"A Word to the Wise."

The word we would utter to the wise concerning Clothing, is "Quality." On Quality hinges Cheapness, for a thing is not cheap unless it is good. Therefore remember when in need of Clothing, Man or Boy, that with us a low price never means a poor quality.

Democrats pay a high tribute to the Republican party when they denounce honest election laws and anti-gerrymandering bills as partisan measures. It is a confession that Democratic majorities depend on fraud.

The Elmer Board of Trade has taken steps to organize a national bank to take the place of the collapsed trust company.

AMMONT OF ATLANTIC CO. N. SATURDAY, MAY 17, 1890.

In compliance with the wishes of many of my friends and former patrons, I have decided to remain in Hammonton for three or four weeks, and shall be prepared to make fine photographs of all kinds, at my old gallery; also copies from all negatives formerly taken by me.

List of unclaimed letters remaining in the Post Office at Hammonton, N. J. Saturday, May 17th, 1890: Cal. Crocker, Thomas Dwyer (2), Mr. A. E. Hay

Persons calling for any of the above letters will please state that it has been advertised.

General Master Workman Powderly believes that ballot-reform can only be accomplished through a constitutional amendment. The spirit and intent of the constitution is to secure honest elections, and it contains ample warrant for whatever statutory enactments may be necessary for the desired changes in our present system of voting.

Six weeks ago our Free Trade brethren were afraid that the present Congress would not enact a tariff bill. To day they are afraid it will. Somehow or other these cheerful gentlemen are awfully hard to please.

The undersigned will receive sealed bids, up to and including Friday, May 30th, 1890, for the building of a new and lighting the Street Lamps of the Town of Hammonton for one year. The Town will furnish all supplies. Specification will be furnished by either member of the committee. The right to reject any and all bids is reserved.
