Athletic Association.

The H. A. A. held a meeting on the 14th inst., and another on the 18th. At the latter, the By-Laws drawn up by the committee were adopted.

Any person sixteen years old or over is eligible to membership, on payment of fifty cents admission fee. The dues are one dollar per year, payable in two equal instalments, in May and August.

The By-Laws become effective May 1st. Those wishing to join before that date should see one of the membership committee—Harry Russell, Charles Slack and Ernest

The association now has about forty members, and this number should be largely increased.

The next meeting will be held on Tuesday evening May 2nd, in Firemen's Hall. Members, prospective members, and all interested in base-ball and other athletics in Hammonton are invited.

Manager Jones is trying out candidates for the team.

The association will probably maintain two teams this season, and these, with substitutes, will require a large number of players. Anyone desiring to try for position should communicate with the man-

ager as soon as possible.

Members of the teams are all exempt from payment of dues.

The season will probably open May 20th. It is time to get busy.
