"The Best Bread in the World!"

said a lady recommending Leonard's
Home Made Bread to a friend.

We do not make quite such a broad
claim as that for it, but do say it is the
best in town.

Made by machinery and enclosed in a

A Faithful Servant.

The sad news reached us, Saturday
last, of the death of Rev. George R.
Middleton, which occurred May 1st,
in the Methodist Hospital, Philadel-
phia, from a complication following
an operation for appendicitis.

The deceased was, until 1907, one of
Hammonton's popular ministers, and
his many friends were shocked to hear
of his untimely end, though knowing
that he suffered, at times, while pastor
of the M. E. Church. He is remem-
bered as a fearless speaker, preaching
the simple gospel in unmistakable
language, and as an extraordinary
singer.

On his death-bed he used this last
opportunity and preached to those in
the hospital, then sang a portion of a
favorite song, which his wife com-
pleted when his strength was exhausted.

The funeral services were held at
Woodbury on Tuesday, attended by
more than eighty brother ministers,
and by friends from Hammonton and
other points.

Sympathy of friends here is extend-
ed to the widow and her two little
children.

Their First Banquet.

On Tuesday evening, May 5th, the
Hammonton Esperanto Club held its
first annual banquet at Horne's restau-
rant, Bellevue Avenue. The room was
prettily decorated in the Esperanto col-
ors, green and gold, the same idea being
carried out in the table decorations of
ferns and yellow daisies.

Those present were Mr. and Mrs.
Ward Nichols, of Atlantic City, Mr.
Lewis B. Luders, of Philadelphia, Mrs.
Yates, the Misses Depew, Hooper, Con-
key, Garton, Hartman, Seguino, and
Mr. Charles E. Nelson.

The menu was as follows:

Gistrol
Biskvitetol
Olivol Migdolol Salltal
Pastajetol de Kokido
Panotol Terpomol fritital
Sunto de Tomato
Rauco franca
Giacofajlo kal fragol
Kremfromago kun rubojelo Kuketol

A Conference of Sunday School
workers will be held in the St. Paul M.
E. Church, Atlantic City, on Thursday
evening, May 14, at 7.45. Mr. George
E. Hall, of Plainfield, President of the
New Jersey State Sunday School Asso-
ciation, will speak on "Our State-Wide
Sunday School Work," and Rev. E. M.
Ferguson, State Secretary, will deliver
an address on "The Factors of Sunday
School Success." Everybody interested
in Sunday School work is most cordially
invited to attend this Conference, as it
is undenominational in character, be-
ing arranged for by the County Sunday
School Association. There will be a
meeting of the District and County Sec-
retaries, in the same place, at 6 o'clock
on the afternoon of same day for prayer
and training.

It is encouraging to notice that a
number of new houses are coming into
town for use on the lake, and that the
owners are contriving convenient land-
ings and covers for them at the Park.
The more our lake is used, the better
the chances that it will be put in shape
for boating.

The members of Kate Aylesford Chapter, D. A. R., celebrated the anniversary of our second flag (15 stars and 15 stripes, which was adopted May 1, 1795), by having a Chapter supper given in the Universalist Church, May 1st, 1908. After the supper, readings were given relating to our flag "Old Glory."

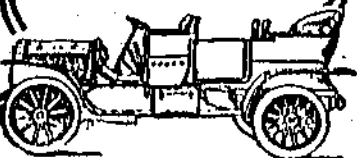

It is impossible to run a newspaper and suit everybody. There is always the fellow who kicks because there was something happened that he thinks needs a "ripping up the back," and just as sure as that interesting operation is performed, then the other fellow registers his complaint. The editor always tries to do that which he thinks will serve the interest of the community best, besides, probably he sees matters in the true light without prejudice. And then too, there are times and circumstances that will not permit the expression of opinion, because of the lack of facts that go to make the truth. All this must be taken into consideration, and while there may not be such news printed, as in some estimations, should be, just think it over and see if there was not a good reason therefore.

The Bowery Mission, conducted by Louis Klopach, has notified the Governors of the several States that the Mission can supply, at a moment's notice any number of able-bodied men for unskilled labor, to the farms and industrial centers, where there is a marked dearth of labor. All that is required to secure such help is to pay transportation. Applications should be addressed to John C. East, Free Labor Bureau, 22 Bible House, New York City.

No more of loans to confuse the driver at critical moments. The far greater ease of control by the White Car makes riding in "The White" not only safer, but far more enjoyable. And
No Odor, No Noise,
No Vibration, and so

These are some of the features that have given "The White Car" its world-wide recognition as "The Leader."

Also that two bids had been received for clearing underbrush from a section of the Park, one for \$50 per acre, and another for \$100. For grubbing same land, \$105 and \$940 per acre. All bids rejected. In the opinion of experts, the cutting and burning can be done for ten dollars an acre.

SPECIAL MEETING

At call of Highway Committee, Council met on Wednesday evening—all present except Mr. Boyer.

The subject of street grade markers was discussed at length and finally referred to Messrs. Ballard and Bernhouse, to look over the ground and report at next meeting.

Our entire Board of Assessors tendered their resignation; but this being a special meeting, no action was taken. It is understood that the Board demand increase of pay—the chairman to have \$200 a year, the others \$75 each, which could not be done while they are in office.

Voted to hold a special meeting on Saturday evening, May 16th, at which time the resignations will probably be accepted, the increase granted, and the same men appointed until November, when a full Board will have to be elected.

A GOOD REASON.

Hammon People Can Tell You Why It Is So.

Doan's Kidney Pills cure the cause of disease, and that is why the cures are always lasting. This remedy strengthens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause back-ache, headache and distressing kidney and urinary complaints. Hammon people testify to permanent cures.

Rev. Jos. Transeroli, living on Third St., Hammon, N. J., says: "Some time ago I began to suffer from sharp pains through the small of my back directly over my kidney region. I was unable to find a comfortable position at night and was in a miserable condition. Coming to the conclusion that my kidneys were in a disordered condition, and having a box of Doan's Kidney Pills in the house, I began their use, and was able to walk down town that night. Doan's Kidney Pills are very quick in giving me relief of this annoying trouble, and I can conscientiously recommend them to other persons suffering from kidney trouble. I procured Doan's Kidney Pills at the Red Cross Drug Store."
