

Memorial Sunday TO-MORROW

The G. A. R., P. O. S. of A., and kindred organizations will attend divine service at

The M. E. CHURCH

Meeting at ten o'clock a. m., to reach the church at 10.30.

This is a change of programme made necessary by the unavoidable absence of the Pastor of the Universalist Church.

Rain-a-plenty, this week.

Read the Board of Health ordinances, on fourth page.

The Chautauqua will be here in a few weeks.—June 16th to 22nd.

Dr. and Mrs. Bitler entertained her brother, Edgar Andrews, over Sunday.

Glutrine was being applied on Middle Road as our reporter passed, on Tuesday.

Mr. and Mrs. Lewis Thomas and son Norman spent a few days in Hammonton.

The "Atlantic Cash Feed Co." has been incorporated to succeed the Nelson combine.

Mr. and Mrs. Wesley Adams were in town this week, attending the burial of Mr. Lance.

Mr. and Mrs. Shumaker will move into Walter Andrews' new house, on Grape Street.

The local churches will decide, to-morrow, on the union Chautauqua Sunday, June 22nd.

Mrs. Wainwright and daughter, of Ronenhayn, were in town on Tuesday, visiting friends.

Mrs. J. L. B. Hutchison is entertaining her sister, Mrs. E. B. Ingersoll, of Dover, Delaware.

Mrs. Frank Ritter, of Phila., has rented Mrs. John Taylor's house, on Bellevue, for July and August.

Mr. and Mrs. S. H. Barker, of Dover, Delaware, are visiting their daughter, Mrs. J. L. B. Hutchison.

All sorts of dainties to tempt your appetite, at the Civic Club sale, in Bellevue Hall, this afternoon and evening.

There will be special music by a male quartette, to-morrow morning, at the Memorial Day services, in the M. E. Church.

Schools close on Friday, June 13th. Commencement exercises will be held that evening, in the Presbyterian Church.

No preaching services at the Universalist Church to-morrow, because of Pastor Abbott's absence. Sunday School at noon.

Mrs. William Rutherford, from Philadelphia, and her sister, Mrs. Chas. E. Titus, of Atlantic City, were in town this week.

Opening of the local base-ball season this afternoon. Game with the "Ardenore" nine who are able to make an interesting play.

In a friendly wrestling match, last week Friday, on the Central school grounds, one of the boys fell in a manner that dislocated his elbow joint.

Come to Sivick Klub sale this afternoon, look around, perhaps buy something, return after supper with the family, and enjoy the entertainment.

Next Friday being Memorial Day, there will be no school. The Banks and Post Office will also be closed—the latter being open only at certain hours.

Frank Gallagher returned home last Saturday, after five weeks in Cooper Hospital. His arm, which they feared would have to be amputated, is doing nicely.

The Alumni Association met last week Friday evening, in Firemen's Hall,—it being its annual business session and social. A motion was made, to be voted on by mail, allowing each member to bring his wife (or friend) to the banquet on the payment of the extra dollar. The banquet will be given on Thursday evening, June 12th.

Many of our local ninrods, like Peter, are saying "I go a-fishing."

The new ice plant is nearing completion. Inside riveters and sheathers are hustling things.

Both the house and the housewife can be supplied with articles, useful as well as ornamental, at the Civic Club sale, Bellevue Hall, this afternoon and evening.

On Sunday, June 8th, a union service will probably be held in the Baptist Church, it being the occasion of the baccalaureate sermon to the graduates. Rev. H. P. Hoskins will preach.

Suburban Schools will close next week Friday, for the term. Their hours are from eight to one, with a twenty minute intermission. This is on account of the need of their help on the farms.

Shamunkin Loft of Haymakers have changed their night of meeting to the last Tuesday in each month,—after adjournment of the Tribe. Next Tuesday is the next date, and a full attendance is desired.

Rev. H. A. Abbott was called to Maine, on account of the serious illness of his sister.

