W. C. T. U.

The ladies have taken this space by the year, and are responsible for all that it may contain.

Mrs. L. E. Bailey

National Organizer of the W. C. T. U., delivered an address in the Baptist Church, Sunday afternoon, April 27, to the women, which was very interesting and helpful, showing the protective and rescuing powers of the white ribbon bow, which, as she says, should be worn at all times.

Also, at the union service held in the evening in the M. E. Church, she delivered an earnest and forceful lecture to a large and attentive audience, and held them spellbound from beginning to end.

It is to be hoped that Christian voters will arouse themselves, and deal justly by their fellow men, hereafter.

At the Atlantic County Spring School of Methods, W. C. T. U., held at Egg Harbor on Tuesday, April 29th, the following resolutions were adopted:

We hereby reaffirm our complete dependence upon God, thanking him for his never-failing care, and beseeching his continued guidance over us; therefore, Resolved—

1. That we consecrate ourselves anew to do all we can for the advancement of the temperance cause, and to abolish from our land the legalized liquor traffic.

2. That in our local Union we emphasize the work of education along the lines of temperance, and have Superintendents pay particular attention to the enforcement of the law regarding scientific instruction in public schools.

3. That we deplore the effort being made to have the lesson committee remove the quarterly temperance lesson from the international leaves used in our Sunday Schools, and will use our best efforts to have them retained.

4. That we urge upon parents the supreme importance of early instruction and home training in total abstinence.

5. That we heartily commend the work of the Rev. S. H. Hann, Sec'y of the Law and Order League, in bringing about a better observance of the Sabbath at seaside resorts. Also, the stand Judge Hendrickson has taken, in that he did not hesitate to condemn the juries who failed to find cause for indictment in cases brought before Atlantic and Cape May Counties.

6. That we extend our heartfelt thanks to the ladies of the Egg Harbor Union for their cordial reception and hospitable entertainment, to the pastor for his presence and support, to the officers for the use of their Church.

There was a special meeting of Town Council on Thursday evening. Ben Foglietta and Matt. D'Agostino were granted bottles' license. It was voted to call a special town meeting on Thursday evening, May 15th, in the Council Room, at which time voters will be asked to dispose of the \$1200, more or less, of license money in the treasury. We will give more details next week.

Glass Works.

What we said last week about retaining the Skinner Glass Works in Hammononton, was based upon the statements of one who ought to know; but it seems that he was mistaken.

Mays Landing appears to know a good thing when she sees it, and has offered Messrs. Skinner & Son the use of a factory building 30 x 100 feet, with water-power and seven acres of land, all to be deeded to them after five years of successful occupancy. This looks very favorable for the firm, and they seem quite inclined to accept. There are many objections to locating there, which have been stated to Mr. Skinner, and the matter is being considered.

Our local committee have done all in their power to raise the required amount, which would give the firm a new building, 31 x 125 feet, two stories, very substantially built, and a separate brick engine-house. Some who were expected to aid largely have not responded as liberally as was hoped, and the total amount subscribed falls short. Still, we think, all things considered, that Hammononton's proposition is preferable to the other, and may possibly be accepted.

LATER. Just as we are going to press, Friday noon, Mr. Thomas Skinner informs us that they have decided to meet the citizens half-way, and remain in Hammononton.

Board of Trade.

The Hammononton Board of Trade organized on Wednesday evening, by adopting a constitution and by-laws, and electing the following officers for the year ending Dec. 31st, 1902:

President, R. J. Byrnes.
First V. P., Wm. L. Black.
Second V. P., H. M. Phillips.
Secretary, Dr. C. Cunningham.
Treasurer, Dr. J. A. Waas.
Directors, Wm. Colwell, Robert Steel, O. E. Hoyt, T. H. Coggey, and the officers named above.

Regular meetings of the Board will be held on the second Tuesday evening of each month. Special meetings at the call of Secretary.

Any person who is interested in the welfare of Hammononton may become a member of the Board upon recommendation of the Board of Directors.

The annual dues of members will be one dollar, payable in January. A committee was instructed to complete incorporation at once.

The Directors were instructed to meet with Town Council on Thursday evening, to consider the Skinner Glass Works business.

This organization can be made very valuable to the town.

Mrs. Bailey was honored with a full home last Sunday evening, in the M. E. Church. As the lady has traveled and lectured all over the United States, she has a fund of anecdote and experience that spiced her lecture very entertainingly. The united choir rendered very enjoyable music.

