HAMMONTON, N. J., SATURDAY, MAY 26, 1917

No. 21

MEMORIAL DAY

Memorial Sunday, to-morrow, will be appropriately observed in Hammonton. The G. A. R., P. O. S. of A., P. O. of A., and all patriotic organizations, will meet at headquarters at 7.30 p. m., and march to the M. E. Church in a body. There will be special music and a sermon by Pastor van Dright, on "Love for Country."

On Wednesday, the 30th, the following Decoration Day program will be carried out:

8.30 to 9.00 a. m., music by the Hammonton Band.

9.00, sharp. The Parade, motor drawn, will proceed to Oakdale Cemetery. Singing by appropriately-dressed girls; an address by Rev. W. J. Cusworth; prayer by Rev. W. H. Gardner; firing by a squad; P. O. S. of A. service; decoration of graves. The Band will play at intervals.

Returning to Greenmount, the programme will be repeated, except that the address will be made by Rev. E. van Dright.

All citizens are asked to decorate with flags or bunting, and, so far as possible, enter into the spirit of the day,—in the morning especially,—abstaining from games and frivolity.

Stores will probably close about nine o'clock.

In the afternoon, the Band, assisted by the Firemen and Rod and Gun Club, will entertain and feed their friends at Hammonton Park.

Chicken pox is going the rounds again.

Baker Brothers are driving a truck, neatly lettered.

Mrs. Isabella Cunningham has taken H. E. Andrews' corner house.

Band concert at Hammonton Park, Wednesday afternoon and evening.

Railroads will issue new timetables to-day, taking effect Sunday (to-morrow.)

Editor Breder, of Egg Harbor, was one of Tuesday's visitors in Hammonton.

John Pagano's home was brightened by a new boy, Thursday,—the sixteenth child.

Of the \$462,721.10 State School money,—Hammonton's share this year will be \$43,445.97.

Mrs. Edw. Van Hise is a patient in the Invalid's Christian Sanatorium, 6300 York Road, Phila.

Refreshments, moving pictures, and a dance, are on the program at the Park, Wednesday afternoon and evening.

Mrs. Emma Arlitz-Smith is in Hammonton for an indefinite stay, having found this climate favorable to her health.

Rev. H. T. Taylor is in town this week, visiting old friends and looking after the sale of his goods this afternoon.

Electric lights will be off for a few hours, to-morrow morning, to allow a safe opportunity to make some changes in the wires.

Mrs. Brown's pupils' recital, on Wednesday evening, drew a good crowd, and all were highly pleased with the progress of the pupils.

Prof. W. J. Bryan has been employed by the Board of Education for the summer months, to supervise the home garden work.

Volunteer Fire Company tested five hundred feet of new 2½ inch hose, Wednesday night. Small boys choose that occasion to have a good time; and many of them had it, and a good wetting, too.

Dr. Cunningham reports the following accidents: Saturday night, John Rubertone broke his wrist,—his car turned turtle, near Nesco. Two workmen of Tony Rizzotte sustained broken ribs by a wagon upsetting. Sunday, Indore Bank broke two ribs and shoulder, and Mrs. Bank was badly bruised,—car struck by Bernshouse's truck, in charge of young Mangold, who attempted to pass from the rear, between two autos. Mrs. Pleasant and two nieces, of Philadelphia, seriously injured by car striking pole, near Kilm. Frank Doncker, badly injured knee, by falling over wheelbarrow.

Pleasant Mills Church invites all its old and new friends to Memorial Day services, on Wednesday next. There will be a lunch, and refreshments of all kinds, speaking and a good time generally. Proceeds will be for the pastor's salary fund.

Dr. J. C. Bitler has been appointed First Lieutenant in the U. S. Medical Reserve Corps, and is ordered to hold himself in readiness to report for duty when so notified,—which may be any day. Many Hammontonians will miss their doctor.

Members of the G. A. R., Camp 73, P. O. S. of A., and Camp 55, P. O. of A., will attend Memorial Service at the First M. E. Church on Sunday evening, May 27th. Members will meet at the P. O. S. of A. Hall at 7.30 p. m. All are requested to be present.

Next Monday evening, at eight o'clock, Sheriff Bartlett will hold a meeting in Town Hall for the purpose of instructing the various Boards of Registry and Election in regard to Enrollment Day, June 5th. Members from Hammonton and Folsom will attend. On the same evening, Mullica Township (and vicinity) officials will receive instructions at Egg Harbor City.

Over a hundred young men—mostly young—participated in the drill last Tuesday evening, and to all appearances they thoroughly enjoyed it. The several hundred spectators certainly did. There were nearly a dozen drill-masters, and their patient efforts were soon rewarded by prompt response to the various orders. This afternoon, all who wish can meet one of the officers on the school grounds, at three o'clock, for extra lessons. Next Tuesday evening, at eight o'clock sharp, the second full drill will be held, meeting at Vernier's corner. A hundred more recruits are expected in line. Elmer A. Priestley will enter all such on his roll.

Town Council Meeting.

Regular meeting on Wednesday evening. Messrs. McIlvaine and Pizzi absent.

Highway Committee reported a number of improvements, which were endorsed.

Bruno Brothers asked permit to place a gas tank under sidewalk at Third and Bellevue. Granted.

Sewer management given use of old fire-hose, for flushing.

Certain repairs to Park Hall were agreed to, and bids for the same will be received.

Resolution adopted, to borrow \$1350, to make first payment on Bellevue Ave. improvement.

Under a new law, if the Town Treasurer has not money enough to pay the bills presented, Council must, by resolution, borrow what is necessary. Finance Committee and Treasurer were instructed to ascertain the amount necessary and report to Council.

