We Reduce

The price of Beck's Breakfast Flakes to 10 cents per package. All of our customers who use them speak in the highest terms of their most excellent qualities. Samples free.

Have you tried them? If not, would be pleased to furnish you with a sample package, at least. They are made from the very choicest white wheat, carefully prepared. Anything more healthful and more easily digested cannot be imagined. Try 'em.

Don't like to repeat too often,—but have you tried Hasty Lunch Chocolate? If not, you are missing a treat. Secure at least a half-pound pkg., and serve for breakfast instead of coffee. You'll be pleased with the change. 30 c. per pound.

Loose Macaroni and Vermicelli seem to be good sellers. Served with cheese or tomatoes, it is very fine; and our prices make it within the reach of every one. We quote Macaroni at 8 c., Vermicelli at 9 cents a pound.

Now that house-cleaning is upon us, Tacks become a very important item of household supplies. We think we have the acme of perfection in this line. No more blistered fingers, pushing tacks thro' the carpet. These are made of stout round wire, very sharp at the point, broad flat heads, making them easy to drive into the hardest wood. Put up in stout wooden boxes. Give you any size you wish—6, 8, or 10 ounce,—5 cents per box.

Prices of Canned Goods of all kinds have been advanced somewhat, but we hold ours down to old figures, with one exception, viz: Canned Peaches, which we move up one cent per can.

Peerless Tomatoes are still 10 cents.

Heavy Syrup Table Peaches, 14 c.

Paris Corn, 2 for 25 c.

Sugar Corn (very fine goods), 7 c.

Lima Beans, 12 c.

Succotash (corn and beans), 11 c.

Coreless and eyeless Pineapple, 15 c.

Egg Plums, 10 c.

California Apricots, 15 c.

Canned Fish remains about the same. We quote:

Horse-Shoe Salmon, nice solid red fish, 12 c.

Hapgood Salmon, 17 c.

Fresh Mackerel, 10 c.

Kipperd Herring, 20 c.

Sardines (Domestic), 5 c.

Sardines (imported), 15 and 20 c.

HAY.

We have recently received a car of the finest hay we ever handled,—being bright, sweet, and well cured. Can give you either clear Timothy or the mixed. We quote at 85 and 95 c. per 100.

FLOUR.

Although the Flour Market has advanced from 15 to 25 c. per barrel recently, we hold our price at the old figures, viz: \$3.75 for good Family, to \$5 for best Spring or Winter Wheat.

Pardon us, but we would like to call attention to Chicago Gluten Meal once more. Since our advertisement appeared concerning it, several of our patrons have given it a trial, and without exception all speak in the highest terms of its milk-producing qualities. We have several statements from stock raisers, wherein they say that the increase in flow of milk has been 25 per cent. We reduce our price to \$1.35 per 100 pounds.

Don't forget we are headquarters for Garden and Field Seeds, for Farm and Garden Implements, for Fertilizers, etc.

THE EMPTY DINNER-PAIL.

As I sit here idly dreaming
Of the happy time that's gone,
Not a dollar in my pocket
And poor prospect further on,
The thing that breaks me up the most
And makes me feel so small,
Is the sight of that old dinner-pail
There hanging on the wall.

I've carried that old dinner-pail
For fifteen years or more,
And it never saw me out of work
Or destitute before.
For with shops and factories running
And the best of wages paid,
A prosperous lot of fellows were
The dinner-pail brigade.

But you see we weren't satisfied,
Tho' it does seem mighty strange,
And we said we thought the country
Would be better for a change;
So we rallied about the tariff
And we blowed about free-trade,
And we voted Democratic,
Did the dinner-pail brigade.

Well, a change was what we wanted,
And we got it too, you bet,
For shops and factories soon shut down
And left us in the wet.
The banks suspended payment
And I lost my little all,
And the dinner-pail is empty now
That's hanging on the wall.

I'm dependent now on charity
For the roof above my head,
And I've seen my wife and little ones
Go hungry to their bed;
But I've plenty time for thinking:
And I see it isn't strange
For I voted Democratic
Just to have a little change.

Yes, we voted Democratic,
And you see the change has made
A lot of hungry beggars
Of the dinner-pail brigade.
The working men are idle,
But the wormwood and the gall
Is to see that empty dinner-pail
Hang useless on the wall.

Early last Tuesday afternoon Gov. Werts signed the bill requiring temperance teaching in the public schools. The act was celebrated in a unique manner by leading representatives of the W. C. T. U. Mrs. Mary Hunt, the national President, was particularly enthusiastic. She has agitated this kind of legislation all over the country. The National Union had made, years ago, a muslin map of the United States, with black crape over the States having no such law. As each State passed an act making temperance instruction imperative, the crape was taken off in a ceremonial and dramatic style. The custom was followed this time. Mrs. Hunt and a dozen of her associates were on hand when Gov. Werts signed the New Jersey bill. The Governor gave the pen to Mrs. Hunt.

"Now we'll take the black mark off New Jersey," said Mrs. Hunt, as they left the Governor's sanctum and went to the main reception room. Here the map, twenty feet square, was unrolled. Each woman held a corner. Dr. Wilbur, who introduced the bill in the House, and Senator Stokes, who piloted it thro' the Senate, were on hand.