Mrs. Wm. Krimmel was taken to the German Hospital on Tuesday, after suffering several days with appendicitis. She was operated upon Wednesday, and at last report her condition was favorable.

The Vanishing Army—G. A. R.

From the wave-washed strand of the Golden Land
To the shores of the Eastern sea;
From the mountains that fringe the frozen North
To the Southland's flowery lea,
Comes the tramp of feet to the drummer's beat,
And the file with its martial lay;
For the soldier boys are marching again,
To keep Memorial Day.

They were heroes all when the trumpet's call
Was heard in the days gone by;
For their hearts were brave and their hearts were true,
When they heard their country's cry.
But now, as they come to the file and the drum,
'Tis a loving tribute to pay,
And a path of flowers for these heroes of ours
Is spread on Memorial Day.

For the Stripes and Stars and the gleaming bars
To a nation of peace belong,
And a friendly cheer is all they hear,
Or the children's voices in song.
The weapons are rusty and silent now
That once they used in the fray;
They have only to bear the flowers fair,
As they march on Memorial Day.

The ranks grow thinner, the marchers few,
And to-day the grasses grow
On many a mound that was not found
But one short year ago.
Whether they sleep the dreamless sleep,
Or a little longer stay,
We'll never forget the boundless debt
The nation can never pay.

Let Northern blossoms and Southern blooms
Their tendrils intertwine;
A token of peace that years increase
And love hath made divine,
And whether the heroes wore the blue,
Or whether they wore the gray,
We own them ours and scatter the flowers
For all, on Memorial Day.

In the Atlantic County Court of Common Pleas at May's Landing, Monday, Judge Clarence L. Cole disposed of the appealed case of Rita J. Dean vs. Hammonton Trust Co., administrator of William H. Burgess, deceased, by giving judgment for the administrator.

The original case was tried in the office of A. J. King before Joseph H. Garton, a Justice of the Peace in Hammonton, and the Justice gave judgment for the plaintiff for \$105, which she alleged was due her for nursing her brother in his last sickness in June and July, 1912.

Lawyer Dean Stanley Renwick, attorney for the administrator, appealed the case and won out before Judge Cole, who held that brother and sisters, living together as one family, under one roof, (as in this case) perform services for each other, such services are presumed to be gratuitous, unless there is an express promise to pay.

At the conclusion of the plaintiff's case, Lawyer Renwick moved for judgment for the estate on the above ground, and Judge Cole granted the motion without requiring him to put one witness on the stand although he had a host of prominent people from Hammonton ready to testify. Mr. King's client must pay the costs.

The borrowing habit has a hold on many of us humans, but some "don'ts" hold good here, as elsewhere. One is, "Don't borrow a baby," and that is the title of a farce to be given at the Civic Club entertainment this Saturday evening. "Don't" fail to see it.

