Soja or Soy Beans.

The United States Board of Agriculture strongly approves of them.

Farmers' Bulletin, No. 58 says: "They are probably the richest known vegetable substance. There is no crop so easily grown that is so rich as the soy bean."

They stand the extremes of heat, drouth, and wet better than any similar crop, and are unsurpassed as a soil improver.

They are now selling for \$1.60 per bushel, here, which is the wholesale price in Philadelphia market.

Presidents of the United States.

The first of our Presidents every one knows.
For nearly the fame of George Washington
grows.

When eight years he'd served, John Adams

served four.

Thomas Jefferson followed, for eight years

more.

James Madison next, and then bold James

Monroe.

Each sat for two terms; next, for one term,

your know,

Came an Adams again, John Quincy by

name.

Andrew Jackson, for two terms as President

came.

Then Martin Van Buren for four years held

away.

But William H. Harrison in one month

passed away.

Giving place to John Tyler, who next took

the seat.

And became President, the full term to

complete.

James K. Polk, for one term, came from old

Tennessee;

Then Zachary Taylor the next one we see;

But death, ere two years, called him from the

race.

Millard Fillmore completing the term in his

place.

Franklin Pierce his successor the next four

years.

Then for one term James Buchanan appears.

Then Abraham Lincoln, whose first term was

passed

in guiding our country through war's fierce

blast;

But his second term hardly begins when it

ends.

And his murder brings grief to his millions

of friends.

Andrew Johnson completed the unexpired

space.

Then Ulysses S. Grant for eight years held

the place.

Rutherford B. Hayes for one term held the

chair.

Though Democrats held his election unfair.

James A. Garfield the people next chose as

their chief;

But though mourned by the country, his

time was but brief.

For a murderer's hand shot the President

dead.

And Chester A. Arthur was Chief in his

stead.

Grover Cleveland for four years next sat in

the chair.

When Benjamin Harrison succeeded him

there.

Four years, in his turn in the seat to remain,

And when his term ended came Cleveland

again.

For William McKinley one term's hardly o'er

When the people decided to give him "four

years more."

W. C. T. U.

The ladies have taken this space for one
year, and are responsible for all that it
may contain.

On Monday evening, April 29th,
there was a pleasant gathering at the
Hall of the W. C. T. U. of the tem-
perance people of this town. The hall
had been appropriately decorated for
a "Press Social." Newspaper trim-
mings with the National colors in
flags and bunting, with cut flowers
and growing ones, ferns and foliage
plants, brightened up the little hall,
which was filled to its utmost capacity.
After devotions, Rev. Mr. Polk lead-
ing in the opening prayer, a pleasing
programme was carried out, consisting
of vocal and instrumental music.

Time and space will not permit me
to particularize, but the music could
hardly be improved upon. The read-
ings, recitations, and addresses by the
ministrars were fine and to the point,
abounding in wit and fun, yet temper-
ance all through.

The pulpits in Hammonton (at least
four of them) are filled with true
Christian temperance men. Not many
towns of this size can say as much of
their Church pulpits or ministrars.

One feature of the meeting was the
burning of the mortgage against the
Hall, which was done by our Presi-
dent, while the audience rose and
sang the temperance dorelogy.

All seemed to enjoy the music and
other parts of the programme, and
after refreshments separated, feeling
they had passed a pleasant evening.

Town Council Meeting.

Regular meeting on Saturday evening last, April 27th. All members present. Highway Committee made a written report of considerable work done during the month.

Fire Committee reported a contract with the Baroka Fire Hose Company for one hundred feet of hose, at 45 cents per foot.

Licenses Committee reported favorably upon Ben. Foglietta's application. Later, a liquor license was granted for a hotel in the old Union building, by a vote of five to one.—Mr. Watkins voting against it.

Law and Order Committee presented written opinion of Solicitor Chandler as to Council's power to compel property owners to repair sidewalks. In effect, it was that Council had the necessary authority but must pass an ordinance to cover the difficulty, and name therein the streets over which they desire to exercise full authority. (The ordinance will probably be introduced at the next meeting.)

PROPERTY for sale or rent. Ten roomed house, lot 25 x 30 feet. Particulars at this office.