A Nearly Fatal Runaway Started a horrible scene on the leg of J. B. Ormer, Franklin Grove, Ill., which doctored and all remedies for four years. Then Bucklin's Aches cured him. Just as good for boils, lumps, bruises, cuts, corns, scalds, skin eruptions, and piles. 25 cents, at Rogers' drug store.

The Great Dinnat Swamp On Virginia is a breeding ground of malarious germs. It is low, wet, or marshy ground, but every where. These germs cause malarious fever, chills and fever, and may induce dangerous complications. This Dinnat Swamp never fails to destroy them and cure malarious fever. They will surely prevent typhoid. "We tried many remedies for malarious fever and typhoid," writes John Chisholm, of Haysville, Ohio, "but we found nothing so good as Bucklin's Aches." Try them, only 25 c. Rogers' drug store, guarantees satisfaction.

Lower Bellevue Avenue is easily in need of repair. We haven't seen it in such bad condition for many years. The old gravel is worn out, and scraping does but little good.

On Wednesday, Arthur, five-year-old son of L. A. Hoyt, was playing in a wheelbarrow, which tipped over, fracturing both bones in the little fellow's left forearm. Dr. J. C. Bille attended him, and he is doing well.

Nicholas Molino, while driving P. Ransere's horse, was badly injured last week Friday. The animal was frightened by a train, near the Union, and ran away. Nick's nose was broken, rib dislocated, arm lacerated, etc.

Born, at Concor, Nilgiri Hills, on March 27th, 1902, to Mr. and Mrs. W. H. Farrar, of Aral, Madras Presidency, India, a daughter, Louise Elizabeth. Many Hammononton friends tender congratulations to the proud parents, in their far-away home.

Hammononton has put on her beautiful raiment. Shade trees are clothed with Spring verdure, grass is springing up with rapid growth, orchards are attractive beyond words, with blossoms of varied hue. Not many flowers are open, some of the very earliest are gone, and others are kept back by a lingering chill in air and earth. On such a day as Thursday—May Day—it was a pleasure to be alive, and to live in a town like Hammononton.

ELWOOD NOTES.

Mrs. Bailey, a prominent W. C. T. U. speaker, lectured here Monday evening, her subject being "The Home or the Saloon, which?" Her hearers seemed to be pleased with her.

Mrs. Walling, sister to the late Caroline Smith, died at her home in Philadelphia, and was buried here on Monday last.

Born, to Mr. and Mrs. Wm. Johnson, a daughter.

Mrs. Caroline L. Walker and son, of Atlantic City, were in Elwood part of this week.

Rev. Minot O. Morgan, from Far Rockaway, is visiting his father.

Miss Grace Robinson and Miss Roba Stone attended the Christian Endeavor Convention held in Atlantic City on Tuesday, as delegates.

Do you know where to find the Post office now? It is on the opposite side of the railroad from the former one, in the building known as "the Griswold place." This building was used for the same purpose, years ago.

Mark Foster had an encounter with two negroes on the county road, on Wednesday. He was on his way to Egg Harbor with a load of wood, and the negroes demanded a ride. Mr. F. refused, because he had a heavy load. However, the men insisted, and had to be taken off by force. In the struggle, Mr. Foster's knuckles were hurt, probably caused by the hardness of the negro skull.

About a week ago, John Mick had ten dollars stolen from him. He had sold a buggy, and placed the money in his trunk, and locked it. On returning from work, his mother told him that Charlie Jordan, a boy about fifteen years old, and a resident here, had entered the house, looked her out, and had then gone up stairs. John investigated at once, and found his trunk broken open, the money gone. The boy was found and compelled to surrender the money. A warrant for his arrest was procured, but he disappeared, and has not yet been found.

Base-Ball News.

Lovers of base-ball will be glad to learn that the season in Hammononton will open next Saturday, May 10th, when the home team will play the Overbrook nine.

Manager DePuy has arranged a series of games, this season, that far eclipse any previous schedule, more games having been arranged with the County teams, which are always very closely contested. The Philadelphia club, which will play here are all first-class attractions, and have only been secured after a careful consideration of the many challenges received. The players who will probably compose the home team are,—P. Jefferson, Angelov, Herbert, Setley, Anderson, J. Jefferson, Cordery, Conley, Naylor, and Harrar,—all of whom are known locally as experienced players. The management has several new players in view, who no doubt will have a chance to display their skill before the season closes.