"Now cut the crape off," Mrs. Hunt said, as she handed a neat pair of scissors to Dr. Wilbur. The young Assemblyman did so.

"Hurrah! hurrah!" the women cried. "New Jersey's been redeemed!" "Hallelujah! hallelujah!" shouted one, "and Jersey has been redeemed forever more," Mrs. Hunt said again, and her associates joined in chorus.

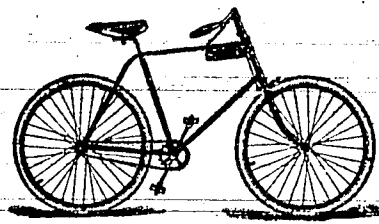

There was general handshaking and felicitation. Then the crape patch was given to Dr. Wilbur and the scissors to Senator Stokes. The Senator will have an inscription made and he will then present them to the W. C. T. U. of Millville.

J. E. Rhodes, of Vernon township, Sussex County, recently made a great find in blasting a blue limestone rock. When the rock was rended it was found to be filled with petrified fish, shells, crabs and other small species. There was a small lizard imbedded in the solid rock.

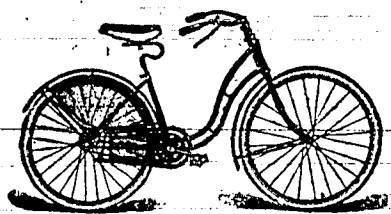

It is Good. The more Chamberlain's Cough Remedy is used, the better it is liked. We know of no other remedy that always gives satisfaction. It's good when you first catch cold. It is good when your cough's seated and your lungs are sore. It is good in any kind of a cough. We have sold twenty-five dozen of it, and every bottle has given satisfaction. Nearly every family on the south side of Fifteenth Street has one or more cases of sickness among them.

The on-to-Washington armies have been fed and helped along on their journey — by those anxious to get rid of them as soon as possible — but it is not apparent who's going to feed them at Washington.

Senator McPherson appears to be opposed to the Wilson bill as a Jerseyman, but in favor of it as a Presidential candidate.

The Republican majority in the legislature is getting lots of advice, much of it in very advisory language. In the meantime it is making no mistakes.

It is a reform to turn a ring spoilsman out of office.

It is a brazen fiction of the Administration leaders in Congress that the labor of the country has not protested against the Wilson bill. It has not been heard simply, because the free trade party would not give it a hearing; it has been gagged and suppressed.

Hammoncton will soon be known as "the town on wheels." We don't know how many wind-mills there are, but the view from a high point shows many. Then the bicycles! Twenty or more have been brought in this Spring, and not less than a hundred are owned and ridden in town. At almost any time in the day or evening, these swift and silent servants can be seen in any direction. Let 'em come: perhaps one of 'em may find ye editor, bye an' bye. It certainly would if there wasn't quite so much "buy and buy" about them.

Munyon's Rheumatism Cure.

Mr. W. J. Wilson Suffered such agony from Rheumatism that he Considered Death Preferable to Life. He is Entirely Cured.

In reply to the question if he had been benefited by the use of Munyon's Rheumatism Cure, Wm. J. Wilson, 2315 Taylor St., Philadelphia, said: "I have had rheumatism for thirty years, and have suffered untold agonies; was completely discouraged, and felt that death was preferable to life in my suffering condition. My shoulders were so sensitive that even the weight of my coat caused me much pain. I tried everything I knew for relief, and spent hundreds of dollars in medicines, but found nothing that did me any good until I procured a bottle of Munyon's Rheumatism Cure. Before I had taken half of it, I felt relieved. The pain disappeared after taking three doses, and I am now entirely free from suffering."

Munyon's Rheumatism Cure never fails to relieve in three hours, and to cure in a few days.

Munyon's Homeopathic Home Remedy Company put up specifics for nearly every disease, which are sold by all druggists, mostly for 25 cts. a bottle.

Catarrh positively cured. Munyon's Vitalizer imparts new life, restores lost powers to weak and debilitated men. Price, \$1.

Kidney Complaints, Constipation, Dyspepsia, Piles, Neuralgia, Asthma, and all Female Complaints quickly cured.

Honest and Independent Democrat was asked this Spring if he intended voting his party ticket. "No," he said, "they are hoarse cleaning in my house and I am going to stay out until it is done." Only those stay in who like dirt, and revel in foulness.

Coxey's claim to represent the people is a delicious bit of Spring-time "gall."

Senator Morgan is not ashamed of his defense of Minister Stevens, the man who raised our flag over Hawaii, as these remarks to a meeting in Alabama show: "Fellow citizens, you would have been ashamed of me if I had been led off by a partisan howl, gotten up by unfair men, and laid aside justice and followed a political crowd either to laud a man or to destroy him." That's rather rough on Cleveland and Gresham, who got up the "partisan howl."

The Republican party should so govern as to make the people want it to keep on governing.

Who says Rheumatism cannot be cured? My wife was confined to her bed for over two months with a very severe attack of rheumatism. We could get nothing that would afford her any relief, and as a last resort gave Chamberlain's Pain Balm a trial. To our great surprise she began to improve after the first application, and by using it regularly she was soon able to get up and attend to her household. E. H. Johnson, of C. J.