Harvey King, one of our best known young men, suddenly lost his voice, while conversing with some of his companions. The affliction lasted nearly two weeks, he being unable to speak. He continued his studies, however, being a member of the graduating class, and after school hours worked in the REPUBLICAN office. Last Friday his speech returned as suddenly as it was suspended. There was nothing miraculous about it, however. A slight cold caused congestion of the vocal cords, and when this subsided sufficiently, the organs resumed their office.

The State Board of Education has issued instructions to observe Monday, May 6th, as Arbor Day. The circular, which is signed by the State Superintendent, contains the following: "It is desirable that such exercises be attended by the people generally, and that their character should be such as to inspire all with a higher appreciation and greater love for the beautiful in nature, and to emphasize the necessity of preserving our forest trees. It is also important that more kind and appreciative interest be taken in our birds. I would therefore respectfully request that a portion of the exercises of the day be devoted to these friends of ours and the trees."

Christian Endeavor Convention.

Tuesday was an ideal day, and that hoped make the tenth annual convention one of the best ever held since the Atlantic County Union was organized. About forty delegates from the several societies were in attendance, and from the hearty hand shaking and the general enthusiasm manifested, there will be more earnest work done throughout the county during the coming year.

While the morning session was partially devoted to business, and not so largely attended as the others, it was nevertheless enjoyed by all. Reports were very encouraging, showing healthy growth in spiritually, membership, and new features.

At the noon recess, after a fine repast, set out by the young ladies, the various committees met and prepared their reports for the evening session. Supper was also served in the basement room of the church.

When asked what we enjoyed most in the afternoon, we hesitated, for each part was very interesting and profitable. "Fresh Air Work," by Rev. George C. Horter; "The Twentieth Century Discipline," by Rev. H. C. Gravit; the Question-box, by Rev. Dr. Spooner; and the exercises by the Juniors, each had its admirers; but we would especially commend the children. Four societies, including the Junior C. E. of the Presbyterian, Baptist, and the Italian Evangelical, and the Junior Epworth League, surprised all by their excellent singing and speaking, as they were not on the program.

One thing that pleased the reporter (and many others), was the perfect unity of spirit manifested between the different Churches. No lines were drawn, but Christian Endeavorers and Epworth Leaguers seemed to forget sect, realizing that all are in truth "endeavorers."

In the evening, Rev. A. W. Spooner, D.D., gave a stereoscopic lecture on the "Passion Play of 1900, at Ober Ammgen." The house was crowded. The views on the screen made an impression on the minds of those who saw them which will remain longer than the memory of any merely written or spoken description.

During the business session, resolutions were read and adopted, and the following officers elected:

President, Rev. C. D. Siskinson, of Atlantic City.

V. P., Rev. S. W. Steckel, of Pleasantville.

Sec'y, Miss Beale M. Moore, of Atlantic City.

Cor. Sec'y, Miss Minnie Blachoff, of Elwood.

Treasurer, Mrs. Laura Casto, Pleasantville.

The singing throughout the day was entered into heartily. We hope the visiting delegates were

It is best to kill serpents in the egg.

Courtesy is never costly, yet never cheap.

There is always a tree for every Zaccheus.

The run-away tongue raises the dust of scandal.

There is no more terrible ordeal of courage than passive waiting.

The man who keeps his promises is the man who keeps his friends.

A boy's first trousers and a man's first love are soon outgrown.

It is far better to have large feet than a small understanding.

He who loves Christ intensely will love men extensively.

Characters are bought at the counter of experience.

Fortune falls him who fears.

It costs more to revenge wrongs than to suffer them.

Greatness is not in being lifted up, but in growing up.

It doesn't make dry school books any less dry to pore over them with tears.

They who live on public opinion will probably die of popular opprobrium.

Holds up a Congressman

"At the end of the last campaign," writes Champ Clark, Missouri's brilliant Congressman, "from overwork, nervous tension, loss of sleep and constant speaking I had about utterly collapsed. It seemed that all the organs in my body were out of order, but three bottles of Electric Bitters made me all right. It's the best all round medicine ever sold over a druggist's counter." Over-worked run down men and weak, sickly women gain splendid health and vitality from Electric Bitters. Try them. Only 50 c. Guaranteed by Crowell, Druggist.