The directors have decided to make the following prices for admission to games: Gentlemen, 15 cents; Ladies, 10 cents; grand stand, 5 cents extra. The schedule of games arranged for the season is as follows:

There was a fire in town last Saturday forenoon, yet very few people in this part of town knew of it. The barn, corn crib, and other out-buildings on the John Miller farm, on Middle Road, were destroyed, and the Independent Fire Company had a hard fight to prevent the destruction of two or more neighboring houses. The fire is supposed to have originated in the pipe of a workman who had just previously left the barn.

"A neighbor ran in with a bottle of Chamberlain's Colic, Cholera, and Diarrhoea Remedy when my son was suffering with severe cramps and was given up as beyond hope by my regular physician, who stands high in his profession. After administering three doses of it, my son regained consciousness and recovered entirely within twenty-four hours," says Mrs. Mary H. Haller, of Mt. Crawford, Va. This remedy is for sale by Rogers.

Doctor's Bad Pight. "Two years ago, as a result of a severe cold, I lost my voice," writes Dr. M. L. Scarborough, of Hebron, Ohio. "Then began an obstinate cough. Every remedy known to me as practicing physician for 35 years, failed, and I daily grew worse. Being urged to try Dr. King's New Discovery for Consumption, Coughs and Croup, I found quick relief, and for last ten days have felt better than for two years." Positively guaranteed for throat and lung troubles by Rogers. 50 cents and \$1. Trial bottles free.

A Valuable Medicine for Coughs and Colds in Children.

"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Chas. M. Cramer, Esq., a well known watchmaker of Col.ombo, Caylon. "It has been some two years since the City Dispensary first called my attention to this valuable medicine, and I have repeatedly used it and has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children, and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try this valuable medicine, and they are all as well pleased as myself over the results." For sale by J. S. Rogers.

Town Council Meeting.

Regular monthly meeting on Saturday evening, April 26th. All present.

Col. B. W. Richards being present, was granted permission, and asked that Council extend the electric wiring down Central Avenue to Hammonton Ave. He was informed that the matter was being considered, and would be decided later.

Highway Committee reported on various matters,—among others, that the damage complained of by residents on Fairview and Main Road was caused by the extraordinary quantity of water; but that it was following its natural course. An effort was being made to drain in another direction.

License Committee reported favorably on the application of Ben. Foglietta. Later, his license was renewed for a year.

Law and Order Committee reported arrest and fine of two automobilists for fast driving. Clerk read a letter from Chas. Schwab, the steel magnate, in response to one from our Committee, stating that he was not aware that he had violated a town ordinance while passing through Hammonton, which was far from his intention, and promised that there should be no future cause for complaint.

After considerable debate on the subject of tax abatements for 4-inch wagon tires, the claim of W. H. Bernhouse, presented at the March meeting, was granted.

Boys petitioned for the use of Park Hall, to be used for basket-ball. Debated, and referred to Property Committee. The vote to locate are light at Chew Road and Thirteenth Street was reconsidered (the Company refusing to extend their line so far), and said light added to Central Avenue—exchanged for incandescent lamps.

Highway Committee instructed to employ surveyor to locate First Road from Twelfth to Thirteenth Street.

Certain parties having asked whether Council would allow them to use a slot machine which gives every player some return for his money—possibly a box of matches,—the matter was debated, but no action taken.

On motion, Solicitor directed to prepare an amendment to four-inch tire ordinance, fixing a limit of time when claims can be made.

Voted, that fines paid in by Justices shall be added to general surplus fund. On motion, Justice Garton elected Town Justice during absence of Justice Woodnutt.

Clerk instructed to notify the Pay rolls to place a railing around cellar at Bellevue and Egg Harbor Road.

Mr. Watkins' term as Water Commissioner expiring before next meeting, Council re-elected him for three years.

Attention being once more called to the pernicious practice of dumping old cans and other rubbish along the railroad and in other places, the Committee of the Whole were instructed to use every effort to abate the nuisance. Adjourned.

Good for Rheumatism.

Last Fall I was taken with a very severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this remedy I was much better, and after using one bottle was completely cured.—SARAH HANCOCK, Salem, N. J. For sale by J. S. Rogers.
