HAMMONTON, N. J., SATURDAY, MAY 11, 1918

No. 19

Hotel Columbia is to be sold by the Sheriff, next Thursday.

Miss Marian Dunning, a student nurse, is visiting her parents.

All boys who have been called to camp are asked to see Mrs. L. H. Parkhurst for comfort kits.

The Civic Club is planning a rummage sale, for the benefit of the Red Cross,—details of which will be given later.

Admission to to-day's song contest is by ticket only,—to be secured from the committee,—Messrs. W. R. Seely, J. A. Waas, or H. C. Dougherty.

Miss Helen Imhoff, while riding her wheel on Tuesday, collided with an automobile, rendering her unconscious; tho' apparently no serious injury done. It was a narrow escape.

An all-day meeting of the Directors of the Needlework Guild will be held on Thursday next, at Red Cross workrooms. Box lunch. The members are asked to go prepared to sew for the Belgians.

Rev. G. Dalis, Rector of St. Joseph's Catholic Church, wishes to thank all generous contributors to the Bazaar (May 1st to 4th), and all zealous workers who helped to make it a success.

Mother's Day services will be observed by the Baptist, Methodist and Universalist Churches by appropriate services, in the M. E. Church, on to-morrow evening, May 12th, Rev. W. H. Gardner preaching the sermon.

Attention is hereby directed to the fact that Town Clerk W. R. Seely has recently been appointed as a Licensing Agent for the issuing of licenses for sale and use of explosives and ingredients, under the U. S. Explosives Regulation Law.

"Human Hears," an interesting play of the south, will be presented at the Casino Hall, Saturday evening, May 18, by a well known road company who carry their own scenery and a good band. The play has four acts and six scenes.

Huge forest fires in the region of Holly Farm, and over onto the Loading Company's property, the middle of this week, threatened such devastation that over two thousand men were engaged in fighting it, and Hammonton's fire department was sent for on Thursday afternoon.

Sunday, May 5th, was a very pleasant home coming at the home of Mr. and Mrs. Thos. Wescoat, when their daughter, Mrs. Robert McKone came from the south with her two children, their sons Edwin from Philadelphia, and Howard from Camp Dix, with his cousin, Ray Beach, and friend Sergeant Thos. McHugh. Several local friends helped to make the day enjoyable.

Town Council, on Wednesday evening, granted all eight license applications but one, with but one member—John Browne—voting no on each. The ninth, to Mr. Purchase, was refused, on a vote of four to three, the vote being as follows: No,—Messrs. Browne, Baker, Boyer and Pizzi. A member on the minority, Chas. C. De Marco, then moved for a reconsideration, and it was seconded by another member of the minority, and it was granted, for final decision next Monday night.

To the People of Hammonton:
Are we patriots? Are we true American citizens? We work day and night to help win the war by securing as large a subscription as possible to the Liberty Loan; and then, the members of our Common Council (with one exception), our representatives, fire into our faces, and try their very best to help Germany win the war by voting liquor licenses. They are traitors to their country. They are false to our boys on board the ships and in the trenches. The Atlantic Loading Company is hindered in its work by the liquor sold to their employes by our hotels, and we many of us do nothing. How long will we permit this? It is in our power to stop it. Will you help? Or by doing nothing help Germany?
Yours for our Country,
Charles O. Mudge.

An egg truck route has been established under the supervision of the Federal Department of Agriculture, taking in Millville, Vineland and Hammonton, bound for New York markets, running on Mondays, Wednesdays and Fridays (days yet to be adjusted). This has been asked for by the various Poultry Associations. The rate will be forty cents per crate. Poultrymen can leave crates at Andersons feed store or, if they live along the route, can hang out a special card to be seen by the driver. Further details next week.

Honor To Dix Boys.

Last Saturday night's demonstration was one of the heartiest ever pulled off in Hammonton. Forty-one Camp Dix boys from Hammonton, under Capt. J. C. Bitler and Sergeant Thos Taylor, came down Saturday afternoon, in autos, and were accorded a hearty welcome.

Mayor Boyer being unable to be present, his message was read by Capt. W. H. Davis.

In the evening, parade formed, under Marshal Bitler, and took in several streets. First in line were the G. A. R. veterans in an auto. Following, the "Spirit of '76," by Messrs. W. J. Braman, E. Burt and C. Waas. The Liberty Loan Committee then followed, after which the Italian Band, Camp Dix unit (under Sergeant Taylor) Medical unit State Militia (under Capt. Cunningham), Hammonton Band, State Militia Reserve, and Boy Scouts.

At the conclusion, a huge mass meeting was held at School Park, where Band concerts, exhibition drills by Camp Dix boys and Militia Reserve, delighted all. An excellent address by Oscar G. Bender, was full of fire for Liberty Loan buying. After securing many subscriptions to Liberty Loan, the Committee with the Dix boys, adjourned to Union Hall, where they were met on all sides by fine decorations, hearty handshakes, speeches, and a banquet.

Mrs. A. L. Jackson, who looked after the eatables, delighted those who partook of the good things at the tables; and the ladies, Mrs. H. C. Dougherty, Mrs. H. K. Spear and Mrs. W. W. Mayberry, with their helpers, deserve much praise for the very tasty decorations and arrangement of tables, flowers, etc. Speeches or toasts were given as follows:

Capt. Bitler, on Camp Dix.
Sergeant Taylor, on Our Army.
Capt. Cunningham, State Militia.
Capt. Davis, the Militia Reserve.
H. C. Dougherty, the G. A. R.
Oscar G. Bender appealed for subscriptions to Liberty Bonds.

W. R. Seely entertained by an address and in song.
Camp Dix boys showed their appreciation of Capt. Bitler by the presentation of a loving cup. To Sergeant Taylor, a fine bouquet was tendered,—both being accompanied by appropriate remarks.

The very enjoyable occasion closed by singing the "Star Spangled Banner," and a general hand-shake.

Boy Scout Hustlers.

The final report of the Boy Scouts drive for Liberty Bond subscriptions resulted as follows:

	Number of Scouts registered,	engaged,
Chas. Cunningham,	22	6160
S. Turner,	29	8060
G. Cook,	31	4500
A. Lucas,	35	3350

A lunch will be tendered the boys at a meeting next Wednesday evening, in Firemen's Hall.

Don't Waste Sugar.

Conservation of the supply of
sugar in this country, between the
present time and the preserving
season, so that sugar will be abun-
dant at the time it will be needed,
most, will be necessary if the coun-
try is to be carried over the peak of
the usual sugar demand. Informa-
tion to this effect has been received
by Wm. S. Tyler, Federal Food
Administrator for New Jersey at
the State Headquarters at Newark.
Warning that sugar should be saved
now was issued from Washington
after considering the inventory of
sugar in this country, together with
the amount expected to arrive from
Cuba.

Directions have been given to
the New Jersey Administration
that it is of "the utmost importance
that conservation be enforced in all
states, in order that the fruits and
vegetables, which must be pre-
served, be properly provided for."

"We must have strict economy,"
the Washington office adds, "and,
if necessary, even slight shortages
now rather than have any shortage
whatsoever when the canning sea-
son is at hand."

Conservation in every way possi-
ble must be practiced at this time,
so that sugar will not be scarce
when the great demand comes dur-
ing the summer and early fall."