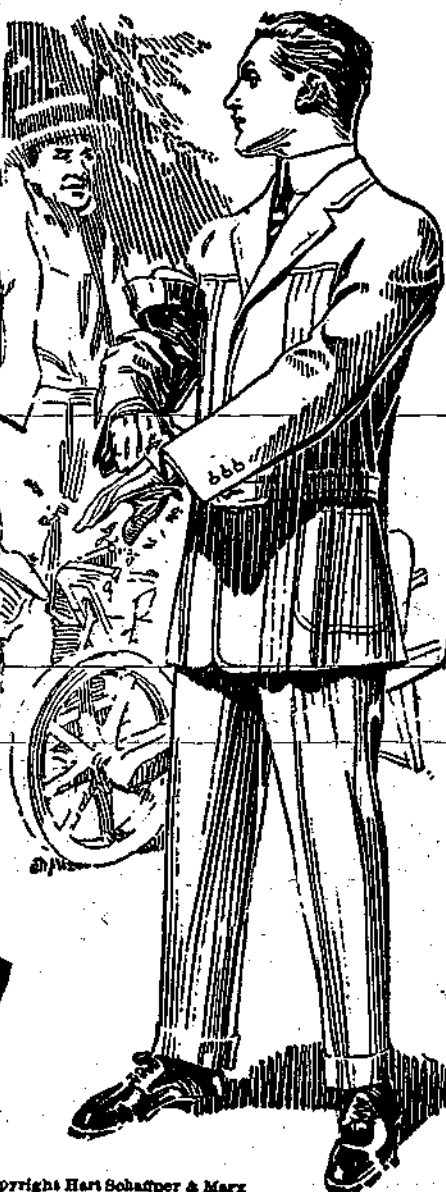

H. J. Dickson and family have moved to West Philadelphia.

Obituary.

JOHN S. LANCE, these many years a popular conductor on Reading Railroad, died on Sunday afternoon last, May 18th, aged 53 years.

So far as known, Mr. Lance was in usual health. After dinner he went outside, and was walking about his garden when stricken with apoplexy, and died an hour later. Funeral services were held on Wednesday evening, conducted by members of the Railway Conductors' Association, of which he was a member. Many of his associates also came on Thursday, to participate in the burial rites, in Greenmount Cemetery. A widow, two sons and two daughters survive him.

Lots of men, most men we think, do not pay enough for their clothes to get real economy.

We say \$18, \$20, and \$22.50 ought to be your starting-point, because that is true economy.

But we have some mighty good clothes at \$15, \$12.50, \$10, and as low as \$7.50.

We put real economy in clothes at any price.

We emphasize the eighteen, twenty, and twenty-two-fifty figure because so many men think that it is too much, and others that it is not enough.

Both kinds ought to start looking at our \$18, \$20, and \$22.50 suits that

Hart Schaffner & Marx

made for us. That is the way to decide whether to pay more or less.

Haberdashery

for Men.

All the new things that are desirable and practical are here assembled, awaiting your stamp of approval.

A shipment of Men's Dress Shirts was just unpacked, marked at 75 cents, that compare with most dollar shirts. They are made from a good quality, that will stand washing. Extra full size, and sizes from 14 to 17 neck-band.

Men's Dress Shirts at 48 cents. Most people don't expect to get much of a shirt at that price; but we really have a surprise for you. The shirts we offer at 48 cents are made extra full size, of good washable fabric, stitched, and made just as carefully as the higher-priced ones, with detached collars of the same material, or neck-bands.

Extra fine quality soft Negligee Shirts at \$1 and \$1.25,—with attached or detached soft collars,—scores of patterns, also plain white and cream color.

Beautiful Silk Shirts at \$2.50, \$3, and \$3.50,—of domestic and imported silks,—plain corded silk, or white with stripes.

The new "Olus" Shirts for men,—a new creation. The tail of the shirt is made so that it can be turned into a pair of drawers, thus preventing the shirt from pulling out of trousers, especially when you wear a belt. Ask to see it. Price, \$1.50

The new Eclipse Adjustable Shirt is another new creation in shirts. The sleeves are detachable, so that you need not roll the sleeves up or send the shirt to the laundry just because the cuffs are soiled. Price, \$1.50

Men's Underwear—great assortment and at lower prices.

Men's 25 ct. Balbriggan Underwear at 20 cents.

Men's 45 ct. Balbriggan Underwear at 39 cents.

Extra fine quality Balbriggan Underwear at 45 cents.

A complete stock of B. V. D., Poresknit, and Twintex Underwear, in union suits or separate garments.

Does \$100 Look Good to You?
I will save you that much and more if you are looking for a piano or player piano. What's the use of buying a second-hand piano when you can have a new one of better grade at the same price. What's the use of buying cheaper quality, when you can have the best direct from the factory at the same cost, or less?
Don't be old-fashioned and say, "I don't see how it can be done." Look into my proposition and see for yourself. Just because pianos have never been sold here before on this plan and at such low prices, is no reason they cannot be. I save you the middleman's profit.