Bills ordered paid—

Town Purposes	\$100.18
Highways	236.00
Fire Department	412.00
Powerworks	21.00
Poor	4.00
Board of Health	31.51
Park	4.46
Forest Fire	28.00
Drainage	4.00
Bellevue Ave. Improvement	1259.70

Volunteer Fire Company asked for the installation of a large gas tank. Referred to Committee.

Notice was received of a public hearing at a meeting of the State Highway Commission, June 15th, at Hotel Dennis, Atlantic City, to consider taking over of the highway from Camden to Absecon.

Voted, to adopt the committee's recommendation to the Water Commission, that water main and fire hydrant be installed, as requested by Homeaway Company.

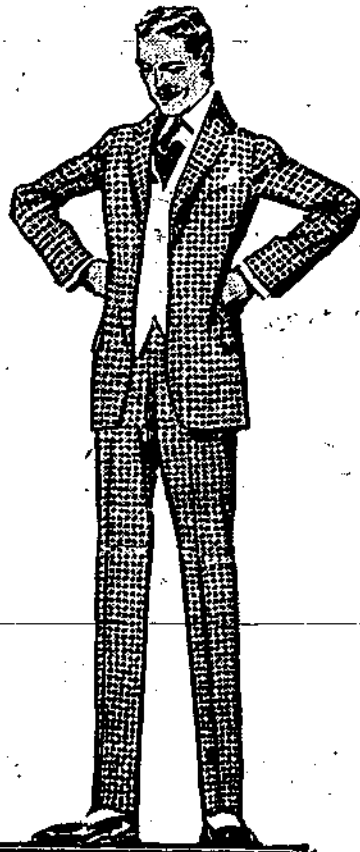

Three official dog catchers were appointed,—D. J. Pagano, Joseph Kuper, and Angelo Costa.

Memorial Day order for seventy-five dollars was authorized. Messrs. R. H. Sharpe and W. J. Smith were appointed members of Sinking Fund Commission, with A. B. Davis, Town Treasurer.

Adjourned to meet on Tuesday evening, May 29th.

Bank Brothers

An advertising manager of a nationally known firm was asked how he can tell an applicant's ability at a glance. "A fellow's appearance goes a long way with me," he said. "If he does not want a position bad enough to get himself together in the very best style possible, I know the position does not want him. A fellow cannot help the shape of his head, or the size of his nose, but there is no one in the world who cannot be neat and well groomed."

MOTORISTS!

Read This Over Carefully!

The largest hammer that ever a
blacksmith swung does not deliver
a blow as heavy as those your tires
get hundreds of times in a few
hundred miles of travel.

That cotton fabric and rubber
can stand up under such punishment
is remarkable when you think
of it.

A blacksmith will tell you that
the temper of steel can be spoiled
by too much heat. Little wonder
then that even a few degrees too
much in the vulcanizing pits will
ruin a tire by carbonizing the cot-
ton. This results in a tire that
cannot stand the pounding of daily
service.

By the exclusive Miller method
of vulcanizing, all the essentials
are retained in the cotton fabric.
The native toughness and resiliency
of the rubber are kept intact. Both
cotton and rubber are welded into
a rugged mileage unit.

Miller geared-to-the-road tread
bands are never spoiled in the ap-
plication. They come to you brim-
ful of mile muscle, and with too-
per cent power to resist and endure.
The blows of the road affect them
almost as little as the hammer
affects the anvil.

Hundreds of motorists found
Miller repairs and re-treads to be
faithful long-distance performers in
1916.

You, too, can establish mileage
records and reduce your tire ex-
pense by having your tires repaired
and re-tread by the Miller method
in 1917.

Write or phone and we will call
for, and deliver all work. We
guarantee all work.

Miller Tire Repairing,
Vineland, N. J.
Inquire W. S. Turner.

Famous Hill Climb of HUDSON SUPER-SIX

In a hundred cities, Hudson
dealers have won the local records
with the Super-Six.

Not in America only. In several
countries, Super-Sixes have won
the hill-climbing records.

But the Pike's Peak climb last
September was the world's supreme
test. There twenty great cars, all
specially built, met for a race to
"the top of the world." The Hud-
son Super-Six Special made the
best time of all.

What They Drove

The Super-Six, remember, is a
small, light, Six. It doesn't win
by size. It won these tests just as
it won all other worth-while records
—by endurance.

This invention—patented by
Hudson—has minimized motor
friction. It thus added 80 per cent.
to the motor's efficiency. It nearly
doubled the motor's endurance.

You don't care to climb Pike's
Peak at the speed the Super-Six
showed it could do. You don't
care to go 102 miles per hour, as a

Super-Six stock chassis has done.
Or 189 miles in 24 hours, also
with a stock chassis.

But you want the car which
holds those records, if you buy a
great car. Not because they prove
capacity, but because they prove
endurance—prove that no service
you will ever demand will equal
its capacity.

All-Round Ruler

But the Hudson is now more
than monarch in performance. It
is fully as distinctive in style and
beauty this year, in finish, in
equipment and in luxury. It has a
new gasoline saver, in the form of
radiator shutters, which, through
controlling the heat of the motor
in part, overcomes the disadvan-
tages and waste of the present poor
grade of gasoline. It has a patent
pneumatic carburetor, exclusively
Hudson, self-adjusting to every
engine speed.

In whatever you prize most—
performance, style, beauty or econ-
omy—you will find the Hudson
leader. That's why it leads all
other front-rank cars in sales.

The New Speedster is here.

Hammonton Auto Station,

P. T. Ranere, Prop.
