome. Union service in this church in the eve. \*

Many foreign autoists came to grief in Jersey, last Friday,—quite a number paying fines and costs in Hammonton. Some had no licenses, others neglected to bring them along.

### Crown Linked to Cross.

(Poem recited by Dr. Thos. Needham.)

I've watched my ships to out,  
 Each, one by one, unmooring free,  
 And the time the quiet harbor filled  
 With flood-tide from the sea.

The first that sailed, her name was Joy,  
 She spread a smooth, white ample sail  
 And eastward drove with bending spar  
 Before the singing gale.

The next that sailed, her name was Hope:  
 No cargo in her hold she bore;  
 Thinking to find in western lands  
 Of merchandise a store.

The next that sailed, her name was Love:  
 She showed a red flag at her mast,  
 A flag as red as blood she showed,  
 And toward the south sped fast.

The next that sailed, her name was Faith:  
 Slowly she took her passage forth,  
 Tacked and lay to: at last she steered  
 A straight course for the north.

My gallant ships they sailed away,  
 Over the deep, blue summer sea,  
 I stood and watched for many a day,  
 But only one came back to me.

For Joy was caught by Pirate Pain:  
 Hope ran upon a hidden reef:  
 And Love took fire and foundered fast  
 In whelming seas of grief.

Faith came at last, storm-tossed and torn,  
 But recompensed me all my loss:  
 For as a cargo she brought  
 A crown linked to a cross.

### Girl Pioneers of America.

The "Girls' Friday Evening Club," after a careful investigation of several societies for girls, have organized themselves into "Girl Pioneers of America," satisfied that that society embraces the highest moral teaching, broadest practical training, as well as encouraging out-of-door life, the field sports and games so necessary for the development of the physical side of girlhood.

The G. P. of A. was founded by Miss Lina Beard, the well-known author of many handicraft books for girls. The National Council is composed of many of the most prominent people of the country, such as Dr. Earl Barnes, School of Psychology and Pedagogy, Miss Helen Varick Boswell, of General Federation of Women's Clubs, and others.

As there have been many inquiries in regard to the aim of the organization, we copy the following from the Director's hand-book:

THE AIM of the organization of Girl Pioneers is to cultivate in girls the sterling virtues which our early pioneer women stand for—Courage, Uprightness, Resourcefulness. To create a desire in Girl Pioneers for a happy, healthy, broad and useful life, and to show this how to attain it. To give girls things to do that are interesting and wholesome, and that will strengthen character. To develop a love for out-of-door life by showing them how to live it.

PLEDGE. I will speak the truth at all times. I will be honest in all things. I will obey the Pioneer Law.

LAW. A girl pioneer is trustworthy; is helpful and kind; is reverent, chooses happy, cheerful, wholesome topics for conversation; keeps herself physically well and strong; is self-respecting, and keeps her thoughts clean; is brave; is loyal; does not speak ill of anyone; is cheerful; is industrious and thrifty; she always remembers that people are worth more than money or things, and values another for what that other really is, not for what she has.

The watchword is—"I CAN!"

Talks on "first aid" have been promised the Hammonton Band, and doubtless other specialists will be secured to give instruction on other subjects. The officers will endeavor to make the meetings profitable as well as enjoyable.

The local Band is composed of several Groups of six or more girls. Each Group elected their Leader and Assistant Leader, adopted their own bird name, and are to decide upon their own cheer and color to wear with their badge.

The G. P. have their own sign, a salute which means a brave heart, an honest mind, a resourceful hand; also a cheer, song, and an inexpensive badge. If desired, there is a practical uniform, made by the makers of the Boy Scouts uniform. There is no initiation fee, no dues. The organization does not conflict with any other.

Any girl who desires to become a Girl Pioneer may either join one of the Groups already formed, or form a Group of six or eight girls twelve years old or over (unless it is to be a Junior Group), and then communicate with Miss A. L. Hoyt, who has been appointed Director by the Executive Board.

It is hoped that the mothers will take an interest in this movement, for we are sure that with their help it will be a benefit as well as a pleasure to its members.

Linden Tree is 1,200 Years Old.  
 The German village of Romborn has a linden tree which is said to be more than 1,200 years old.