SATURDAY, MAY 24, 1913

Our Water Commissioners received a bill for concrete sidewalk and curbing. They referred this to Town Council, who returned it, as payable from water funds. We beg leave to differ with Council. The Town owns the water plant, lots and building. All improvements necessary to conduct the business should be provided by the Commissioners; but the Town at large is the landlord, the Commissioners are tenants, and the owners should pay for all permanent additions or improvements to their real estate holding.

Strawberries are beginning to come in,—which all are pleased to see, for with money coming in for berries, every business is benefited. There will be at least one of the force in this office next Friday morning, to receive orders, locals, or checks.

It is not generally known that cases of mentally deficient persons must be reported to the Board of Health. If they are not already recorded, there are several in town who should be, judging by their conduct.

Town Council's action in regard to July 16th will be endorsed by most of our citizens. There are arguments both for and against sending the Italians to the Park; but as their Committee has agreed to Town Council's conditions, let's drop the matter for this year.

The Park's need of improvements and repairs is causing quite a bit of comment. Aside from the hall, with shutters broken and glass out of the windows, the wharves are unsafe and going to pieces, bushes growing wild, and the amusements—swings, see-saws, and benches—put out of business by the boys. With six hundred dollars at their command, Mr. Nicolai's committee will make many improvements.

Don't forget we're to have a Fourth of July celebration.

The Fellows Grand Opera Company

AT THE 1913 CHAUTAUQUA

Genial Harry Fellows, known to great singers all over the country, dominates the entertainment with his free unconventional acting and his lyrical tenor voice. Miss Schin, the soprano, is a striking young person with all the brightness and vivacity that she expresses in her vocal work. Miss Marguerite Fellows is the dainty little pianist whose playing is astonishingly out of harmony with her physical proportions. Miss Driver, contralto, is most winning in her soft Scotch songs and in duet with Mr. Fellows. Mr. Vandenberg is a splendid manly fellow who has unusual mastery of a stirring bass voice. The Fellows Company will give to their Chautauqua audience fascinating sketches from the most well-fitted operas staged to-day.

Reno B. Welbourne

POPULAR SCIENCE LECTURER FOR
THE 1913 CHAUTAUQUA.

In eighteen towns where Welbourne gave his fascinating lecture-exhibits last year, the Chautauquas voted unanimously to have him come back.

This entertainer stands on the platform before a table of apparatus, thermometers, tuning forks, ice, flutes, motors, batteries, and what-not. In clear view of everybody he lights a match, sounds a note or makes some simple move or other. Result, a miracle! No, for every experiment, while the wizard explains it, proven to be perfectly in accordance with physical law. Mr. Reno B. Welbourne has an unlimited number of new "Wonders of Science" always ready to astonish the flock, buyer who comes a second season because the first entertainment "hit" him "right."

"Such shipments mean Studebaker has the confidence of the farmer"

Every year over one hundred thousand horse-driven vehicles are sold by Studebaker. Over a million Studebaker vehicles are always in use. Stop and think what that means.

This enormous output means that Farmers—the men who know—depend upon Studebaker wagons to do their work.

And a Studebaker wagon never fails. It is always ready to do a big day's work—and to keep on doing it. There are thousands of Studebaker wagons that have been in service from 20 to 40 years.

A Studebaker wagon is a real business asset. Wheels, body, frame, axles and running gear have been tested and retasted by experts. You can buy cheaper wagons but they're not Studebakers, nor will they last like Studebaker wagons.

Whether in city, town or country, for business or pleasure, there is a Studebaker vehicle to meet your requirements. Farm wagons, trucks, contractors' wagons, buggies, surreys, runabouts, pony carriages, business and delivery wagons—each the best of its kind. Studebaker harness also, of every description.

Roofs put on twenty-six years ago are as good as new to-day, and have never needed repairs. What is the result? Why practically every other shingle manufacturer is trying to imitate it, so be not deceived—look for the words "Cortright Reg. U. S. Pat. Off." embossed on the corrugation. It is put there for your protection. Accept no substitute.
